

Crackdown To Start On Sewer Connections

Storm Water Overflow
Found In Nameoki Area
Sanitary Sewer Lines

A crackdown on unlawful storm water connections onto the Nameoki sanitary sewer system is being started this week under authority granted during Monday night's city council session.

Mayor Davis presented a letter from the engineering firm of Sheppard, Morgan & Schwaab, designers of the sewer, in which it was pointed out the system was being seriously overloaded and damaged due to the presence of storm water. The council indicated violators would be prosecuted.

An inspection team is to begin an immediate survey of the entire Nameoki sanitary sewer system and inform the city of any violations of the city ordinance which prohibits storm water connections onto the sanitary lines.

Crew Ready To Start
"I've told the engineering firm to get the inspection crew together so the work should begin very shortly," the mayor advised the council.

In the SMS letter to the city, Engineer Edward N. Jeneau reported that measurements were taken at the inlet manholes at pumping stations in the system and "a serious overloading of the sanitary sewers due to the presence of storm water" was found.

This has increased the flow in the system during the last few years, continued. "As a result of the presence of storm water in the sanitary sewer, our measurements indicate a 'backing up' in the inlet manholes."

Water Causes Pressure
"It is evident that serious damage can result from the internal pressure produced on the sewer pipes and joints as well as the flooding of basements during rainstorms."

"This condition should never occur in a sanitary sewer system, since storm water connections are prohibited," Jeneau suggested the inspection to determine all points where drainage water might be entering the sanitary system.

The inspection pertains only to the Nameoki area, since the remainder of the city is serviced by combination sewers.

Early last month, a 15-inch line under St. Clair avenue collapsed a short distance from a lift station following a heavy rain, and it is believed the damage resulted from storm water in the line.

Sewers May Fail
Mayor Davis told the council it was his opinion the inspection could be halted only if the city prosecutes. "If we don't stop the dumping of storm water in those lines we're going to be in serious trouble with the sanitary system failing."

In presenting the proposal for an inspection, Mayor Davis said that only through such a survey could the storm water connections be uncovered. He added that since Sheppard, Morgan & Schwaab was the engineering firm on the job for the sewer installation, it would be logical for SMS crews to do the work.

Several salons said they were aware of where some storm water connections would be located and would advise the survey team.

Resolution setting forth the cost of the project, yet to be determined, is to be presented at the next council session.

BIRTHS

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Richard Means, 302 Madison avenue, Madison, and Mrs. C. W. Owens, 1222 Granite avenue, Madison, have announced the birth of a daughter, Mrs. and Mrs. Frank Burk, 808 Levee avenue, Madison, have announced the birth of a daughter, Mrs. and Mrs. L. J. Costley Jr., 8 Frontance drive, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. Edward E. Opich, 2381 East 27th street, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. Paul W. Vance, 2008 Forest drive, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. James DeFuntz, 2009 Lindell boulevard, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. L. J. Costley Jr., 8 Frontance drive, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. Edward E. Opich, 2381 East 27th street, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. Paul W. Vance, 2008 Forest drive, St. Louis, have announced the birth of a daughter, Mrs. and Mrs. James DeFuntz, 2009 Lindell boulevard, St. Louis, have announced the birth of a daughter.

BOYS

Mr. and Mrs. Howard Jordan, Rural Route One, Venice, have announced the birth of a son, Mr. and Mrs. James DeFuntz, 2009 Lindell boulevard, St. Louis, have announced the birth of a son, Mr. and Mrs. L. J. Costley Jr., 8 Frontance drive, St. Louis, have announced the birth of a son, Mr. and Mrs. Edward E. Opich, 2381 East 27th street, St. Louis, have announced the birth of a son, Mr. and Mrs. Paul W. Vance, 2008 Forest drive, St. Louis, have announced the birth of a son, Mr. and Mrs. James DeFuntz, 2009 Lindell boulevard, St. Louis, have announced the birth of a son.

Mr. and Mrs. William E. Barnett, 2153 Edwards street, St. Louis, have announced the birth of a son.

SCENE OF FATAL CRASH on State Route 111 south of Lakeside airport, showing badly damaged auto off roadway in the background and in the right foreground the concrete barrier struck by the car. Mrs. Elizabeth Burroughs, 73, of Edwardsville was killed in the accident about noon Tuesday, and her husband, Wilbur, 74, was injured critically.

Heavy Damage In Fire At Grocery In East Madison

(Picture on Page 11)

Fire caused damage estimated at many thousands of dollars at the two-story building, constructed of frame covered by asbestos shingles.

Going directly to the scene from a weekly training meeting at the Firemen's hall, 17 Madison avenue, Firemen found flames shooting from the roof but were able to prevent the blaze from spreading to a one-story residence located less than four feet away. Furniture was moved out of the home as a precautionary measure.

An exact figure on the loss has not been determined by firemen or Werner, the Madison township assistant supervisor, who is conferring with insurance adjusters. The department attributed the blaze to an overloaded electrical circuit in the building, the most common cause of fires in the area.

Heaviest damage was at the meat area in the rear of the store, but the intense heat ruined most of the articles in the building. The store is closed as a result of the blaze.

City To Annex Site of New RC Cola Plant

Granite City will grow another 48 acres in "near future" with annexation of the site of the new Royal Crown Cola Co. plant along U. S. Highway 67A, it was announced by Mayor Davis during Monday night's council session.

The mayor explained he had been conferring with officials from the firm's home office in Columbus, Ga., and read a letter to the council in which the firm requested the city to annex the site.

In order to carry out the annexation, the city would have to purchase the site, which is contiguous with the city boundary, which encompasses the A. O. Smith Corp. plant to the north. The railroad owns property between the two plant sites.

Unanimously Approved
Council members unanimously approved the Royal Crown proposal after Mayor Davis explained city confirmation was required to continue the plan to continue. It has developed.

Kidnaped Man's Alertness Helps Police Capture Pair

"Officer, I've been kidnapped," for about half a minute without answering. Then one of them ventured, "What's the matter, buddy?"

It took a little convincing, Podnar said, but finally he got their interest aroused, and they asked for the facts.

According to Podnar, he was to have met a man, who was interested in renting a trailer site from him, about 11:30 p.m. Sunday at Ninth and Pine streets, St. Louis.

Podnar parked his car on a one-way street, and waited on the corner for the man. He never showed up.

About ten minutes to midnight, Podnar headed back for his car. As he approached, he saw a man walking toward him. He thought, using his car for a map. Amazingly he pored up to the door and told the man to find some other place as he wanted to go home.

It was then that Podnar noticed another figure, female, trying to lose itself in the cushions of the back seat. He also noticed something shiny lying on the car's front seat.

Podnar, warily watching the pair, noticed that the man was about five feet tall, had brown hair and was very lean. The girl was much stockier, he added, with black frizzy hair, and she didn't have any shoes.

With a gun pointed at his midsection, the Madison man admitted that he felt a certain uneasiness, and just wanted to get away from it. He told them, "Take my money... take my car."

The gunman, later identified by Chicago FBI agents as Robert J. "Red" Robin, a Madison, Tex., spoke in a slow drawl and told Podnar to get into the car. They were just about to leave when Podnar, in a little ruse, said, "Chicago, he added."

Stop For Food
The barefoot girl, identified by the FBI as Miss Victoria Murray, of San Antonio, Tex., got behind the wheel. Podnar squeezed into the middle of the front seat with his hands on the right, the revolver held in his lap. Podnar said the trio headed across the river, via the Veterans Bridge, and pulled into a service area for gasoline and some cheeseburgers. Podnar just took coffee. Then they headed for Chicago.

About halfway there, Podnar's 1952 sedan ran out of gas. And the lean Texan, using a two-gallon fuel can stored in the trunk, poured in some fuel from a neighboring farm house.

All the while the kidnapping victim was taking a policeman's No. was to be found, and he was just about to leave when Podnar, in a little ruse, said, "Chicago, he added."

The three-day homecoming will be a party for the winners and their families, and will encompass a wide variety of entertainment and fun for the participating children and other games for adults.

The winner will receive her crown from last year's Miss Venice, Miss Jo Ann Fuller. A first prize has been announced.

1 DAY WITHOUT A QUAD-CITY TRAFFIC DEATH

Selection of prizes for the contest has not been completed. Mrs. Bauer said, but they will be announced in the near future.

The annual week-long celebration is sponsored by the Venice Homecoming and Memorial Association, composed of representatives of over 20 Venice or Venice area clubs. The Venice Lions club traditionally works closely with the homecoming group in planning and carrying out the program.

The three-day homecoming will be a party for the winners and their families, and will encompass a wide variety of entertainment and fun for the participating children and other games for adults.

The winner will receive her crown from last year's Miss Venice, Miss Jo Ann Fuller. A first prize has been announced.

Woman, 73, Killed In Crash On Rte. 111

Mrs. W. G. Burroughs Is Victim; Clifford Canner Hurt In Arkansas

The Quad-City area's eighth traffic fatality of the year happened about 12:10 p.m. Tuesday when a car driven by an elderly retired school teacher, with his wife as passenger, bounded across Route 111 and crashed into a concrete drainage abutment, killing the woman and severely injuring the operator. The crash occurred three miles south of Lakeside airport.

Mrs. Elizabeth Burroughs, 73, was pronounced dead on arrival at St. Elizabeth Hospital, Her husband, Wilbur G. Burroughs, 76, Rural Route Two, Edwardsville, was admitted to the hospital suffering severe lacerations of the face, a possible fracture of the lower left leg and possible internal injuries. X-rayed, the injured man was put in the St. Louis Park area. "There's no charge for the actual training course," he added.

Several aldermen objected. "I don't think it would be practical in Granite City," Alderman Arthur Weger told the council. "I don't see the need here. It would be different if we had policemen walking beat by beat, but we don't have large areas or the difficulties with crowds as they do in St. Louis."

Alderman Steve Basarich commented he was against pitting animals against people. "We have a muzzle law in this city to consider. It's had enough for use of clubs and guns by police."

Partney replied that a dog could save a policeman's life. He pointed out a patrolman, upon arrival at the scene of a crime could send the dog into the building first and not endanger himself.

"This is being done all over the country and maybe we should get two dogs instead of one."

Mayor Davis suggested the proposal be given more study, and it was referred to the Police committee, headed by Alderman Casmer Skubish.

The committee is to determine the cost of such a program and how it can be made a part of the police department's operation.

Injured In Crash
An East St. Louis man who suffered cuts to his face in a crash, was taken to St. Louis for treatment.

(Continued on Page 5, Col. 3)

GC Tax Collection To End Here Tuesday

Collection of 1959 taxes in Granite City will continue through next Tuesday. It was learned today from Township Tax Collector Frank Sappington, who said tax books will be returned to the county treasurer at Edwardsville next Wednesday.

Payments totaling \$119,700 have been made this week, increasing the total since the collection was started last June to \$439,731. The township's total tax bill for 1959 amounts to \$525,991. Sappington said about \$200,000 of back taxes included in the total should be classified as "dead."

The collection office in the city operates weekdays from 8 a.m. to 5 p.m. and on Saturdays from 8 a.m. until noon.

Sappington explained the extending the collection period through next Tuesday since second and third payments were mailed to property owners this week.

This year's festival co-chairmen will be Marion Gresham and Thomas Foley.

Begin With Fish Fry
The festivities will actually commence at 4:30 p.m. Aug. 12 with a fish fry and will continue through the beauty contest, which is in the evening, resuming on Saturday afternoon and evening.

Full entertainment plans have not been completed as yet, but it is expected that a dancing club contingent will perform for the operators on one occasion during the week.

As in past years, the 13th annual homecoming will receive participating support from Venice service and fraternal clubs as well as the city, park and school districts.

Canine Corps Under Study For GC Police

Dog Could Be Trained By St. Louis Police Staff In December

Consideration is being given to forming a canine corps for the Granite City police department.

Council members expressed opinions both for and against the proposal, but decided during Monday night's meeting to refer the suggestion to the Police committee for study and recommendation.

Alderman Donald Partney, who introduced the matter to the council, said a canine corps is favored by the police department with a setup similar to the one in operation in St. Louis.

He pointed to the practical use of dogs in catching burglars and in tracking down lost dogs and a dog to be trained next December at the St. Louis Police Park area. Partney was referring to a series of house burglaries.

Partney explained arrangements could be made for a police officer and a dog to be trained next December at the St. Louis Police Park area. Partney was referring to a series of house burglaries.

Several aldermen objected. "I don't think it would be practical in Granite City," Alderman Arthur Weger told the council. "I don't see the need here. It would be different if we had policemen walking beat by beat, but we don't have large areas or the difficulties with crowds as they do in St. Louis."

Alderman Steve Basarich commented he was against pitting animals against people. "We have a muzzle law in this city to consider. It's had enough for use of clubs and guns by police."

Partney replied that a dog could save a policeman's life. He pointed out a patrolman, upon arrival at the scene of a crime could send the dog into the building first and not endanger himself.

"This is being done all over the country and maybe we should get two dogs instead of one."

Mayor Davis suggested the proposal be given more study, and it was referred to the Police committee, headed by Alderman Casmer Skubish.

The committee is to determine the cost of such a program and how it can be made a part of the police department's operation.

Undergo Surgery

The following are recuperating from surgery which they underwent last Monday at St. Elizabeth Hospital: William Wood, 2115 Deane avenue, Earl Lancaster, 4133 North drive, and Charles Polley, 21 Nassau drive.

The inspection and tests took place at the Towers Engineering Co., Freeburg, builder of the vehicle, with Madison firemen assisting the state agents.

Painted white, the new truck will replace the older of two present Madison fire trucks.

GC Zoning Code Changes Goes On 1st Reading

Unions Cancel Labor Day Parade Plans

Plans for a Quad-City area Labor Day parade were abandoned last night, when not a single local union favored marching. It was announced by Edwin Reiske, president of the Tri-City Trades and Labor Council, AFL-CIO.

Reiske said questionnaires were sent to all 59 local unions, and when the results were tabulated during last night's meeting of the council, not one signed interest in a parade. Everyone wants to spend the day with his family and go someplace, the president commented.

He added that no celebration will be held in the Quad-Cities, although Labor Day parades and festivities are planned in nearby communities.

Under the proposed amendment, the side-by-side limitations of five feet in R-1 residential areas, seven feet in R-2 districts and eight feet in R-3 areas would be adjusted where 75% or more of the frontage on both sides of a street between two intersecting streets in a subdivision is less than the required sideyard dimension by district zoning.

10-Foot Restrictions
However, the amendment specifies that any garages, carports, covered porches are not to be closer than 10 feet to any building or covered porch or attached carport or garage on adjoining property.

In presenting the amendment, Alderman Charles Meyer, chairman of the Ordinance committee, said the 1955 date was set to coincide with the passage of the Uniform Building Code ordinance. In suggestion to a change of the date to 1958 — the year the ordinance was adopted by Meyer pointed out that sideyard limitations were set in the 1935 ordinance. The ordinance should be carried on.

Alderman Edward Von Schmitt, who called for further action than set forth in the proposed amendment, pointing out that in his Ward One there are a number of smaller lots, some 25 feet in width. "These people who own smaller lots also need consideration and continuing the 10-foot restriction won't help them."

His stand was supported by his companion alderman, Frank Nemeth, who gave as an example a person owning a 25-foot lot and having a 16-foot house, still would be unable to build another house on the lot.

"You're thinking about the property owner. What about his neighbors?" Alderman E. J. Miller replied yesterday.

The inspection and tests took place at the Towers Engineering Co., Freeburg, builder of the vehicle, with Madison firemen assisting the state agents.

Painted white, the new truck will replace the older of two present Madison fire trucks.

New Madison Fire Truck Ready For Delivery Here

A new 750-gallon-a-minute capacity fire truck ordered by the city of Madison successfully passed all the tests of the state authorities Tuesday and is expected to be delivered to the city late this week.

The inspection and tests took place at the Towers Engineering Co., Freeburg, builder of the vehicle, with Madison firemen assisting the state agents.

Painted white, the new truck will replace the older of two present Madison fire trucks.

Broadway To Have Two-Way Traffic Starting Friday

Two-way traffic will definitely be resumed tomorrow morning on Broadway and Main street in Venice, city officials announced last night.

Eastbound vehicles have been rerouted for over two and a half months—since the morning of May 16. In descending from the McKinley Bridge, autos have been required to turn south on Main street and use Kerr street to cross the Venice railroad bridge.

Beginning tomorrow, all traffic will be allowed to use Main and Broadway, and the resumption of two-way traffic will be permanent, it was announced. Blacktopping remains to be done, but it will be possible to maintain two-way traffic, including only two of the four lanes at one time.

Work that is continuing on the bridge toll stations at a widened section of Main street, there will be a parking ban along Main. Persons wishing to buy bridge tickets at the office on Main street can park in a lot adjacent to the office. Bridge Manager Henry McMullen said it has not been determined whether the Main street parking ban will be permanent.

Work that has been completed on Broadway includes widening of the bridge, installation of a 30-inch drainage trunk line down the middle of the street, pouring of a concrete base for the two center lanes and construction of a four-foot-wide raised concrete divider strip.

Transfer of Funds From Bank Voted 2-1 By Trustees

School trustees of Granite City and Nameoki townships voted July 29 to transfer Granite City school district funds from the Granite City Trust and Savings Bank to the First Granite City National Bank, it was disclosed yesterday. The transfer has not yet been made.

Learning of the meeting, the Press-Record contacted the three trustees and their treasurer, Henry Lueders, who was appointed for a two-year period ending June 30, 1962. Chairman George Hughes and Lueders said they expect a revision in the action taken on depositing of funds. Trustee Arthur Frazier and Roger Paullet said they do not plan to change their votes in the 2-1 decision.

Hughes said he voted against the transfer and urged the trustees to not change the depositary. He said his views on the subject date back 30 years, when he said one bank was willing to handle the accounts of all school districts in the Granite City-Nameoki townships area but the other bank preferred to handle only one of the districts. "They have been with us through bad times as well as good," he commented. The districts were consolidated into a single school system in 1950.

Hughes said "I'm not sure" that the action will stand, and speculated that another trustee meeting might be sought for next week, when the topic could be reviewed. He said no exact date for the transfer was specified.

Lueders said "it's their prerogative" to designate the bank but added that he has not carried out the transfer. "There is a groundswell of feeling that might cause a change," he said. Noting that another meeting may be called, the treasurer said a partial rather than complete transfer may be proposed. Frazier, who recommended the change, said he believes "one bank should not have it all the time." He added that he knows of no plans for a meeting except the next regular session in six months, and remarked that he is preparing to leave on a vacation Saturday.

Paullet said he voted with Frazier in supporting a theory that the depositing of funds should be rotated. He said the district's balances are not large, and that the transfer will have no effect on borrowing. Tax anticipation warrants have been obtained by Lueders alternately from the two banks, based on a specific recommendation from the Granite City school board on each warrant.

Mrs. Anna Rice, 83, Dies Yesterday

Mrs. Anna Rice, 83, of 2659 Cleveland blvd., died yesterday at 3:15 a.m. at St. Elizabeth's Hospital. She had been ill three days.

A Granite City resident for 40 years, Mrs. Rice was born in Brownfield, Ill. She was a member of the Second Baptist Church and a former member of the Rebecca's Club of Sayre, Okla. Her husband, Henry Rice, died in 1947.

She is survived by two sons, Fred and Glen Rice, both of Granite City; two daughters, Mrs. Carmen (Clyde) Carlock of Sayre and Mrs. Fred (Laura) Kastorf of Granite City; two sisters, Mrs. Laura Erwin of St. Louis and Mrs. Jane Gresham of Collinsville; nine grandchildren and 20 great-grandchildren.

Funeral arrangements are given in the obituary column.

Undergoing Treatment

Mrs. Tena Neunreiter, 2314 Delmar avenue, is a patient at St. Elizabeth's Hospital, where she is undergoing treatment for a leg injury suffered in a fall on July 28. Her condition is improving satisfactorily.

August Snowball Fight Dissolves In Small Pools

In New York's stifling mid-summer heat usually found here, a man can be prevailed upon to unplug one of the squad red hydrants and give the teams of squealing youngsters a taste of the fiercest things in life. In Granite City, however, a more novel approach to stemming the heat wave has been achieved by the farsighted mother of two young sons of Glenview subdivision. She prefers quick-frozen snowballs.

Reaching deep into her freezer around three o'clock Wednesday afternoon, Mrs. Glenview White pulled two plastic bags of snowballs, carefully packed and stored after a snowfall last March, to meet the afternoon's emergency heat-treatment.

Outside on the green lawn of their home at 3601 Ash avenue, her two boys, Michael, 9, and Dennis, 14, waited with two of their pals, Jay and Kenney Wyatt.

The 20 snowballs were piled in a neat pyramid, and in an instant the fun began. Cold white missiles filled the air to delight of squeals and warwhoops as the youngsters pelleted each other with wintertime enthusiasm. But all too soon the game was over with nothing to show except small puddles of water on the street and sidewalk.

Anyway, Mrs. White thought the idea sounded like fun last winter, and maybe she'll store away a larger arsenal for next summer.

Local VFW To Send 24 To District Convention

Granite City Post 1300, Veterans of Foreign Wars, will send 12 members and their wives to the convention of the Twelfth District beginning Saturday in District at Post 9432 in East Alton beginning Saturday night and ending Sunday.

Attending a staff dinner and meeting Saturday will be Post 1300 Commander John Wardlaw and his wife, Helen, who is president of the ladies' auxiliary. District Vice-Commander and Mrs. Harvey House and Mr. and Mrs. Robert Cox. On Sunday the couples will be joined by nine others who will march with the post's colors in the Sunday afternoon parade.

Speaking at the convention which will host about 200 VFW members and their wives, will be Congressman Melvin Price, and Illinois VFW Senior Vice-Commander Arthur Mueller.

IT'S A FACT

Bear this in mind always — there's more hard work than luck in most success stories.

Select your goal in life—then practice pin-pointing the target.

ICC Resets Date To End 4-Party Telephones In Area

(Special from Springfield)

The Illinois Commerce Commission has canceled the August 12 date proposed by Southwestern Bell Telephone Co. to end its four-party telephone service in Springfield.

Pending a hearing to be scheduled by the commission, the effective date was set back to Dec. 10.

The telephone company is seeking elimination of four-party residence service to prepare for direct distance dialing here by Oct. 1, 1961. Distance dialing requires only one-party or two-party lines, the firm states.

About 9% of the company's customers in eight Illinois cities have four-party service. Requests for new residence phones are 95% for one or two-party lines.

The Gulf of Mexico has an area of 618,200 square miles.

Petitions In Circulation C. of C. Names Candidates For Election of Directors

Tri-Cities Chamber of Commerce members will vote in September from a slate of 18 names to elect nine of their group to three-year seats at the board of directors of the Chamber of Commerce. Another such course will begin early next month, Meyer added.

John J. McBride told the assembly that as chairman of the 15-county region chosen to promote favorable response to the bond issue which will be voted on in November concerning the Edwardsville campus of Southern Illinois University, he thought it would be of sound benefit if the C. of C. set up a speakers bureau to lecture on the subject. Five of the attending members volunteered for the bureau.

Meyer then told the group that a joint tax committee composed of Associated Retailers, Real Estate Board, and the Tri-Cities Chamber of Commerce will meet at the YMCA at 3:30 p.m. Aug. 19, to discuss the current tax situation in Madison county.

Dr. Irvin Wieseman, chairman of the health committee, explained that in a meeting with representatives of the Blue Cross and Blue Shield, the committee discussed the possibility of improved coverage for C. of C. employees.

No decision had been reached during the meeting, he added.

Later, near the close of the formal portion of the meeting, it was reported by Carl Ranft, chairman of the Tri-City Regional Port District, that the Chicago engineering firm of H. W. Lochner & Co. was nearing completion of its survey on the growth rate of the area and the business potentials for a 1000-foot development at the north end of the Chain of Rocks Canal harbor for cargo handling facilities. In the event of what is purported to be a favorable finding, a multi-million bond issue will be placed on the market by the port district.

The candidates, fully approved by the board, were nominated by a committee consisting of: E. G. Schmitt, chairman; Maurice Dair, Richard Bromley, Leonard Fleishman, and Arthur Roseman.

In other business transacted at the meeting, Membership Chairman John L. Sedlack informed the group that the C. of C. had achieved its goal in welcoming its one hundredth member into the organization. The Washash Railroad has assigned H. H. McIntyre as its representative.

President Samuel L. Meyer informed the meeting that U. S. Congressman Melvin Price (D-

SICL Tax Plan Would Change Missouri Laws

A new tax plan for the estimated 30,000 Illinois residents working in St. Louis or other Missouri cities was announced Tuesday night at a meeting of the Southern Illinois Citizens League, in Collinsville. David Gant, 2524 Wayne avenue, the group's first vice-president, reported.

The purpose of the group, Gant said, is to remove Illinois residents from liability to the Missouri State income taxes and the St. Louis city earnings tax. At the Tuesday meeting, the league's recent agreement with the Missouri Attorney General's office was explained.

Under the terms of the agreement, members of the league will pay their Missouri income taxes under protest and the revenue will be placed into an escrow fund pending decisions by two Missouri courts on the constitutionality of the tax laws. Decision in favor of the league would mean members would get back their escrow tax money and no longer be liable to the taxes in later years.

The league filed a suit in February against Missouri and followed up with one against St. Louis in March. The St. Louis suit is pending in the St. Louis circuit court and in June the Missouri suit was transferred on a change of venue from the District Court in St. Louis to the one in Jefferson City where the suit is now pending. Basis of the league's suit, Gant stated, "is the unwritten constitutional right of no taxation without representation."

The league, with current membership standing at about 2200, was organized and issued an Illinois state charter in 1959 "as a civic, non-profit organization designed to promote equitable taxation."

NEW GENERATION

In the school of experience the faculty changes, but the lessons always remain the same.

THE RECORD

When the time comes to vote consider what a man has been—not what he promises to be.

Try to live to the reputation your ancestors built—not on it.

Karandjeff Named IBA Information Coordinator

Henry D. Karandjeff, local banker, has been selected by the council of administration for the Illinois Bankers Association to coordinate the program of the association to inform voters of the importance of the proposed state bond issue for improvements to universities and welfare institutions.

Announcement of Karandjeff's appointment was made this week from Chicago by A. T. Etcheson, executive vice-president of the IBA. "We have advised the governor of the appointment," Etcheson said.

The appointment was made unanimously during a meeting of the IBA council in Springfield. "The council is in favor of the association doing all it can to inform its members to make sure that the voters fully understand the importance of the bond issue for improvements in the state welfare institutions to be voted on at the election next November," Etcheson continued.

"We recognize the importance of getting the full and accurate story of the bond issue before the voters."

Karandjeff is chairman of the board of the Granite City Trust Savings Bank.

Traffic Charge

Owen Richard Ausman, 39, of the 374th Engineer Co. of the Granite City Engineer Depot was arrested early today by Granite City police on a charge of driving around a railroad gate on Niedringhaus avenue. He posted \$11 cash bail for his release.

Receives Promotion

Mr. and Mrs. Orville McFalls, 3024 Buxton avenue, received word Wednesday that their son,

Gary McFalls was promoted to private first class. A 1959 graduate of Granite City high school, McFalls is stationed with the Eleventh Artillery Unit, at Fort Campbell, Ky. He has served in the army for nine months of his total 24 months enlistment.

Heart Surgery Planned For Venice Girl; Donors Needed

A delicate operation will be performed by surgeons at Cardinal Glennon Memorial Hospital Sept. 2, when an attempt will be made to close a cavity in the upper chambers of a 13-year-old Venice girl's heart. Blood donors with O-positive type blood are urgently needed, said Red Cross officials who will accept volunteers at Firmin Desloge Hospital, St. Louis, on Sept. 1.

Doctors first discovered the murmur in Kathy Yearman's heart shortly after the youngsters' recovery from a bout with pneumonia in May 1959. The child's parents, Mr. and Mrs. Albert Yearman, 210 Al-bert street, Venice, had Kathy, who plans to enter the eighth grade at Venice school this fall, admitted to Firmin Desloge Hospital this past July 18 for a cauterization treatment of the heart muscles. It was then that the upper heart cavity was discovered by attending physicians.

The little blue-eyed girl will enter Firmin Desloge Hospital on Aug. 30 and will be removed to Cardinal Glennon Memorial to undergo a major heart surgical operation three days later on Sept. 2.

Red Cross spokesmen said the active blood youngster, a cheerleader for the Venice grade school basketball team, will need at least 20 pints or more of Type O positive blood. They added that they have had no donors up to now but will accept volunteers from 2 p. m. to 5 p. m.

KATHY YEARMAN, 13-year-old daughter of Mr. and Mrs. Albert Yearman, 210 Albert street, Venice, who will undergo a delicate heart operation, needs volunteers to donate Type O positive blood.

Mr. Yearman, employed with the National Lead Co. Steel Package plant, 15th and State streets, said he and Mrs. Yearman have two children in addition to Kathy, another daughter, Julie, who is 18, and a son, Charles, who is seven.

Illinois Power Co. representatives by Friday.

Continuing the previous meeting's discussion of the need for safety street signs in Mitchell, a committee was appointed to investigate the various types and sign prices which the sponsoring Kiwanis club will underwrite over a two year period. Committee members are Lee Paul, chairman; George Klein, William Tindall, Francis Richardson, Lee Barker and Richard Parizon.

A special discussion was held concerning the inter-club picnic to be held later in the month between the Mitchell and Carbon-dale Kiwanis. Franko said he would have complete details as to exact date and location ready for next Monday's meeting.

Following the regular meeting, a board of director's session was held during which all committees turned in their reports for the month of July, and all outstanding bills were paid.

Granite City PRESS-RECORD 74 July Traffic Injuries Recorded In Area

Page 4 Thurs., Aug. 4, 1960

Ex-Mayor Visits Council Meeting

Mayor Davis halted Monday night's council session proceedings to pay tribute to a former mayor who was present in the audience as a spectator—R. L. Robertson, who held the office approximately 25 years ago.

Ex-Mayor Robertson was asked to stand "I believe some of the aldermen here and persons in the audience have never met you," Davis said in making the introduction.

It's rare that a former mayor stops by for a council meeting," Mayor Davis added. "And you'd think after he's held the job, he might find it better to stay away."

Northbound Bus Routed Off Delmar Onto 2500 Edison

Following passage Monday night by the Granite City city council of an ordinance establishing a no-parking zone on the south side of Twenty-Fifth street east from Delmar avenue, Community Coach Co. is going ahead with its plans to reroute East Granite line away from the 2500 block of Delmar avenue.

The ordinance will prohibit parking on the south side of Twenty-Fifth street for 75 feet east from Delmar avenue. The ordinance corresponds with the company's proposal to reroute the East Granite line away from the 2500 block since residents have complained about the congestion on it. Leonard Azzerolo, director of personnel for Community Coach, said.

The rerouting to effect only the East Granite via Delmar buses and tentatively set to go into effect Aug. 15, would find buses going north on Delmar avenue, turning east on Twenty-Fifth street to Edison avenue, then north again on Edison to Twenty-Sixth street and continuing east on Twenty-Sixth (the present route).

Posts Property Bond

Posting \$550 property bonds, Ray Wallace, 44, of 918 Main street, Venice, was freed Tuesday afternoon when he was arrested by Granite City police on charges of failing to observe a stop sign, no driver's license and operating a motor vehicle while his license was suspended.

Traffic In July

The Quad-City area traffic injury toll soared to 74—largest one-month total this year—during July, a monthly tabulation showed today.

With the 74 added, the year's listing now stands at 425, or 14 more than at a similar time last year. The all-time record of 734 injuries was set last year.

The present monthly injury rate would total 728, or six less than last year's mark, by the end of the year. This is because the 1959 rate increased in the fall and winter months. If a similar trend were to develop this year, there is great danger of the previous high being exceeded.

The current total of 425 injuries compares with 411 during a similar period last year, 315 in the first seven months of 1958, 369 in January-July 1957, 312 the previous year and 374 in January-July 1955.

Crashes Also Setting Record

Traffic accidents also have been more numerous so far this year than ever before. With 135 recorded in July, the 1960 figure has reached 976.

Comparison of the 976 seven-month total shows 879 a year ago, 786 two years ago, 950 three years ago, 879 four years ago, 826 five years ago, 576 six years ago and 607 seven years ago.

A contrast is afforded by this year's fatality toll, which stood at seven through the end of July. This compares with totals of 15 August 1959.

Curfew Violator Placed On Probation

A Madison teenager, arrested on a curfew violation charge about 2:45 a. m. Tuesday by Granite City police, was placed on probation for six months after pleading guilty before Police Magistrate Gasparovic. A fine of \$50 was suspended in lieu of the probation period.

The youth, David Lee Zeff, 17, of 1824 Fourth street, was released to his father. He was arrested at East 23rd and Kate streets.

Woman's Watch Found

Madison police have in their possession a woman's wrist watch reportedly found July 28 on steps at 323 Madison avenue by three young boys. Turned over to the Catholic Charities office several days later, the watch subsequently was forwarded to the police station. It was announced Tuesday. It has a gold frame and stainless steel band.

Woman Beaten, Cut; Husband Is Arrested

Injuries suffered by his wife, Sarah, 22, resulted in charges of assault and battery and peace disturbance being filed by Venice police at 1:30 a. m. Tuesday against John Lee Jackson, 36, of 810 Washington street, West Madison. She was taken by ambulance to St. Elizabeth Hospital, where six stitches were taken to close a profusely bleeding cut on the right arm.

Jackson pleaded innocent at a hearing Tuesday, and the case was scheduled to be heard at 2 p. m. Friday by Justice of the Peace Lloyd Blumenstock at the Venice city hall.

Information obtained from witnesses indicated that Mrs. Jackson was being beaten by a man on Weaver street at 12:18 a. m. Tuesday and escaped momentarily several times, leaving a trail of blood after cutting her arm on a door glass in attempting to escape into a home at 200 Weaver. She was found by police Weaver streets.

City Officials, Family Discuss Alleged Attack

A preliminary discussion was held Tuesday morning at the Venice city hall on allegations by a 20-year-old Weaver street resident that she was criminally assaulted by a police officer while in custody at the police station July 16.

Those participating in the meeting were Mayor John Lee, City Attorney Harry E. Hartman, Police Chief Robert Trover, the girl, her parents and Hugh Hairston, president of the local branch of the National Association for the Advancement of Colored People.

It is hoped that the detective tests can be scheduled. Chief Trover reported the officer is remaining on duty, and an investigation of the girl's report is continuing. Trover added.

BRICKS SPLATTERED the empty sidewalk in front of Save-Mor Super Market at 1508 Third street, Madison, Tuesday evening, as approximately 15 feet of the cornice facing suddenly gave way. No one was injured in the mishap.

Cornice Bricks Tumble To Walk, No One Hurt

A load of bricks from the cornice atop the Save-Mor market, 1508 Third street, came crashing to the sidewalk in front of the store with a loud rumbling noise Tuesday evening, but no one was injured in the freak accident. There were no pedestrians, and no cars were parked in front of the store.

Madison police, located diagonally across the street, investigated the incident at 6:35 p. m. Seeing that no one was in the vicinity, they immediately notified the street department and building inspector who blocked off the area and set up warning flares.

William Mehl, owner-operator of the market, when notified by authorities of the structural failure said repairs would start the next morning. The repair work was started on schedule.

It was later thought that the 15-foot wide brick failure occurred in the 60-year-old building because the single layer of face bricks had not been properly anchored originally to the building.

Mehl said today that the whole structure is being cleaned and a complete tuck-pointing job will be done on the brick building. He was unable to estimate the amount of damage.

Madison City Clerk Percy Lux said that just moments before the accident he had gone to the store to buy some groceries.

MORE ABOUT

City To Annex

(Continued from Page 1)

ed to the point where a decision is needed either to build cesspools or construct a line for connection into the city sewer system.

"The legal papers for annexation are not yet ready, but the letter is binding enough for us to grant the permit for a sewer tap-in," the mayor told the city council after receiving a complaint from the A. O. Smith Corp. tract was annexed. The city constructed a sewer line from West 25th street and Missouri-avenue to the plant site.

A moratorium was made and approved for the RC proposal to be accepted and for the city to proceed with the plans for the sewer line and prepare to call for construction bids.

Atty. Fred P. Schuman, who was in the audience, explained the arrangement to carry out the annexation is being worked out with ITR which has a 45-50 foot right-of-way immediately south of the A. O. Smith Corp. plant.

R-C Cola Confirmation
The mayor read a letter to the city from W. T. Miller, production vice-president for R-C Cola.

It states:
"This letter will confirm the fact that we will annex to the city as soon as legal matters can be worked out. In the meantime, finding it closed he headed for another shopping center, and as he turned it, 'avoided being killed.'"

MORE ABOUT

Woman, 73, Killed

(Continued from Page 1)

traffic accident last night on Edwardsville road was taken into custody on three charges by Granite City police following his release from St. Elizabeth Hospital.

Kenneth J. Bentley, 57, posted \$75 and his driver's license as bond for release on charges of driving while under the influence of liquor, reckless driving and illegal transportation of liquor. He was treated at the hospital for cuts to his nose, requiring three stitches to close.

Police said Bentley was driving south and crashed into an auto parked in the 1300 block belonging to William L. Hughes, 27, of 1331 Edwardsville road. The parked car was knocked into a utility pole and had to be towed away.

A motorist whose auto crashed into a pole when he fell asleep at the wheel about 3:30 a. m. Tuesday escaped apparent injury but faces a charge of careless driving filed by police.

Jerry L. Free, 23, of 2020 Iowa street, told the officers he was driving south on Nameoki road and apparently dozed as his car entered the curve onto Madison avenue.

The auto jumped the curb in front of the high school and "grazed" a utility pole on the west side of the roadway, according to the report. Police said there was damage to the right front of the car, which was towed away. Free posted his driver's license as bond.

Temporary City Worker Faces Accident Charge

A charge of leaving the scene of an accident was placed against a temporary city employee yesterday after police received a report that a green pickup truck had struck a parked car in the 2100 block of Benton street about 3 a. m.

Paul M. Self, 33, of 2100 Cleveland blvd., employed as temporary dog catcher while the regular humane officer is vacationing, reported to police headquarters as requested yesterday morning after questioning signed a written statement admitting the accident. He posted his driver's license as bond, pending a hearing today before Police Magistrate Gasparovic.

Self told police he was driving north after receiving a complaint of a barking dog and ran into the car. He told the officers he looked the parked car over and did not see any damage.

A highway report was given police early yesterday by James Duckett, 2115 Benton street, who said the right rear of his 1952 auto had been damaged.

He would appreciate receiving permission for the connection into the city sewer system.

The new plant will be for the manufacture of flavor ingredients to be shipped in large glass bottles, production of disposable cans and filling of the cans with soft drinks. It will serve the company's midwestern and west coast RC and Nohi franchise bottlers and is expected to be in operation by late fall.

It states:
"This letter will confirm the fact that we will annex to the city as soon as legal matters can be worked out. In the meantime, finding it closed he headed for another shopping center, and as he turned it, 'avoided being killed.'"

By Press-Record Staff Photographers

WORK ON UNPAVED STREETS is shown in progress at Greenwood and Elizabeth streets with members of the Madison street department spreading slag and using a roller to help pack the material. Six hundred tons were spread on the streets hardest hit by the weather, along with 13,000 gallons of road oil.

County Health Group Answers Objections

Proponents of a health department for Madison county met Tuesday night at the Koch building to discuss the progress of petitions being circulated to place the health program on the Nov. 8 ballot and also to answer recent signs of opposition to the program.

More people are needed to distribute petitions, which will require approximately 6000 signatures from among registered county voters, Dr. Felicia Koch, co-chairman of the proposal committee, said.

Answering the contention that present local health facilities are adequate, Dr. Harold Fuller, of the Illinois public health committee, said city health groups are unable to cover a wide area and then give only minimum service.

"A county health department does for the county and its people what city organizations cannot do for themselves. For example," he said, "in spraying against mosquitoes they are neither inclined or able to go outside of town to drain and treat the breeding places, such as ponds and marshlands."

Dr. Koch stated, "A health department for Madison county is very much needed and will insure adequate and complete coverage of health safeguards for all people. In contrast, the present situation provides inadequate and incomplete inspection by the state and volunteers who are concerned merely with the minimum requirements for safeguarding a community of this age."

Dr. Fuller said, "This is the biggest bargain in public health any county has gotten. For two and one-half cents per \$100 valuation the state and federal government will each contribute a third of the cost to establish and maintain the program."

Milton Morris, co-chairman of the committee, is available to any local group with a 30-minute program explaining the department which includes slides that Morris says "shows conditions in the county which most citizens would not believe could exist in a modern and progressive community such as ours."

Announced at the meeting were the names of persons holding the petitions. Anyone wishing to sign or distribute petitions may contact any of the following: Mrs. Harold Mayfield, Mrs. Peter Argelan, Mrs. Henry Beal, Mrs. Harvey Boone, Mrs. Lily Chaboudis, Mildred Christensen, Evelyn Cook, Mrs. John Cross, Mrs. Fred Cunningham, Mrs. Ida Dent, Mrs. Hilda Dunsen, Mrs. Harry Deatherage, Edna Dollins, Grace Dugan, Melvin Earl Werner.

Headquarters For County Democrats Will Be In GC

Democratic headquarters for the fall election campaign will be established in Granite City, County Chairman Walter Simmons of Venice announced after a meeting of Democratic leaders Monday night. Campaign plans were made at the gathering in the courthouse at Edwardsville.

Several Granite City locations are under consideration, Simmons told the Press-Record. He said the location is expected to be as convenient as any one point could be for party workers and officials throughout the county.

Simmons appointed an advisory committee which will assist the party's executive committee announced earlier this summer. The advisory group includes all Democratic mayors, Democratic candidates, plus other county officeholders and county active in the party, he explained.

Simmons named Gordon Routh, Chouteau Precinct One committeeman, as county registrar chairman, with the duties of leading an effort to persuade as many eligible voters as possible to register for voting.

For the next two-year period and particularly the November campaign, the chairman designated patronage, finance and publicity committees.

Woman Knocking On Doors At 3 A.M. Fined \$30

Fines totaling \$30 were imposed on an Overland Mo. woman who was knocking on doors in the 2400 and 2500 blocks of Hodges avenue about 3 a. m. today.

Miss Carole M. Finn, 21, pleaded guilty before Police Magistrate Gasparovic to charges of drunkenness, creating a disturbance and refusing to obey an officer.

She told the magistrate she

the Venice police juvenile officer and released to their parents.

Donation Box Stolen
A donation box, nearly filled with money, was stolen from a drive-in ice cream stand at 2041 Johnson road, it was reported to Granite City police Tuesday afternoon.

The paper container contained an undetermined amount of money for the Leukemia fund drive, the proprietor told police. Hubcaps Returned, Drop Charge
A Chicago man booked by Venice police Monday on alleged possession of stolen hubcaps was released after the complainant, Charles Thomas, 518 Garner road, withdrew the charge.

The arrest was based on Thomas' report that hubcaps stolen off his 1946 auto July 29 appeared to be identical to those found on the Chicagoan's car in Venice Monday. The man denied the theft but turned the hubcaps over to Thomas.

George Veizer, 1734 Spruce street, reported to Granite City police Wednesday morning that two hubcaps had been stolen off his 1957 automobile.

Gas Theft Complaint
Two gasoline thieves attempting to siphon fuel from an auto parked in a driveway in the 1300 block of Meridian street about 2 a. m. today made good their escape after a resident of the area notified police. The officers were told the gas thieves lived in a black 3655 or 1957 auto.

had come here with a girl friend and they separated after an argument. She began driving around and was looking for another friend who lives in the area, she said.

State Oks MFT Projects On State, Spruce Streets

State approval of two motor fuel tax improvement projects on State and Spruce streets estimated to cost a total of \$70,000, was received Monday night by Granite City council members, who later voted to forward to the state highway department four other proposed MFT projects costing \$130,000.

R. R. Bartelsmeyer, chief highway engineer at Springfield, advised the city of the state's approval for State street to be resurfaced from 18th street to the south city limits at a cost of \$40,000 motor fuel tax funds and for Spruce street to be improved from St. Louis street to West 20th street at a cost of \$30,000.

Final council approval was given four street projects in the Sixth Ward which had been placed on first reading over a month ago. Alderman Casmer Skubish said he hoped the state would approve all four so that the work could be started next year.

The proposed projects would include all-weather surfaces, curbs, gutters and storm water drainage at the following locations:

Faith avenue, three blocks between Namekooki road and Mar-

shall avenue, \$60,000; Alexander

avenue, two blocks between East

28th street and Edwardsville

road, \$40,000; Myrtle avenue,

one block between St. Clair and

Leonard avenues, \$20,000, and

Marshall avenue, one block be-

tween Faith avenue and Victory

drive, \$20,000.

City Engineer Al Pearson re-

ported that specifications for

similar work on Granite avenue

and 12th street in the Tri-City

Park area and for the resurfac-

ing of 18th street from State

street to Madison avenue should

be ready within two weeks.

Further negotiations between

Operating Engineers' Local 148

and Union Electric Co. will be

held next week following a re-

jection by members of the union

of a tentative agreement on a

new contract.

Federal Mediator George M.

Squires has scheduled a meeting

Monday at the company offices in

St. Louis between the union

negotiators and those of the

electric company. He said the

chief cause of the present dis-

agreement is the length of the

contract, the engineers wanting a

one-year pact, the company offer-

ing a two-year one. L. E. O.

Dachinski, business manager for

Local 148, said wages and fringe

benefits are also involved.

On Monday and Tuesday

nights members of the union

cast ballots in St. Louis, East

St. Louis, Keokuk, Ia., and Bag-

nell Dam, in Missouri, rejecting

the latest proposal. The union's

negotiating committee had re-

commended approval. It was the

second company proposal rejected

by union members.

Three electrical workers' lo-

cal-1439 of St. Louis, 309 of

East St. Louis and 640 of Al-

banyon, have also authorized strike

action against the company. They

represent about 1650 linemen, sub-

station and maintenance employ-

ees whose contract, like that of

the engineers, expired June 30.

Kidnapped Man's Alertness

(Continued from Page 1)

didn't dare sound off to the next gas station attendant for fear of the nickel-plated pistol now tucked safely out of sight in Robbins' belt under a billowing sport shirt.

The couple didn't say much, Podnar commented. The two just kept driving, switching off every once in a while as they became drowsy behind the wheel.

Finally, about 9 a.m. Monday in Chicago, they pulled to a stop in front of a five-and-dime store on State street, right behind a taxicab. The pair got out of the car and Robbins said to his victim, "Now, you've got a full tank of gas, and here's five dollars back from the \$50 I lifted from you. Go on home and don't try to follow us," he added, pointing menacingly to the hidden gun.

Podnar sat in his car and watched them enter the cab. He remembered the number. He said it was 4242, and he'll never forget it. He then began his hasty search for a policeman and finding the parked squad car on Walsh avenue, hurried to his tale to the skeptical officers.

Down at the station house, Podnar said the local police didn't seem enthused about his recent predicament, and he told them he was going to notify the FBI office on Monroe street. He added that the police seemed to take a more active interest then.

Released, Podnar said he would be waiting for any news at his sister's house in St. Honoré street. He gave her name as Mrs. Frank Tomasek, who was

Later, after a two-hour conference with federal agents, Podnar left for Chicago, "burning out" the engine during the return trip.

Aided by the taxi number supplied by Podnar, authorities traced the kidnappers to a Chicago hotel, where they were picked up later Monday.

They waived preliminary hearing on kidnapping warrants issued by the United States Commissioner at Chicago. Bond was set for Robbins at \$50,000 and for Miss Murray at \$25,000.

Robbins and Miss Murray escaped on foot and reached St. Louis, where they decided to take Podnar's auto after seeing him park it. Chapman and Miss Eldridge were arrested near Le-

avenue last December after serving a portion of two five-year terms for post office and bank burglar-

ies in Tyler, Tex. Miss Murray, in her statement, said she was placed on probation after passing worthless checks in San Antonio.

In statements admitting that they forced Podnar to drive them to Chicago, they said they left Austin, Tex., last week with Carl Chapman, 22, San Antonio, an ex-convict, and Miss Pamela Jane Eldridge, 18, Muskegon, Mich.

When Robbins' car broke down near Fredericktown, Mo., they stole an auto from a dealer's lot in Fredericktown and split up in St. Louis county after Robbins drove the stolen car down an embankment to prevent it from being found by police.

FIRE DURING OUT-OF-TOWN TRIP occurred at 11:35 a.m. Wednesday at 1231 Iowa street while occupant of the home, Joe Betinec, was in Chicago. Police and firemen are investigating and questioned an 11-year-old boy suspected of setting the blaze. Madison firemen are shown directing water onto a frame storage room at the rear of the brick building.

Arson Probe In Fire At Madison Home Yesterday

An arson investigation was started by Madison police and firemen after fire damaged the residence of Joe Betinec, 1231 Iowa street, at 11:35 a.m. Wednesday.

Origin of the blaze was not determined, but an 11-year-old boy was suspected of starting it, possibly by discarding a cigarette. He was questioned yesterday.

No charge has been filed and it has not been definitely established that he was responsible, police said today.

Betinec had left earlier in the day on a trip to Chicago, and there was no one in the house at the time of the fire, the department reported. The blaze centered in a frame storage room housing a basement entrance at the rear of the brick home.

The storage room, which was charred by the fire, contained

only such items as paper, and damage was limited to \$350, firemen said. It is connected to the brick portion, and there was smoke damage in the main part of the building, they added.

The heat melted asphalt siding on the adjacent residence at 1229 Iowa, causing an estimated \$50 damage.

Arrests At Stop Sign
Two motorists were arrested by Madison police at 5:30 p. m. yesterday for passing a stop sign at a red light on Greenwood streets. Each posted his driver's license pending hearings Friday. They were Robert Cochran, 19, of 1320 Meridian street and Baldomero Valdez, 42, of 1515 Collinsville avenue, Madison.

Richard Carp Wins In Missouri Primary
Attorney Richard L. Carp, St. Louis, a former Granite Cityan and a Granite City Rotary fellowship recipient, won Tuesday's Democratic primary nomination in the second congressional district by beating fellow Democrat, Joseph A. Schwann, 44,000 votes to 10,949.

Carp will oppose incumbent Missouri Congressman, Thomas B. Curtis, who ran unchallenged for the Republican nomination, in the November general election. The Democratic candidate is the son of Avery Carp, a retired Granite City retail merchant.

UF Committees Making Final Budget Changes Credit League Stresses Full Bond Coverage

Two meetings next week of United Fund committees will complete preliminary preparations for the fall campaign, John Solenberger, the fund's executive director, said today.

On Tuesday at 4 p.m. at the United Fund office, the executive committee will discuss allocation figures reached last night by the admissions and distribution group. In one major change, the distribution committee agreed to revise the administration of the health services fund, allowing freer use of the fund for basic research into cancer, heart disease, multiple sclerosis, muscular dystrophy and polio.

From the executive committee the campaign budget will go to a meeting of the board of directors Thursday at 7:30 p.m. at the YMCA for approval. Announcement of this year's goal will be made shortly after.

Fined For Speeding
Arrested by Venice police at 4:50 a. m. yesterday for speeding on Broadway, Robert C. Biggs, 41, of 2012 Denver street was fined \$15 at a hearing last night before Justice of the Peace Lloyd Blumentstock.

The Illinois Credit Union league will stress 100% bond coverage of total assets of all credit unions in the state of Illinois, Bill Williams, president of the Southern Illinois Chapter of Credit Unions, said today.

He added that bonds and bankruptcy laws as they pertain to credit unions operating in the state were the sole topics of discussion at last night's dinner meeting of the chapter in Belleville.

The meeting was attended by 97 members representing 27 credit unions within the chapter. Swift & Co. Arrow S credit union was host for the dinner meeting.

The educational program is one of 26 sponsored by the United Steelworkers at colleges throughout the U. S.

GC Housing Group Opens Hospital Treats Two Insurance Bids Tuesday With Fractures Tuesday

Bids for three-year fire and extended coverage insurance were opened Tuesday night at the monthly meeting of the board of directors of the Granite City Housing Authority. The contract will be awarded after the regional office in Chicago is notified.

The low bid of \$1,815 was submitted by Marsh and McLennan agency of St. Louis. Identical bids of \$18,040 were submitted by four Granite City firms—Rainford, Bergfield, Luaders and Louis agencies—and the Ring-Will agency of Belleville submitted a \$18,364 bid. The proposal by General Insurance Co. was not considered because only partial coverage was included.

REV. ANDREW A. MELENDEZ, D. D., Spanish speaker on the international "Lutheran Hour," who will be the guest preacher Sunday, Sept. 10, at 10:15 a.m. worship services at Concordia Lutheran Church, Twenty-third street and Grand avenue.

Spanish Minister Will Speak Here Sunday

Concordia Lutheran Church, Twenty-third street and Grand avenue, will have as its guest preacher Sunday Rev. Andrew A. Melendez, D.D., an English and Spanish-speaking minister of the international "Lutheran Hour" and native of Puerto Rico.

He will speak at the 7:45 and 10:15 a.m. worship services. He is also currently editor of Spanish literature for the Lutheran Church-Missouri Synod weekly program. He served as missionary among the Mexicans in Texas from 1930 to 1943 at which time he began special service with the United States and Mexican governments.

A graduate of Concordia Seminary, Springfield, he is the author and translator of numerous books and pamphlets, has made special studies of economic, social and religious conditions in Latin America and is a frequent lecturer.

The public is invited.

State To Conduct Job Exams At Alton Monday

Representatives of the Illinois State Department of Personnel will be in Alton Monday to interview and examine applicants for State merit examinations. State Director of Personnel, Robert E. Perz, announced today.

There will be various examinations available in the institutional, professional and technical fields. Some of these examinations require no previous experience.

The state merit examinations include such diversified fields as child guidance counselor, guard, industrial therapist, nurse, pharmacist, juvenile parole agent, procedural auditor, psychiatric aide, psychologist, recreation worker, veterinarian, X-ray technician, and teacher.

The representatives will be available to interview and examine applicants from 9 a. m. to 2 p. m. at 87 Henry street, Alton, on Monday.

Fatima Novena Begins Sunday in Venice

The annual novena to Our Lady of Fatima will begin Sunday at the 7:45 and 10:15 a.m. and continue through Aug. 15 at the Fatima shrine, St. Mark's Church, Venice. Services will start at 7:30 p. m.

Sponsored by Tri-Cities Council 1088 of the Knights of Columbus, the services will consist of prayers, rosary, a sermon by Rev. Charles Mulcrone, assistant pastor of St. Joseph's Church, and benediction. Rev. R. C. McCarthy, pastor of St. Mark's Church, will be host for the novena, and fifth degree Knights of Columbus will serve as honor guards.

Son Of Former GC Woman Dies Tuesday In Indiana

The son of a former Granite City resident died Tuesday in an Indianapolis hospital after a two-year illness.

The deceased was William Johnson of Anderson, Ind., the son of Mrs. Joseph Neuhauer of Cincinnati, who was the former Mae Jones of Granite City. He is the cousin of Leon Costley Jr., Mrs. Shirley Yates and Mrs. Mary Ann Spiroff, all of Granite City.

Mrs. Yates and children and Leon Costley Sr. left Wednesday to attend the funeral to be held later this week.

Local Girls Members Of Alton Jr. Drill Team

Judy Lou Jaklich, 11-year-old daughter of Mr. and Mrs. Louis Jaklich, 1408 Washington avenue, is a member of the junior drill team of the Plaza Indians of Alton which won the state junior baton twirling corps championship in a recent National Batton Twirling Association, the Press-Record was informed today. She placed third in her age group at the contest.

Another local member of the Alton group is Donna Eads, 11, daughter of Mr. and Mrs. Rodney Eads, 3008 Wayne avenue. Both girls will take part in competition at a state contest in Springfield Aug. 14.

Six-Week Tour Of Europe Covers 10 Countries

Henry D. Karandjoff, 2607 Cleveland Blvd., and grandchildren, Christine, Robert, Judith Ann and James, are home again, following an extensive tour of the Balkan States, mid-European countries, Mediterranean area and the British Isles. Karandjoff is Chairman of the Board of Granite City Trust & Savings Bank.

Starting six weeks ago in New York, the family traveled most of the vast distance covered, by plane. Their itinerary included such major cities as Paris, Versailles, Nice and Cannes, France; Rome, Milan, Genoa, in Italy; Monaco, Geneva, Switzerland; Salonika, Athens, Greece; Istanbul, Turkey; Yarna and Sofia, Bulgaria; Yugoslavia; Berlin; and London, England.

An exception to the air travel was experienced on board a Russian vessel, for an overnight trip across the Black Sea, between Istanbul, Turkey and Yarna, Bulgaria.

Highlights of their journey included side tours through the International Building at Geneva and attendance at services in Switzerland, at the vast John Calvin Cathedral. They viewed the original painting of Leonardo da Vinci's "Last Supper" in Milan, the famous Tivoli Gardens and other historical places in Rome.

In London, the visitors were seated in the visitors' gallery during a lengthy session of the Houses of Parliament, reviewing there until late in the evening while the selection of a new foreign secretary was in progress.

They also toured Shakespeare's birthplace at Stratford-on-Avon and Ann Hathaway's cottage, and viewed the priceless collection of old masters' paintings at Warwick Castle. Westminster Abbey, Windsor Castle, the Thames Estuary and the Tower of London were also included in their interesting itinerary.

Other short ventures into London's home counties took the group to Sir Winston Churchill's birthplace in Oxfordshire and Britain's famous preparatory school, Eton.

A number of relatives were visited on the tour and unexpected meetings with friends occurred in several places enroute.

Auxiliary Past Presidents Of Unit 113 Meet
The Past Presidents' Parley of the American Legion Auxiliary, Unit 113, met Monday evening at the Legion Home, 24th street and Madison avenue, with Mrs. Lucille Cooper, chairman, giving the opening prayer.

Mrs. Alma Knapp presided, led the pledge of allegiance and later presided during a short business meeting, with announcement made of the relation of auxiliary officers, scheduled for Saturday evening, Aug. 13.

The remainder of the time was spent socially with games played for entertainment. Successful contestants who received prizes included Mrs. Loretta Goeller, Mrs. Cooper, Mrs. Esther Harris, Mrs. Winifred Costello, Mrs. Dollie Brewer, Mrs. Loretta Durbin, Mrs. Edna Reading, Mrs. Eureka Breckenridge, Mrs. Ada Dishong, Mrs. Vivian Harmon, Mrs. Helen Slattery and Mrs. Mary Breckenridge.

Hostess for the evening was Mrs. Klaus.

The group plans to hold its next meeting Sept. 5.

CONCLUDES BASIC INSTRUCTION
Wayne Johnson, son of Mr. and Mrs. Cecil Johnson, Highway 113, Granite City, is spending a nine-day leave at his parent's home, after completing nine weeks basic instruction at San Diego Naval Base.

He will return to the west coast, Sunday, where he is to resume training for a 14 week advanced course, prior to being assigned for regular duty.

RETURN FROM HOLIDAY
Mr. and Mrs. Robert E. Randall and children, Patricia and Dennis, 2300 St. Clair avenue, arrived home this week after spending a holiday at the Lake of the Ozarks and Kansas City, Mo. While in Kansas City, they were house guests of Mrs. Randall's brother and sister-in-law, Mr. and Mrs. John W. Signaio.

MRS. DEAN ROBERT LEE, whose wedding took place Friday, at the bridegroom's home, 3910 Franklin avenue. The former Mrs. Mary Catherine Sudek, she is the daughter of the late Mr. and Mrs. Joseph Francis of Collinsville. Her parents are Mr. and Mrs. Dean V. Lee.

LEE-SUDEK NUPTIALS ANNOUNCED

Announcement was made this week of the marriage of Mrs. Mary Catherine Sudek, daughter of the late Mr. and Mrs. Joseph Francis of Collinsville, to Dean Robert Lee, son of Mr. and Mrs. Dean V. Lee, 3910 Franklin avenue. The civil ceremony was performed Friday, in the home of the bridegroom's parents, with Police Magistrate Andrew Gasparovic Jr. officiating. Witnesses were the bride's brother-in-law and sister, Mr. and Mrs. David Beveridge Jr. of Collinsville. A wedding supper was held at a Centerville club following the ceremony.

The bridegroom is employed as an acoustical representative with an East St. Louis firm. The newlyweds, who are temporary residents at 3172 Carson avenue, plan to make their permanent home in East St. Louis.

Fall Dance Planned By Elkettes

The Elkettes met for their regular monthly business meeting and social evening, Tuesday, at the Elks Club, with Mrs. Helen Bergfeld, president in charge.

Principal topic of the business session was preliminary planning for a fall dance with Mrs. Ella Wade appointed to serve as arrangement committee chairman, assisted by Mrs. Helen Freesley, Mrs. Helen Todd and Mrs. Alice Elledge.

The remainder of the time was spent at games with awards made to Mrs. Todd, Mrs. Vivian Rich, Mrs. Elaine Jones, Mrs. Presley, Mrs. Carman Edmonds, Mrs. Helen Todoroff, Mrs. Ann Grant, Mrs. Martha Baker, Mrs. Ann Gasparovic and Mrs. Ethel Holtscher.

Refreshments were served to 35 by the August hostesses, Mrs. Sara Belle Berta, Mrs. Louise McCauley, Mrs. Ruth Geroff and Mrs. Georgia Czapka.

The next meeting was announced for Sept. 6.

WALLACE COHEN FAMILY VISITING PARENTS

Mr. and Mrs. Wallace Cohen and daughter, Cathy Jean, arrived here Tuesday, from Brooklyn, N. Y., where Cohen received his release from the U. S. Army, at Fort Hamilton. The family returned from Mannheim, Germany, July 28, after spending 18 months in Europe.

Their daughter, born at Heidelberg Military Hospital was sent by her grandparents, Mr. and Mrs. Louis Cohen, for the first time on their arrival. They are presently house guests of Cohen's parents, with whom they will temporarily reside. Mrs. Cohen is the former Mrs. Maxine Baker of Chicago.

MR. AND MRS. CARL GENE BARNES, following their wedding, Friday, at Mount Zion General Baptist Church. The bride is the former Miss Hilda Marie Collins, daughter of Mr. and Mrs. Clarence Collins, 2813 West 22nd street. The bridegroom's parents, Mr. and Mrs. Calvin Barnes reside at 2454 Logan street.

Stork Shower Compliments Mrs. Houston

Pink and blue streamers and garden flowers decorated the home of Mrs. Fred Seifried, 3122 Ash avenue, on Tuesday evening, when a group of friends complimented her daughter, Mrs. Richard Houston, with a stork shower.

Hostesses for the party were Miss Frances Lise and Miss Linda Bjorkman. Alternating colored streamers formed a canopy above the refreshment table, with a large stuffed stork used as the centerpiece. Tall pink tapers in novel holders illuminated the place settings and favors which reflected a petal pink color scheme. Many gifts presented the guest of honor were displayed on a separate table appointed in similar style.

After the packages were opened, the hostesses directed games with prizes won by Mrs. Kent Gracey, Mrs. Bert Houston Jr. and Miss Judy Cackib.

Other guests honoring Mrs. Houston included Mrs. Helen Bjorkman, Mrs. Fred Bolliger, Mrs. Joe Saloveich, Miss Judy Carey, Miss Virginia Judd, Mrs. Thomas Williams, Mrs. Alan Polley, Miss Sharon Aubrey, Mrs. James Squires, Miss Sandra Lerman, Miss Georganne Rector, Mrs. Earl Klonschmidt, Mrs. Jake Hinterster, Mrs. Fred Seifried Jr., Mrs. Leonard Davis and Mrs. Ernest Fly, all of Granite City; and Mrs. Bert Houston Sr. of Florissant, Mo.

Miss Janet Slater of Brentwood, Mo., and Mrs. Walter Bolliger and daughters, Misses Mary and Sue Bolliger, of Normandy, Mo.

Mrs. Houston, the former Miss Barbara Seifried, resides at 2516 Ralph street.

GRANDDAUGHTER FOR GEORGE BISCHOFF'S

Mr. and Mrs. George Bischoff, 4111 Lake drive, received word yesterday of the birth of a granddaughter on Tuesday afternoon, to their son-in-law and daughter, Theodore Wood of Dayton, O.

The new arrival weighed seven pounds, two ounces, and her name has yet been selected. She has a sister, three year old, Brenda.

The father is stationed at the Wright - Patterson Air Force Base, near Dayton. Mrs. Wood will be remembered as the former Miss Olive Marie Bischoff. Paternal grandparents are Mr. and Mrs. Ivan Wood of Staunton, Ill.

Owen Coopers Are Honorees

Mr. and Mrs. Owen Cooper, 2105 Illinois avenue, were honored this week at a dinner party given in observance of their 57th wedding anniversary at the home of their great-granddaughter, Mrs. Norman Rosenkrantz of Florissant, Mo.

The couple, life-long residents of the Granite City area, were married in southern Illinois in 1903. They have four children, nine grandchildren, 15 great-grandchildren and three great-great-grandchildren.

Mr. Cooper was employed at General Steel Castings Corp. until his retirement six years ago. Among the five generations seated for dinner were Mr. and Mrs. Guy Copel, Mr. and Mrs. James Parks, Mr. and Mrs. Donald Cooper, Henry LeMaster, Carl Cooper, all of Granite City and Mrs. Owen E. Kistner of Concord, Calif., and Mr. and Mrs. Charles Murawski of St. Louis.

HOUSE GUESTS AT J. T. DERUNTZ HOME

Mr. and Mrs. J. T. Deruntz, 2145 Grand avenue, are entertaining as their houseguests, their daughter, Mrs. Mary Windish and grandsons, Joey, John and Robert, who reside in Okinawa.

Mrs. Windish, a civil service employee, is in the budget and programs division of the G-4 section. She has worked in Okinawa since 1948 and her last visit home was four and one half years ago.

The family arrived here by plane earlier this week and will remain until the middle of September.

Band Concert in West Granite Park Aug. 14

A neighborhood band concert, part of a series being arranged by the Granite City park district recreation program, will be given from 5 p.m. to 7 p.m. Sunday, Aug. 14, at the Triangle Park adjacent to Rock road in West Granite City. It was announced today.

A band conducted by John Tate of Granite City will present a varied concert program. Harold Brown, recreation director, reported. The musicians, members of American Federation of Musicians Local 717, will be paid from the federation's recording fund.

Another concert is planned for Sunday evening, Aug. 28, with the neighborhood location to be announced later. Brown urged a large attendance at both events.

Two Runaway Boys Are Apprehended in Venice

Two boys who had run away from the Missouri Hills Correctional School were located by Venice police at a Broadway service station at 10:15 a. m. Tuesday. One was 14 years old and the other 13.

Contacting St. Louis authorities, the local police placed the boys in their custody at the western end of the McKinley Bridge.

London's Bobbies, Castles Hold Visitor's Interest

Miss Pat Mega, Ron Randall and half of the United States delegation to the YMCA World Youth Conference recently finished their two-week-long tour of London and are currently in Amsterdam, Holland, at the conference which started yesterday and will continue through Aug. 13. The other half went to Paris before traveling to Amsterdam.

In a letter, Miss Mega, Teen Town director at the local "Y," described the sights and events of their tour. "Several groups of the United States delegation," she wrote, "boarded a bus which took them to various hotels in London. London, as large as it is, is very difficult to get around in without using the 'tube'.

"The people are very friendly and cooperative and will go out of their way to give you directions and to assist you in any way. The 'bobbies' (police) are very happy to help. London's police force, with the exception of plainclothes policemen, do not wear firearms. They use only clubs.

"The police department is very proud of this and has fought vigorously to maintain this standard as they feel it helps to prevent crime. Anyone carrying an unlicensed gun can get a minimum three-year sentence. The police are very effective in the use of their clubs.

"We attended Sunday services at St. Paul's Cathedral and Westminster Cathedral. One afternoon we toured Windsor Castle. Queen Elizabeth was there as her flag was seen flying over the buildings. Our group was able to tour the State Apartments.

"These rooms are not used anymore. They were filled with tradition and many paintings of English kings, queens, and statesmen. There were many famous paintings by Van Dyck and Rubens.

"We also toured Stratford-on-Avon, the Shakespeare Country, seeing the home of Shakespeare and wife, Ann Hathaway. Oxford was also visited and there are many fine old universities here. We visited the Church of Christ. One evening we attended the Old Vic Theatre, seeing 'Richard II'. This theatre is famous for its production of Shakespeare's plays.

"Touring the city of London, we visited Westminster Abbey, the Tower of London, Buckingham Palace and the Houses of Parliament among many other interesting and historical places.

City, State To Improve Nameoki Road Shoulders

Alderman Samuel Shackelford, a state highway employee, arranged a cooperative work program Monday night between the city and state to improve the shoulders along Nameoki road south of St. Clair avenue.

Shackelford said if the city would spread oil on the shoulders, the state highway department would supply the chat. He pointed out the unimproved shoulders are rough, dusty and in need of attention.

When Mayor Davis pointed out it probably would be next year before the state highway department begins the widening project for Nameoki road south of Madison avenue, the council voted approval of Shackelford's proposal.

The mayor added that work on widening Nameoki road from Madison avenue north to the city limits probably would be started by November.

Participation In Safety Poster Contest Urged

"Although there are only 10 cash prizes totaling \$140 to be awarded to youngsters in the Quad-City Safety Council's Safety Week poster contest, everyone in the community will win," Dale A. Blackwell, committee chairman, commented today.

"Every youngster who enters will increase his knowledge of safety—knowledge that someday may save his or her life. Every parent, family member and person who discusses safety and the contest with contestants will be influenced to safer actions.

"Every citizen of the area should be vitally interested in promoting greater community safety awareness for the protection of himself and his loved ones. Churches, civic groups, industry and all others who are concerned that our community be comprised of careful and considerate citizens should be doing all they can to obtain greater participation in this contest," Blackwell said.

"Everybody Wins" "Rebuke to enter because of some thought that 'if you win' must be overcome. In this contest, 'everybody wins,' and the more community participation the more the community will win."

Blackwell and the contest committee members, Merrill Cox, George Odum and Al Winder, are urging that more Quad-City youngsters obtain contest rules at the Chamber of Commerce office, 1930 Edison avenue, and begin work on safety posters. Deadline for entries is 5 p. m. Tuesday, Aug. 30.

The committee members hope to receive inquiries from a number of youngsters, such as scout leaders and school teachers, to explain the contest if they are asked to do so.

First To Twelfth Grades The contest is open to a boy or girl who will be enrolled in a Quad-City grade, junior high or senior high school, in September, 1960. Only one entry may be turned in by each contestant and each poster should have a theme intended to persuade persons to conduct themselves in a safe manner.

Plans call for the posters to be displayed in the windows of local business establishments during Safety Week Sept. 1-7. Each artwork must be 22x28 inches in size and must be on posterboard. Built-up areas may be used on the surface, but cannot exceed two inches. If chalk, charcoal, pastels or similar materials are used, a fixative should be applied over them to protect the poster.

Three Divisions Judging will be conducted in three grade groups — A for youngsters, in the first through fifth grades, B for pupils in the sixth to ninth grades and C for students in the tenth through twelfth grades.

In addition to a \$50 grand prize, first, second and third place prizes of \$15, \$10 and \$5 will be awarded in each of the three grade groups. Judges for the competition have not yet been selected.

Fourth GC Story Hour Draws 150 Children

More than 150 children filled the air-conditioned auditorium of the Granite City library Tuesday morning to hear the fourth in a series of seven children's story hours.

They heard Miss Patton read "Snip, Snap and Saur," "The Red Shoes" and "Jack, the Giant Killer." played participation games such as the hokey-pokey and saw two pantomime sketches by Miss Norma Edwards and Miss Carol McRaven.

Next Tuesday the children will be given another puppet show by Mrs. Carl Fuller and her family. Librarian Mrs. Mary Gene Knutlinke reported.

The programs begin promptly at 10 a.m. and last one hour. They will continue each Tuesday through Aug. 23.

GC Rotary Club Hosts Scouts, Commissioner

Boy Scout Commissioner Tom Sawyers of the Canal Zone told the Granite City Rotary Club Tuesday that the treatment he received here and at the Scout Jamboree in Colorado was the best refutation of the segregation propaganda spread in his territory.

Sawyers and two local scouts, Drew Karandjeff and Mike Hogan, told the Rotarians of the tours and pageantry surrounding the 11-day Jamboree from which they returned Sunday.

Bigger Crowd, More Entries Expected At Second Rotary Western Horse Show Aug. 28

Plans for the second annual all-western horse show, sponsored by the Granite City Rotary club, are proceeding at a galloping pace, General Chairman B. E. Moody said today. He expects the rodeo-style event to out-draw last year's western show in the number of entries, prizes and spectators.

The 11-class horse show will take place Sunday afternoon, Aug. 28, in a newly-constructed arena at Fehling and Nameoki roads. In addition to class judging, there will be flag and barrel racing competition.

Moody said the opening feature of the horse show will take place at 1 p. m., with a grand entrance parade of participating horses and riders. A prize of \$25 will be awarded to the winner.

Western Attire
The chairman said that all rider entries must be dressed in western fashion to be eligible for prizes, which will include five ribbons and a trophy in each event. Entry fees for all events except the grand parade are \$3. For the grand parade, the fee is \$1.

The all-western horse show, operating under Illinois-Missouri Horse Show Association standards will feature the following events: a flag race; exhibition of registered Morgan horses to be shown on halter or bridle and open to stallions, mares and geldings; a plug race; exhibition of the Palomino horse, spotted horse, handy horse and western model; and the parade class, open to any breed.

Also featured will be reigning

PULLING HARD ON THE REINS, Bud Hunt a St. Louis contestant in last year's first all-western horse show, brings his Polono mount to a rearing halt in the Reins Class time trials. The rodeo-style show will be sponsored again on Aug. 28 by the Granite City Rotary Club to raise funds for its charitable work program.

Playground Nearly Completed In Nameoki

New playground equipment, which has proven popular at Triangle Park in West Granite and at Wilson Park, also has won the hearts of youngsters living near the Maryland area playground at Franklin and Ames avenues.

Granite City park district officials said the installation in this area is being readied with the exception of erecting a wooden fence around the area. A dedication ceremony is being planned for the near future by the Maryland playground board of trustees. The group donated the tract to the park district. The playground is adjacent to the Nameoki Little League baseball diamond.

Park Supt. O. H. Williams said

Graniteers Advance With 10-8 Win In Extra Innings

The Graniteers took over undisputed possession of fifth place in the Class B men's softball league with a 10-8 victory over Lincoln Place Tuesday night at Wilson Park. The two squads had been tied for fifth.

With the Graniteers rallying for four runs to overcome a 7-3 deficit in the sixth inning, the game moved into extra innings.

Each squad scored once in the first overtime inning, and the Graniteers settled the issue in the ninth inning by scoring twice off the pitching of Gene Harris, Glenn Moore and Lindell Martin—and then holding Lincoln Place scoreless.

First Place At Stake In Baptist Loop Game Tonight

The top two teams in the Baptist Softball League, Grace and Meadow Heights, will collide at 8:15 tonight on the Lee Park diamond in Venice. Grace currently is a game ahead, and Meadow Heights should gain share of the lead with a victory.

A tonight's 7 o'clock contest will pair Emmanuel and Second Baptist.

Hawk Basketball Clinic At Local School Monday

A basketball clinic for boys through the ninth grade of school has been rescheduled for 1:30 p. m. Monday, Aug. 8. It was announced this week by Harold Brown, park district recreation director. Boys attending should bring tennis shoes. Location will be the Coolidge junior high school gymnasium.

Cliff Hagan and Clyde Lovellette of the St. Louis Hawks will conduct the clinic, which is expected to include scrimmaging and a free throw contest.

Brown, who said last year's clinic attendance totaled 250, explained that no high school students are being invited Monday due to rules relating to amateur status. The rule does not apply to junior high and elementary students, he added.

Tie For First In Dean League To Be Decided Saturday

Triangle Heating moved into a first-place tie with Sacred Heart in the Dizzy Dean League Monday evening by defeating State Radio 21-7 while Sacred Heart was dropping a 15-13 decision to St. John's.

The two leading teams will decide the season championship in a game scheduled for 10 a. m. Saturday at Wilson Park. The Dizzy Dean circuit is a part of the Atom Division of the Granite City Park district's boys' baseball program.

In other Monday games, the front-running YMCAs Wildcats downed Burnett Concrete 19-7 and Local 16 defeated Engineer Depot 8-4 in the Midget Division. Jun Bottomley League, a 4-d Granite City Juveniles edged the strong Milton Spout team 12-11 and The Eagles trounced Mary-lah, Mart 14-5 in the Atom Division Sally Parker League.

Tuesday's results included the following: Midget Division Smiley Padgett League, Day-hawk Optimists 4, Grand Cafe Roosters 2; Bantam Division Owen Friend League, Taylor Cart Roosters 13, St. Elizabeth 0; Bantam, Owen Friend, Trust and Savings Bank won on forfeit from Sacred Heart Kahoks; Juvenile Division Babe Ruth League, David Blue Bombers won on forfeit from the Businessmen. It was announced that the Granite City Soft Credit Union is leading the Babe Ruth loop with a 7-2 record.

GC Steel Holds Lead With 6-1 Win Last Night

Granite City Steel held first place in the Industrial Softball League last night by defeating Union Station 6-1 on the Lee Park diamond in Venice.

Granite City Post Office remained a game off the pace by taking a forfeit from A. O. Smith Corp.

Union Station scored in the first inning but was held for the remainder of the game by Pitcher Jim Childers, who hurled a six-hitter. Catcher Warren singled and advanced on three stolen pitches to account for the lone run.

Gathering seven hits off Pitcher Carroll Fette and Earl Harrison, Granite City Steel was led by Childers and Leonard Monroe, each with two hits, and Jerry Farmlay with a double. The winners committed two errors to the losers' three.

FRAME OF MIND

People who think the world is against them are traveling on the right road to make it so.

Defense preparations are expensive, but are always easier to pay than reparations.

The Downstate Fisherman

(Prepared by the Southern Illinois University Information Service from area reports)

While black bass fishing has fallen off to only sporadic action everywhere else in southern Illinois, Crab Orchard Lake is paying off handsomely for the tried and true aficionados who've been failing away out there all summer.

Fishing recently between 6 and 9 p. m., one of the most sorely tried of the true-Carbondale's Irvin Peithmann—but the jack-pot for a slew of four and five pounders. He has described the fishing as the best he's ever had at the big lake, and he's been dragging bombers over his mysterious bottom for some 15 years.

In one favorite spot, Peithmann hooked two on one cast. Altogether this summer, more than 150 largemouth have been netted from about 80 of them himself.

Little Grassie remains in the doldrums as far as bass angling goes. Plenty of smallish ones have been taken on minnows and plugs but the big ones are being picked up by those who scumblers like Adolph Kopp of Steelville who manages a six pounder almost everytime he goes out. He's been using a Black Gel on a Spin Fin. Art Reagan, West Frankfort, snags a few trolling—his best last week was a six and three-quarter pounder—and Jack Walton of Frankfort and Red Borer, Carbondale, hung into a half dozen, the largest at five pounds, also trolling a yellow jig.

Flyrodders Ed King of Ewing and Earl Ferguson, Benton, have had moderate success with popping bugs. The lake is showing evidence of thermal stratification and fishing should improve in a week or two with continued hot weather.

Lots of half pound crappie are coming out of Grassy and some

Eight Home Runs In Girls' Softball Game

Eight home runs were hit in one game as the Blackbirds defeated the Comets 19-12 in girls' softball play Tuesday at Wilson Park. Girls aged nine to 15 compete in the park district's softball program.

The Blackbirds were paced by Carolyn Starnling, who homered twice, and Johanna Pashoff and Linda Callahan, with one home run each. For the Comets, Ed-monda Ortiz hit two four-baggers and Judy Bautech and Judy V. each smashed a single home run.

Margie Gallauer and John Stroehle homered for the Red-birds as they outdistanced the Chatterboxes 16-4 Tuesday. The Redbirds now have a 6-0 record, compared to the Chatterboxes' 3-3. Blackbirds' 2-4 and Comets' 1-3.

Many Replies On Group Trip To University Game

Many favorable replies are being received on a trip by 26 couples to the Oct. 8 football game at the University of Illinois, but payment of the \$15-a-couple charge is the only way to reserve bus and game tickets, Granite City Park Recreation Director Harold Brown said yesterday.

Reservations will be handled on a first come, first served basis, Brown emphasized.

The journey will be made in the morning, with the return trip being made the same night. The Illinois eleven is scheduled to play Ohio State in a "Big Ten" conference game.

"This is a free country—live, dangerously if you wish, but don't do it on crowded highways. Truth eventually wins, but it is slow in asserting itself."

Proper Care Of Pets Important In Summer

"It shouldn't happen to a dog. That's how the Veterinary Medical Association feels in offering tips for the care of Fido, Tabby and Tweety during summer 'dog days,' the sultry, close period from July to early September. Summer is tough enough on humans, the association continues, but for man's domesticated best friend, suffering in silence, it can be brutal. With this in mind, suggestions are offered for the comfort of pets. The advice in most cases, may profitably be extended to the care, feeding and comfort of the master as well.

Don't overfeed during the summer, and see that your pet has plenty of good fresh water several times a day, the first rule points out. Most animals instinctively know what is best for them. If you find that Fido does not want to play hard and just wants to lie around, it doesn't necessarily mean there is anything wrong with him. He will probably seek out the shade, a basement or some other secluded place for quiet contemplation of last winter's fun in the snow.

Do not leave an animal locked inside a parked car for any length of time without opening the windows for ventilation. The heat builds up to extremely high temperatures in a closed car and can asphyxiate a pet. Pets are susceptible to injuries just as individuals are. If you notice that he has been bitten by bees or other insects, apply a paste of bicarbonate of soda or plain starch to the area. If he has just returned from a raid on a hornet's nest, and is covered with stings or bites, prompt medical attention could save his life, as the bee venom may be fatal. See a veterinarian.

Maybe the dog is a water dog but, just maybe, he isn't. If he comes near drowning, keep him quiet and warm with blankets or a heating pad. It may aid further to offer a few sips of some stimulant such as coffee. The natural curiosity of animals to play detective often takes them into places where they should not be. If your pet tangles with a snake or other poisonous reptile, remain calm but act quickly. With a razor or sharp knife, cut the wound across and then again at a right angle. Press toward the cuts to push out the poison. If the leg is bitten, apply a tourniquet above the cut while treating, and then rush the animal to a veterinarian.

Chances are that sometimes during the summer, Rover will pick up a tick or two. The best thing to do is douse the tiny parasite with alcohol or fingernail polish and remove with tweezers. Do not dig it off. And make sure you remove the tick's head, which is usually deeply embedded in the skin and can produce infection. Try not to touch the elusive little creature or it may suddenly disappear and you might wind up giving the same first-aid treatment to yourself. Electricity, the great servant of civilized man, can prove a shocking experience to cats and

dogs. In the summer months, with greatly increased use of fans and air-conditioners, make sure your pet doesn't acquire a sudden interest in a live cord or socket. He may be electrocuted. First thing to do if the cord is still in the pet's mouth is pull out the plug BEFORE touching the animal to avoid a shock to yourself. Move the animal forcefully up and down to give it artificial respiration. Telephone your veterinarian at once for further instructions.

Skin troubles can also be a plague to pets during summer months. Be on the lookout for skin eruptions. Eczema, which may be dry, moist or scaly, might be the result of improper feeding, an allergy, or lack of grooming and cleanliness. Much more dangerous is mange, which results from microscopic parasites burrowing into the skin. Proper treatment, recommended by the vet, is important.

Scratches and cuts from sharp, thorned briars or entanglements with other animals may also add to the woes of pet owners. For simple cuts, wash the area with good soap and rinse the wound. Trim away the surrounding hair with small scissors, and then apply a mild antiseptic. Cats, in particular, will appreciate the thoughtfulness as it lets them get to the injury and promotes healing. For eye injuries, wash the eye with clean water and apply a few drops of mineral or castor oil.

Lastly, if you have a "bird in a gilded cage" in your home, don't in thoughtfulness be mistaken for thoughtfulness, wing through the house in freedom. Open windows or the intermittent opening and closing of outside doors offers an easy means to a permanent escape route.

And be careful where you place "Twenty's" cage. Exposure to drafts of cold air from fans and air-conditioners can give your bird a cold, which usually proves fatal. Just give your feathered friend plenty of fresh water and a shaded nook free from drafts, and he will warble his contentment and thanks.

Following these simple rules and remedies will surely cause visiting animal fanciers to stare in admiration and envy at your pet and comment, "Lucky dog."

Man Exposes Person At 26th And Delmar
Granite City police are searching for a man about 35 years of age who yesterday afternoon exposed his person before a 17-year-old girl at 26th street and Delmar avenue.

The girl told police she was riding a bicycle when the man called her to his car to ask directions to a street, the name of which he said he had written on a piece of paper. She said he was driving a two-tone green 1952 to 1954 auto, and in describing him said he had crew cut dark brown hair and was wearing a pale blue sport shirt.

Jaycees Initiate Three New Members Wednesday

Three new members were taken in last night into the Granite City Junior Chamber of Commerce and given an account of Jaycee history and organization, Earl Parsons, the group's president, reported.

A delegation from the Belleville Jaycees told the new members, William Ashford, Ron Perger and Floyd Jordan, of the purpose and structure of the organization. Twenty members attended the meeting held at the Moose club.

EAST MADISON STORE FIRE Monday night resulted in heavy damage to the interior and blackened part of the exterior of Werner's grocery, 1938 Fifth street. Starting in the rear of the frame shingle-covered structure, the blaze was kept by Madison firemen from spreading to a nearby home. The flames reached both the sales area on the main floor of the store and storage space upstairs.

Rick's Team Clinches 1960 Teen League Championship

Rick's Market clinched the Wilson Park Teenage Softball League season championship last night in receiving a forfeit from the Roca Club team. The forfeit improved Rick's record to seven wins against no losses.

The Teenage League season is scheduled to end tonight, with Rick's opposing the Warriors at 7 o'clock and the Bombers meeting Roca at 8:15. Playoffs will begin next week.

In the only game actually played last night, the Warriors' Bombers scored in the first four innings and won, 13-9.

Entering the second inning with the score tied 3-3, the Warriors scored four times and added two in the third and four in the fourth to complete their scoring. The Bombers rallied for three runs in the fourth and single tallies in each of the fifth, sixth and seventh stanzas.

Pitchers Myers and Baker divided mound duties for the winners, and Sarkis Nighossian hurled for the Bombers.

County-Wide CD Drill Planned For Nov. 12

Plans for a county-wide Civil Defense emergency exercise were discussed last night during a monthly staff meeting of Granite City Civil Defense, held in the city hall council room.

Assistant Director Victor H. Koenig, who presided, announced the drill for Saturday, Nov. 12, with tighter coordination of

county disaster forces as its primary purpose.

Koenig was appointed general chairman of the exercise at a recent meeting of Madison County civil defense council held in Edwardsville.

A county CD forum is scheduled to precede the test in October, with City Manager Leland Kraft of Wood River appointed as forum coordinator.

Reception Last Night Honors Newlyweds

Mr. and Mrs. Calvin H. Cundick Jr., of Rutherford, N. J., who were married last month at St. Illuminator Armenian Apostolic Church in New York City, were honored at a wedding reception Wednesday evening given in the Officers Club of the Granite City Engineer Depot by the bride's parents, Mr. and Mrs. John Varadian, 741 Nieringhaus avenue.

A buffet dinner was served to approximately 200, with the former Miss Alice Varadian receiving the guests in a beige chiffon frock, complemented with matching accessories. The bride's sister, Miss Kathryn Varadian, presided over the guests.

Among the out-of-town guests present were the bridegroom's parents, Mr. and Mrs. Calvin B. Cundick Sr., and his sister, Mrs. Anne Ridge, and sons, Paul and Mark, all of Point Pleasant, N. J.

The bride attended local schools and was employed as the Engineer Supply Control Officer, St. Louis, prior to her marriage. Her husband graduated from Fairleigh Dickinson University and is presently employed at the Humble Oil Co. of New Jersey.

Gideons Meet At Frazier Home

Mr. and Mrs. A. L. Frazier, 2305 Richmond avenue, entertained the Gideons and auxiliary, at their home, Monday evening, with a covered dish supper preceding a social evening.

Among those present were Mr. and Mrs. William Harris, Mr. and Mrs. R. O. Harold, and Mr. and Mrs. Charles Reimers. Due to the small number present, the regular business was canceled.

Recent Bride Complimented At Party

White wedding bells and streamers decorated the home of Mrs. Robert Cann, 547 Bessie lane, Mitchell, on Wednesday evening, when she entertained with a bridal shower in honor of Mrs. Jerry Cann, who was married last month.

Games were played for entertainment and prizes awarded to Miss Brenda Foreman, Mrs. Edna Daigler, Mrs. Evelyn Pace, Mrs. Irene Broadway, Mrs. Margaret Foreman, Mrs. Mary Bunn, and Mrs. Alice George.

Many gifts were presented to the former Miss Ruth Jones, whose parents, Mr. and Mrs. Kit Jones, reside in Charleston, Missouri.

Other guests were Mrs. Maggie Broadway, Miss Lila Cann, Mrs. Esther Cann, Mrs. Geraldine Black, Mrs. June Cann, Mrs. Joan Cann and Misses Irene and Mary Cann.

The recently married couple is living at 2021 Dewey avenue.

Co-hostess for the party was Mrs. Arthur Cann.

Shower Honors Mrs. Sanders

A pink and blue shower complimented Mrs. Sharon Sanders, Wednesday evening given by her mother, Mrs. Ethel Grammer of Pawnee, Ill., at the home of the honored guest, 2220 Ohio street.

Gifts were presented to the honoree and after the packages were opened, games were directed by the hostess and prizes awarded.

Among those present were Mrs. Esie Jarman, Mrs. Pearl Kampan and daughters, Margaret and Jacqueline, Mrs. Anna Kampan, Mrs. Joann Murray, Mrs. Margie Ellsworth, Mrs. Ramona Sullivan, Mrs. Helen Driscoll, Mrs. Freda Kerfoot and daughter, Betty, Mrs. Betty Bone, Mrs. Laura Emerson and Mrs. Donna Bone. Refreshments served from a table appointed in pink and blue concluded the party.

Shower Honors Bride-To-Be

Miss Vicki Walker of Valley Park, Mo., who will become the bride of Commodore L. A. L. Groves, was given a miscellaneous shower Tuesday evening at the Dewey Avenue Methodist Church by members of the church and friends.

Gifts were placed on a table decorated in white, with pink and white streamers and large wedding bells suspended overhead.

Opening of an array of gifts was followed by refreshments served at tables decorated to the occasion. Favors were small bags of rice.

Those serving were Mesdames Shirley Lane, Gladys Potillo, Edna DuBrain, Walter Harrison, Violet Miller, and Misses Sandra Potillo, Karen Felker, Julia French, Sharon Kolage, and Virginia Kessler.

Others present were Mesdames Louise Potillo, Pauline Squires, Lottie Squire, Helen Testerman, Lucy Testerman, Ruth Gibbs and daughter, Marcia Beulah Sparks, Eva Nichols, Merle Ake-Elmore, Mildred Lewis, Ruth Crumley, Katie Alexander, Robbie Donley, Virgie Seilke, Grace Lensing, Maude Damotte, Kate Potillo, Zetta Hornbuckle, Tennie Webb, Julia Hill, Jeanette Warford, Ruby Redmon, Daisy Cherry, Mable Grove and Gusta Penlidon and Miss Nellie Kimball.

The wedding will be held Saturday evening at the Valley Park Methodist Church.

Parties Honor Mr. and Mrs. James Wade

One of a series of parties honoring Mr. and Mrs. James Wade, who were married earlier this year in Chicago and who are spending some time here as houseguests of Wade's parents, Mr. and Mrs. E. J. Wade, was given Tuesday afternoon, in the form of a luncheon at Mr. Wade home, 2519 Madison avenue.

Among the guests were Mrs. E. W. Deponah, Mrs. Russell Woether, Mrs. Kenneth Astor and daughter, Renee, of Kirkwood, Mo., and Mrs. Carl Conary and Mrs. Charles Clark of this city. Earlier in the week, a buffet supper was held at the Wade home, with the guest list including several relatives of the bride from various parts of Missouri.

Mrs. Wade is the former Miss Marilee McClintock, daughter of Mr. and Mrs. Tex McClintock, St. Louis county.

War I Units Receive Flag

Madison Barracks 34 of the Veterans of World War One and the Auxiliary met Tuesday evening at the VFW hall with Commander Adam Munsterman and the president, Mrs. Clara Conway, in charge. Prior to the business session, Mrs. Gussie Cheatham of St. Louis presented the barracks with a 50-star flag in memory of her husband, Leslie W. Cheatham, a deceased charter member.

Plans were made by the auxiliary for the 4th district meeting to be held at the hall Sunday, Aug. 7, at 1:30 p. m.

A luncheon was served to the 50 persons present by the hostesses, Mrs. Zelma Hart, who was assisted by Mrs. Audress Brown, Mrs. Conway and Mrs. Mary Breidenbach.

VFW Past Presidents Hold Luncheon

The Past President's Club of the Veterans of Foreign Wars Auxiliary group met Tuesday afternoon at the VFW Home with members present. A one o'clock luncheon served by Mrs. Fern Samsouce, Pauline Mahon, Patricia Kent, Elsie Byrd, Emma Elmore, Edith Rhodes, June Crumley, Katie Alexander, Robbie Donley, Virgie Seilke, Grace Lensing, Maude Damotte, Kate Potillo, Zetta Hornbuckle, Tennie Webb, Julia Hill, Jeanette Warford, Ruby Redmon, Daisy Cherry, Mable Grove and Gusta Penlidon and Miss Nellie Kimball.

The remainder of the afternoon was spent at cards, with numerous prizes awarded.

Barbeque Theme For Eta Alumnae Chapter

The Eta Alumnae Chapter of the Phi Tau Omega Sorority met at the Rose Bowl restaurant Wednesday evening, with Mrs. Ann Little and Mrs. Dorothy Johanningmeir serving as co-hostesses.

Red and white checked table linen and wicker baskets of fresh garden flowers created a setting for a make-believe barbeque party. The August theme was further accentuated by the use of large wrought-iron bowls filled with vegetables and fruit, as part of the decorating motif.

Bridge and canasta were played with awards received by Mrs. Helen Hosticher, Mrs. Mae Tarpo, Mrs. Mildred Jungels, Mrs. Marge Holland, Mrs. Celestine Lucas, Mrs. Adnes Hillmer, Mrs. Helen Hayes and Mrs. Mary Margaret Graham.

Hostesses for the next party will be Mrs. Irene Cook and Mrs. Irene Hayes.

WCTU MEETING AND PICNIC TOMORROW

The Women's Christian Temperance Union will combine its regular August meeting with a covered dish picnic dinner, tomorrow evening at the Nieringhaus school site of Wilson Park.

Members are asked to be at the picnic site at 6 p. m. Mrs. Genevieve Willmott, president, will be in charge.

Mrs. Kelley Entertains Club

Mrs. Sam Kelley entertained the Get-Together Club for a one o'clock luncheon, Wednesday, given at her home, 2524 Center street, with Mrs. C. Mosler welcomed as a special guest. Cards were enjoyed following lunch with Mrs. Herbert Biemte, Mrs. C. H. Halbert and Mrs. Walter Doht exclaiming and receiving prizes.

The ladies were invited to host their next party with Mrs. Harold Kienle, 2323 Grand avenue.

GCB CLUB MEETS WITH MRS. MCCABLEY

A one o'clock luncheon was served to members of the GCB Club, when they met Wednesday afternoon, at the home of Mrs. Mae McCauley, 2619 Edison avenue. The remainder of the time was spent at cards, with prizes received by Mrs. Ella Tiepel, a guest, Mrs. Elizabeth Slay, Mrs. Ethel Seymour and the hostess.

The club will be entertained for its next party at the Rose Bowl restaurant with Mrs. Lotie Scherrer as hostess.

CHILDREN HOME

Mr. and Mrs. Richard Lehmkuhl, 4205 Maryville road, motored to Bay Village, O., last week, where they were guests of Mr. and Mrs. Anton Bortmuller. They returned here Tuesday, accompanied by their two children, Terry and Dennis, who had been visiting their uncle and aunt for the preceding two weeks.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

Application for a \$48,441 federal grant for a highway connecting Troy with Junction on Illinois Route 150 and action to obtain right-of-way for a new short-line superhighway between Hartford and Junction, authorized by the Madison County Board of Supervisors Saturday.

Cost of the Troy-Junction project has been estimated at \$107,647. It was set out in the resolution submitted to the board by the road and bridge committee.

The Hartford-Granite City highway, as described, to be slightly more than seven miles in length, 40 feet wide, and of concrete. It will run immediately west of the old C. P. & St. L. tracks, entering Granite City on Missouri avenue. The road would eliminate all railroad crossings between the two communities.

Installation of the newest and most modern projection equipment is being made at the Washington theatre, the management announced today. It is expected to be completed in time for the "August Movie Carnival," which starts next Friday.

The new equipment includes a new lighting system and generating system in the projection booth. Among the most important parts are the new Ultra-Ray Arc Lamps which are said to have the highest efficiency, lighting of any lamp on the market.

Light is evenly distributed to every seat in the theatre and, while intensely bright, there is no glare. This uniformity is said to deliver remarkably sharp clear projection with maximum detail of the picture on the film. With the Magna-Scope screen, which is considerably larger than the ordinary picture screen and which requires special lenses, it is claimed the Ultra-Ray Arc lamps project a picture that gives the impression of third dimension, a quality that has no ways aided motion pictures. By etching a sharper, brighter, clearer picture, the effect of depth is given, making the characters more real and life-like.

Nearly 100 boys from the Tri-Cities and their home-made racers participated in a parade through the downtown district Saturday morning under the auspices of the E. B. Thompson Chevrolet Co.

Many of the racers were unique in design and construction. Some of the youngsters who had knee-actuations on the wheels. The color schemes were extraordinary. Led by the Junior American Legion drum and bugle corps, the boys pushed their racers through the downtown streets.

Friends and neighbors of Mr. and Mrs. H. C. Unfried paid them a surprise visit Thursday evening at their home on Adams street to celebrate the birthday of Mrs. Unfried.

The evening was spent pleasantly at cards, and a late supper was served the guests, who included Mrs. Oscar Kennedy and daughter, Evelyn; Mr. and Mrs. D. Moody and daughter, Mrs. Marvin Taylor; Mrs. Joseph Peters; Mr. and Mrs. Earl Blom; Mrs. Edward Anderson and daughter; Marie, and sons, Edward and Donald; Mr. and Mrs. Floyd Pitchford and daughter, Louise; Mr. and Mrs. Pat Carsoff and daughter, Eleanor; Mr. and Mrs. Unfried and children, Margaret and Clemens.

The Marcella Club met Thursday with Mrs. William Humphreys, and among the guests present were Mrs. Al Jones, Mrs. D. Weddell, Mrs. Nic Lieferrig, Mrs. Frank Nelson, Mrs. Elijah King, Mrs. Peter Jones, Mrs. C. Vogler, Mrs. William Johnson and Mrs. A. George of St. Louis.

Miss Dorothy Hopkins was another club hostess last week, entertaining eight guests on Thursday evening at her home on Delmar avenue.

They were Miss Rose Leuck, Miss Verna Henley, Mrs. Letha Albers, Miss Betty Azzell, Miss Gayle Johnson, Miss Ruth Hopkins, Miss Mary Welch and Mrs. Charles Moore of East St. Louis.

The ladies of a local club, the G.O.S., motored to Lake View Inn for their party Thursday and were guests there of Mrs. Leonard Shrievels.

The party was composed of Mrs. Walter Ameling, Mrs. William Rotter, Mrs. P. W. Maynor, Mrs. F. L. Huchall, Mrs. George Reinke, Mrs. Paul Leonard, one guest, Miss Helen Ameling, and the hostess.

The members of the Roosevelt Card Club met Thursday afternoon were entertained at the club house of the hostess at Ponton Beach.

Those seated at the two tables were Mrs. Jesse Oehler of Venice, who is a guest, Mrs. Lloyd Davidson, Mrs. Harry Reber, Mrs. Fred Larson, Mrs. O. Harper, Mrs. William W. Mrs. Harry Brinkoff and the hostess.

Miss Cecelia McCormick of Granite City was one of a group of 65 American piano teachers who were breakfast guests recently of Herr Hauptmann, burgomaster of Leipzig, Germany, in the executive building.

This was the first time such an honor was extended to a

PEPPERMINT ICE CREAM PIE

1 stick butter or margarine
1 package (6 oz.) semi-sweet chocolate
2 cups rice crispies
1 quart peppermint ice cream (not too soft)
1 pint whipped cream (no sugar added)

Crushed peppermint candy melt butter and chocolate pieces in double boiler over boiling water and blend thoroughly. Add crispies, mix well and press into buttered 8 or 9 inch pie pan. Allow to stand overnight.

Fill prepared crust with ice cream, cover with whipped cream and sprinkle crushed candy. Over top. Keep in freezing compartment of refrigerator until serving time. Yield: 6 to 8 servings.

Nations talk peace, but most of them want it on their own terms.

At a special meeting this morning the Associated Retailers approved a skeleton plan for a \$5000 Tri-City Trade Campaign which will run from September 15 to January 15, 1936. Cash gifts, distributed on the basis of sales secured through purchases at the participating stores, will be made to churches, organizations and individuals.

Avery Carp was appointed chairman of the committee to complete the plan.

Other members are Adolph Schermer, Sam Pershall, John Schill, E. B. Thompson, Louis Kahle, Arthur Buente Ed Allison, William Manes, Nathan Kleinman, John Kjaer, Mrs. As Mehan Roy Massey and Harry Anderson.

"Missionary Work in Africa" was the subject for discussion at a regular meeting of the Baptist Mission Society, Madison, held in the church last Thursday afternoon. The president, Mrs. Rachel Spears, was in charge of the devotionals and Mrs. Rev. Harold Harsh had the program, which included an interesting talk by Mrs. O. T. Bigman.

Members of the society there were Mrs. Emmerson Williams, Mrs. Frank Perry, Mrs. Logan Blyden, O. T. Bigham, Mrs. Rachel Spears, Mrs. Ivan Kelley, Mrs. T. J. Runkel, Mrs. Harold Harsh, Mrs. Charles Halen, Mrs. Lucien McClary, Mrs. William Henry and daughter, Naomi Nadine; Mrs. W. C. Kraft, D. M. Bond, Mrs. Glen McClanahan and daughters, Lois Mae and Patricia, and Joan Beck.

"Skipper," fire-eating dog owned by William Parker in Madison, was taken to Stewart's Cat and Dog Hospital in East St. Louis last Saturday. The nature of his illness has not been ascertained.

The dog eats flaming paper but his diet is not intended to be the cause of his illness.

Mrs. Lili Daniels was hostess to the Samaritan class of the Baptist Sunday School in her Venice home Thursday night.

After the devotional service and social hour, delicious refreshments were served to Mrs. Anna Persinger, Mrs. Ernest Miller, Mrs. Lillie Overby, Mrs. Jessie Hargraves, Mrs. Minnie Martin, Mrs. Jessie Overby, Mrs. Louis Benier, Mrs. Laura Jondro and Mrs. Lillie Daniels.

Club Discussions District Meeting, New Industry

Fred Schmidt was appointed as host to Jackson County yesterday's Madison Rotary meeting. He will encourage attendance by members of the club at an annual district Rotary conference Aug. 28-30 in Jackson.

The club's committee to encourage new industry reported that a firm currently is negotiating with owners of Madison property and hopes to make an announcement of its plans within several weeks. Programs scheduled for the remainder of the month were announced.

Use Oxygen To Aid Woman

Venice police used two units of oxygen from their oxygen equipment in aiding Mrs. Arthur Johnson, 218 Kratt street, who suffered an attack of illness at her home at 5:37 p.m. Monday. Taken by ambulance to St. Elizabeth Hospital, she was admitted for treatment and is in fair condition.

ANNUAL PAST NOBLE GRAND PICNIC

The annual picnic of the Past Noble Grand club of the Delray Rehoboth lodge was held on the back lawn of the home of Mrs. Naomi James, 1533 Fifth street, Tuesday evening. A short business meeting was held with the president, Mrs. Pearl Serini, presiding.

A social time followed, with Mrs. Mary Conner, Mrs. Althea Gray, Mrs. Minnie Perry, Mrs. Belle Clemens, Mrs. Ruth Haney, Mrs. Mary Rogers, Mrs. Mary Schuetz, Mrs. Dorothy Gregory, Mrs. Chloé Maxon, Miss Margaret Brown, Mrs. Serini and Mrs. James and son, Philip Wade, taking part.

Mrs. Rogers will entertain the club members next in her home, 2240 Iowa street, with Mrs. Gray as co-hostess.

MISS BRIGHT HONORED AT BRIDAL SHOWER

Miss Barbara Bright was complimented with a personal shower Monday evening. The shower was given in her honor by her prospective bridesmaids, Miss Yvonne Yovanide, Miss Gwen-dolyn Williams, Miss Pat Hickman and Miss Karen Graham.

The bride-to-be, was appropriately decorated for the occasion. Many gifts were presented to the bride-to-be, whose marriage will take place Aug. 13 to Michael Hickman, son of Mr. and Mrs. John Hickman of Collinsville, formerly of Granite City.

Miss Bright is the daughter of Mr. and Mrs. Fred Bright, 1119 Madison avenue, Madison. Those present included Mrs. Nettie Spohr, Mrs. Maude Graham, Mrs. Florence Spohr, Mrs. and Mrs. Roy Hill st. 1963 Third

Miss Bright is the daughter of Mrs. Davis, Mrs. Florence Schall, Mrs. Mary Graham, Mrs. June Hickman, Mrs. Pat Wargin, Mrs. Pauline Patta, Mrs. Susie Graham, grandmother of the bride-to-be, and Misses Sheila Graham, Linda Kay Williams, Irene Hackett, Carol Wood and Karen Miller.

Games and a late luncheon were enjoyed by the guests. Bouquets of roses and a cake topped with a miniature bride and groom adorned the refreshment table.

HERE FROM CALIFORNIA

Miss Laura Margaret Merrill, daughter of Mr. and Mrs. Melvin J. Merrill, Mountain View, Calif., is visiting relatives and friends in the Quad-Cities. She is the home of her grandparents, Mr. and Mrs. Roy Hill st. 1963 Third

street. The Merrills formerly lived in Granite City. Laura will vacation for at least a month while here.

VISIT IN KANSAS

Mr. and Mrs. Charles Bosworth and children, Margaret Ann and Charles returned to their home, 1647 Fifth street, Sunday evening after spending a week visiting at the home of Mr. and Mrs. Tom Wyckoff in Wichita, Kan. Mrs. Wyckoff is a sister of Bosworth.

Mr. and Mrs. Charles Hackett and children, Charlie Ann, Rose Marie and Lewis, spent two weeks vacationing at Play Mor Beach at the Lake of the Ozarks. Another daughter, Miss Irene Hackett, spent the weekend at the beach with her parents. The time was spent fishing and swimming. The Hacketts formerly returned to its home, 1729 Mackeet street, Sunday.

REPORTS TO WASHINGTON

Airman 3/4 Glenda Warnhoff, who had been visiting her parents, Mr. and Mrs. Lyle Warnhoff, 530 Jefferson avenue, for the past week after having completed a medical course at Gunter Air Force Base in Alabama, left Sunday to report for duty at Andrews Air Force Base, Washington, D. C.

Mrs. Kathryn Fellers, 1730 Fourth street, Madison, returned this week from a three-week vacation spent in Hot Springs, Ark., where she was a guest at the home of Mr. and Mrs. Everett Garner.

ARRIVE FOR VISIT

Mrs. Clarence Crawford and daughter, Karen of Sheboygan, Mich., arrived Tuesday for a visit at the home of her mother, Mrs. Edith Sauder, 614 Lincoln avenue.

Harold Koelker, scoutmaster, was in charge of Boy Scout Troop One Monday evening at the scout home. The Eagle patrol was in charge of the opening and closing ceremonies. Troop correspondence was read, and a discussion was held on the swimming meet to be held Aug. 27 at the Engineer Depot in Granite City. Boys advancing to second class rank participated in testing.

Activity games were played, and boys present were Jimmy Candron, Jack Tolliver, Robert Douglas, Buddy Koelker, Mike Scaggs, Roger Schaffner, Michael McCoid, Dan Brown and Jerry Bartlett.

HOME FROM CALIFORNIA

Mrs. Jessie Gehler, 219 Hampton street, returned home Sunday after spending three weeks in Modesto, Calif., where she visited her sister, Mrs. Sylvia Meyers.

Mr. and Mrs. Vernon Weeks and sons, Bruce and Terry, of Jacksonville, Fla., arrived Sunday and will visit for the next two weeks at the home of her parents, Mr. and Mrs. Delbert Dalton and daughter, Sandra, 614 Washington avenue.

Mr. and Mrs. Keith Dillman and family of Greenville, Ill., were guests Sunday afternoon at the home of Rev. and Mrs. Craig R. Dillman and family, 419 Lincoln avenue.

Robert Minks, grandson of Mrs. Hilda Daubert, 1233 Klein street, returned home Tuesday.

Kiwanis Club Learns Key To Healthy Life

"The way to keep healthy is to have a good cook for a wife." That's what guest speaker Arnold Cassens of Hanoi told the assembled 20 members at Monday evening's meeting of the Granite City Kiwanis Club. Cassens, a farmer by instinct and a businessman by profession, remarked to the group that only through moderation and proper foods could life prove satisfying in the long run. Later he showed a color movie dealing with farm tractors, and commented that a man working with farm machinery has to wait until he's about 50 years old before he can truly say that he understands

after a five-week training course at Landmark Air Force Base in Texas.

CRANBERRY JUICE SODA

1 cup chilled cranberry juice
2 tablespoons light corn syrup
Chilled carbonated water
Vanilla ice cream

Blend cranberry juice and corn syrup until thoroughly mixed. Divide among 4 tall glasses. Fill each 3/4 full of carbonated water and add to each a scoop of vanilla ice cream.

fully all the intricate mechanical workings. Kiwanis President Francis Judd told the group that an additional \$30 had been received as the club's share of the recent woman's exhibition softball game held in Wilson Park. The total receipts now held by the club amounts to \$430. Judd added that there is a possibility the club might sponsor another event sometime in the fall to further their work with local boys and girls.

Granite City PRESS-RECORD

Thurs., Aug. 4, 1960 Page 15

Daughter Arrives For Ralph Koller Jr.

Mr. and Mrs. Ralph Koller Jr., 2017 Fifth street, Madison, are proud parents of their third child, a daughter, born Monday at St. Elizabeth Hospital.

The new arrival has been named Betty Jo and weighed six pounds twelve ounces. The Koller's have two other children, a son, 12 year old, and Janice, four.

Grandparents are Mr. and Mrs. Ralph Koller Sr. of Madison and Mr. and Mrs. Thurman Cleveland of Poplar Bluff, Mo. The mother is the former Miss Ruby Beckey Davis, the counselor.

Mrs. Mae Betts, Mrs. Dorothy Barnes, Mrs. Louise Mitchell and Mrs. Maxine Smith, and two guests, Mrs. Myra Grote and Mrs. Luverne Finnell, Prayer was offered by Mrs. Finnell.

The Ruth Ford circle of Second Baptist Church met Tuesday evening on the back lawn of the home of Mrs. Naomi Roney, with Mrs. Georgia Mitchell presiding. Mrs. Evelyn Smith led the program, "Sharing Possessions" and those participating were Mesdames Roney, Mitchell and Dena Watson. Mrs. Mina Pitcock led prayer.

During a business discussion it was decided to donate to the building fund. Others present were Mesdames Naomi Burnett, Louise Mitchell, Roxie Sadler, Aline Phillips, Myra Grote, Alvin Reagan and Dorothy Barnes, who led the closing prayer.

Watermelon was served by the hostesses, assisted by Harry Roney.

FAREWELL PICNIC

A farewell family picnic was held Sunday afternoon at Wilson Park in honor of Mr. and Mrs. Arthur Weisman, who are leaving this Sunday to reside in Ohio. Mrs. Weisman is the former Miss Betty Boyer, whose parents are Mr. and Mrs. Edward Boyer, 3000 Union avenue.

Those present were Mr. and Mrs. William Adams and children, Mr. and Mrs. Donald Adams and children, Mr. and Mrs. Ralph Adams and daughter, Mr. and Mrs. Michael Adams, Mr. and Mrs. David Gibson, Mr. and Mrs. Leo Robertson and children, Mr. and Mrs. Lacey Boyer and sons, Mr. Mildred Boyer and children, Karen Johnson and Richard Greer.

FAMILY REUNION

A reunion of the Portell family was held Sunday in Cedar, Mo., with the following from here attending: Mrs. Gladys Matulis, Miss Sheila Spattell, John Stieh, Mr. and Mrs. Lione Portell, and children Debby, Mike and Dale, and Mrs. Evelyn Smith.

About 40 attended the reunion, which honored Mrs. Mathis' sister, Mrs. Edward Aloysius, who is being transferred as a teacher from Kansas City, Mo., to Chicago.

Mr. Aloysius will visit next week in Granite City with Mrs. Mathis and her niece, Miss Sheila Portell, 2612 Madison avenue, and a nephew, Lionel Portell, 2809 Oregon avenue.

SUPPER AT PARK

The Second Baptist Church Young Women's Auxiliary met Tuesday evening at Wilson Park. A pot luck supper was served, and a program and business session were held.

Mary Ann Smith led the program, "Healing All Manner of Diseases." Those taking part were Wilma Cherry, Betty Raina, Janette Warnhoff, Jo Marie Cook and the leader, Mrs. Melva Roberts. It was decided to contribute to the building fund of the Bond Road Baptist Church.

HOME FROM VACATION

Mr. and Mrs. Bert Hamshak, 2210 Missouri avenue, returned Sunday from a vacation trip to Denver, Colo.; Yellowstone National Park; Oak Harbor, Wash., where they visited their son-in-law and daughter, Mr. and Mrs. Richard Rogers; and Vancouver, British Columbia. Their return trip included Salt Lake City, Utah.

Lloyd Spencer, Primary Sunbeams met Tuesday at Second Baptist Church to study "Sharing" and to hear a Bible story by Mrs. Betty Lewis. Handicraft was held, and plans were made to meet at 4 p.m. next Tuesday and journey to the Lincoln Place Good Will Center, where they will meet other Sunbeams and leaders.

Singing was held, and closing prayer was offered by Mrs. Julia Benson. Those present were Susan Anderson, Donna Mills, Danny Penrod, Stephen Krause, Mike Beulman, Patty Graham, Mary and Oscar Tooley and a visitor, Nicki Tooley.

Mrs. Paul Wood Jr. and daughters, Debra and Theresa, Carthage, Mo., are visiting at the home of her parents, Mr. and Mrs. Ernest Biggs, with friends and other relatives.

Mrs. Annie Marcus of Paducah, Ky., is visiting her sons and other relatives.

Mr. and Mrs. Clifford Stephens, 2115 Illinois avenue, were in the Murphyboro, Ill., this week due to the death of Mrs. Stephens' uncle, Elmo Atkins.

Mrs. Ann Marie of Paducah, Ky., is visiting her sons and other relatives.

Mr. and Mrs. D. C. Earnhardt and daughters, Donna and Lana, 2456 Delmar avenue, and Jo Ann Fossick returned Sunday evening from a two-week vacation trip during which they visited friends and relatives in Livingston, Beaumont and Galveston, Tex.

Mr. and Mrs. Thomas Wilson and Billy Rutledge, McKenzie, Tenn., left Tuesday after a five-day visit with nieces and nephews and with Mr. and Mrs. Paul Rutledge.

Mr. and Mrs. Clifford Stephens, 2115 Illinois avenue, were in the Murphyboro, Ill., this week due to the death of Mrs. Stephens' uncle, Elmo Atkins.

BREAKFAST FOR GIRLS AUXILIARIES

Intermediate and Junior Girls Auxiliaries of Second Baptist Church were guests at a breakfast Tuesday morning at the home of Mrs. Evelyn Smith, 2613 Cayuga street.

Present were Bonnie Finnell, Carolyn Bellman, Karen Farley, Judy Adams, Evelyn Barnes, Phyllis Smith, Charlotte and Becky Davis, the counselors. Mrs. Mae Betts, Mrs. Dorothy Barnes, Mrs. Louise Mitchell and Mrs. Maxine Smith, and two guests, Mrs. Myra Grote and Mrs. Luverne Finnell, Prayer was offered by Mrs. Finnell.

The wedding took place at Waterloo, Ill., July 30, with the county judge officiating.

Mrs. Pat Waldo, 520 Fleming avenue, entertained with a miscellaneous shower honoring the new bride on Tuesday, when approximately 30 guests were present.

The bride and groom will make their home in Granite City.

PASTOR ON VACATION

Rev. and Mrs. John DiGiacomo and daughter, Debby, of the Mitchell Presbyterian Church left Sunday for Independence, Mo., where they will be guests of Mrs. DiGiacomo's mother for the month of August. During the pastor's absence, the pulpit will be filled by guest ministers and elders of the church.

HOME FROM FLORIDA

Mr. and Mrs. Dale Spicer returned Sunday from Cypress Springs and Clearwater, Fla., where they were on a week's vacation.

Mrs. Emil Ross left by plane Sunday for New York to visit her daughter, Mrs. Betty Spindel.

Mrs. Linda Ross and her husband, Airman 1/c George Ross, have returned here from Del Rio, Tex. Mrs. Ross is making her home with Mr. and Mrs. Emil Ross. Airman Ross has left for Formosa, where he will be on duty for 15 months with Military Air Transport Service.

Another son of Mr. and Mrs. Emil Ross, Donald Ross, has left for Hawaii, where he has re-enlisted in the army and will spend three years.

Miss Janice Corey left Sunday for Tulsa, Okla., to visit her brother-in-law and sister, Mr. and Mrs. Bill Schloss, who are announcing the birth of a daughter, July 25. The baby, who weighed five pounds, two ounces, has been named Beth Ann. The Schlosses are formerly of Mitchell and have two other girls.

Mrs. Myrtle LaRose, Charles Beldin and Jerry, Terry and Judy Richardson are home after visiting relatives at Trenton, Mich., and sightseeing in Canada. En route to the trip to Michigan, Charles Beldin and his twin nephews, Jerry and Terry Richardson, visited relatives at Frank, Lexington and Louisville, Ky.

Thomas Shoemaker returned home Sunday from Murray, Ky., where he had been visiting his grandmother.

HERE FROM HAWAII

Mr. and Mrs. Ralph Cooper of 27th street have as guest Mrs. Cooper's brother, Fred Acado, from the island of Maui, Hawaii.

Mr. and Mrs. Robert Andrew, 2412 Center street, visited over the weekend with Mr. and Mrs. Louis Gehler of Chicago. Mrs. Gehler has just been released from the hospital.

RETURN FROM TEXAS

Mr. and Mrs. D. C. Earnhardt and daughters, Donna and Lana, 2456 Delmar avenue, and Jo Ann Fossick returned Sunday evening from a two-week vacation trip during which they visited friends and relatives in Livingston, Beaumont and Galveston, Tex.

Mr. and Mrs. Thomas Wilson and Billy Rutledge, McKenzie, Tenn., left Tuesday after a five-day visit with nieces and nephews and with Mr. and Mrs. Paul Rutledge.

Mr. and Mrs. Clifford Stephens, 2115 Illinois avenue, were in the Murphyboro, Ill., this week due to the death of Mrs. Stephens' uncle, Elmo Atkins.

Mrs. Ann Marie of Paducah, Ky., is visiting her sons and other relatives.

The FORUM

OPPOSES COUNTY HEALTH DEPARTMENT

To the Forum of the Granite City Press-Record:

Again a little bird has been dropping some printed matter right into my front yard. Why do the birds pick my front yard for such matter, has no reason to be sure. This time the matter is in the form of a printed copy of the minutes of a meeting of the Madison County Public Health Council (whatever that is).

Now, to be frank from the start, we are not so much against a public health clinic as we are against the way it is financed. Why has the property owner again to foot the bill for other people's health may we ask? We are refused, not from a flourishing business from which we draw dividends, but from the mill. We worked hard all our life even built our own home on which every bit of material was raised before we assembled it by the sweat of our brow, after a hard, hot day in the mill.

We pay today again taxes on this our so-called property (the fruit of thrift and hard labor) way in excess of our capacity. Why does the state want to add to this burden by levying another .05 per cent on the dollar of assessed valuation? The Forum Bill is called "Socialism" in some quarters, what is this health bill proposition, may we ask? The beginning of a new levee board? It too started as a sanitary project, you remember? We are sick and tired of hearing political boards and councils with our hard earned tax money. Let us put a stop to these leeches by voting "No" on any proposition for which the property owner has to foot the bill and is refused benefit derived from the enactment of such bills into law just because he owns the roof above his head.

Shall Madison county establish and maintain a health department and levy therefor in excess of the statutory limit, an additional tax of not to exceed .05 per cent on the dollar?

JOSEPH KEUENHOFF

Editor "The Forum"

Granite City Press-Record

Granite City, Ill.

Dear Neighbor:

Do you have low ebbs of spiritual experiences? Do you feel on a high plane one day and the next day you are down in the dumps in the valleys of indecision? Are there times when you feel very uncertain about yourself? Bulah and I were thinking about these various experiences of the spirit. It is strange... but we all have these experiences one time or another.

A few days ago while visiting a friend our discussion took a certain turn. Faith was spoken about. Suddenly our friend said: "There are times when I feel very low spiritually. I am not like you. You seem to have a strong faith. You seem to find the answers to life's problems. Discouragement doesn't seem to affect you."

Then we began to think. How incorrect was our friend's thinking. We are not perfect in our spiritual experiences. We do have our ups and downs. There are moments when we feel very uncertain and full of doubt. Well, who doesn't? We would not be living in this human world of reality if it were not so. Our spiritual endeavor does not give us an edge or priority on God's infinite grace. They are for all. There is one thing that we know. We depend upon God. We realize that God is a Living Reality. We realize that if God is with us no one can be against us. We accept His will for our lives.

They are here—those delicious, ripe tomatoes fresh from the vines. Eat them, can them, juice them—while they are at their flavorful best.

Locally Grown Tomatoes—Superb

There's nothing like our own locally grown tomatoes. Take advantage of the season's supply, which is reported to be normal. Mostly, you'll find the fruit to be meaty and heavy, evenly ripened, free of growth defects and as you'd expect, full of that true vine-ripened flavor!

Peel Tomatoes to Look Picture Pretty

Ever wish you could peel tomatoes that look picture pretty? Try these methods. Dip them into boiling water for 1-1 minute, until skin cracks. Quickly transfer to cold water to chill. Then peel. Alternate methods are to sink the skin of the tomato with the dull edge of a knife blade until skin is loosened; or to run a fork into tomato and rotate it over heat of a cooking unit until the skin is tight and shiny. Chill at once in cold water and peel.

Readers are invited to contribute to this forum. Name and address are necessary for such communications but identity of author will not be revealed if anonymity is requested. Letters should be 250 words or less.

We believe that in Christ He is able to do us all that we desire to His Will. Anyone can have this feeling. It is not just for the few.

Accept God in Christ as a Living Reality. Put your trust and faith in Him. He is able to do all things... if they are in His Will... even though they may be dark to you, for a good purpose. Evil will never defeat the plans of God. This is meeting God. This is knowing Him. This is trusting Him. This is life's reality. One Apostle said—"I know Whom I have believed and am persuaded that He is able to keep that which I have committed unto Him against that day." May we find your strength and peace in Him.

Rev. John N. DiGiacomo, D.D.

ADMIRER STAND TAKEN BY MRS. BETINEC

In regards to Mrs. Betinec's stand she has taken in our city government, I hope she is rewarded for the others have no conscience and you have. I have been reading in the Press of what is taking place all the time. So through this article cannot afford to cast it aside without letting you know how I appreciate that we have an alderman that will not be pushed around by one man and we would be a lot better off if we had more like you. I notice that any projects brought up he wants his own Engineers and he wants this and he wants that and he gets his way. Why? Are they afraid to speak up. I remember reading in the Press-Record that the Mayor said that he would not let Chicago paving project go through. So what has he done about it. Why can't the Mayor call a point of order and get this man down and debate on proposition instead of letting him run off at the mouth and have his own way. You know this kind of thing is going to work out some day and I think Mrs. Gabrielle Betinec has started the ball a rolling. Mr. Alderman Nomm has committed himself why he is an alderman of the fifth ward with his own selfish ideas and to get more votes. They don't realize every time he does one little favor for them that he expects ten times greater and when we have people in office like that the poor people have a harder time meeting their taxes.

I appreciate you publishing this letter for Mrs. Betinec and the people. I remain Mr. Norman Mott, 2421 Benton St. G.C.

READER SAYS HE AGREES WITH MRS. BETINEC

"Viva Betinec." A more perfect description of "Boss Nomm" could not be printed. I am 100% in agreement with her. It is high time someone on the council put a wrench in the works of Nomm's Little Caesar tactics. It seems to me that Alderman Nomm is adding fuel to the fire with his statement "I have a lot of relatives in her ward and it was my biggest mistake to help her get elected." Under the present system of government, it is our privilege to vote as we please and for whom we please, not as we are told by a relative or by anyone else who has a personal reason for trying to sway our vote to his liking.

His "vote winning write ups" give me the impression that he, not Mrs. Betinec, is the publicity hound. If he isn't careful, that "powder puff punch" could easily develop into a "Sunday punch."

HAROLD TAYLOR, 2864 Washington.

Granite City PRESS-RECORD Page 18 Thurs., Aug. 4, 1960

LEGION 307 UNIT EXPRESSES THANKS

To the forum of the Granite City Press-Record.

Dear Sir:

I would like to take this time to thank you for the publicity that we have received from you for our Unit and Past president's party club.

Publicity Chairman of the Venice-Madison Unit #307 and Parley Dorothy Bergrag, Chairman.

THE WINNER Move forward—progress has always been able to demand and get its own price.

The driver who insists on getting the right of way sometimes finds it is the wrong way.

THE BIG PUSH

There is some good in everything—the wolf at the door often starts a guy climbing.

IVC Reports On Status Of Korean Bonuses

Joseph D. Wetton, secretary of the local office of the Illinois Veterans' Commission, announced today the following compensation report for the period ending July 31, regarding the state of Illinois Korean bonus: Claims received from living veterans numbered 57,354. Claims filed by veteran beneficiaries amounted to 2564. Claims that were typed and indexed from living veterans totaled 65,200. The commission has processed 58,200 claims from veterans and 2500 claims from veteran beneficiaries. Wetton added that all claims have been acknowledged, but that persons who have filed irregular claims below the 41,000 number have been requested to supply additional evidence. He concluded by saying that all regular claims should be paid by late fall of this year.

Wetton's office is in the city council room in the city hall in Granite City.

Building Permits. In GC During July Total \$418,678

A value of \$418,678 was placed on new construction in Granite City during July, according to City Building Inspector Earl H. Housh and City Clerk A. L. Stevens.

During the month, 69 construction permits were issued including 15 for new homes valued at \$234,000; 32 for home improvements amounting to \$32,383; a new church to cost \$40,000; five commercial and industrial projects valued at \$88,279 and 14 for garages and carports totaling \$13,237.

The July \$418,678 value shows a drop of \$157,000 from the construction total in June when 20

permits were issued for new homes. In July 1959, the value on new construction was placed at \$570,000.

In the last week of July, 14 permits were issued with a total value of \$63,919, including three new dwellings to cost \$51,000. The new homes are being built by Edw. Hoffman, a \$20,000 masonry dwelling with five rooms 1 1/2 bath at 3237 Colgate avenue in Lunders Park Estates subdivision; Joseph Kamblich, a \$21,000 brick veneer with six rooms, 1 1/2 bath at 3233 Colgate avenue; and E. A. Vencho, a \$10,000 home at 2571 Waterman avenue with six rooms.

Also in the last week, six persons were given permission for improvement projects valued at \$7,700. They were R. L. Edwards, \$6350 to add a room and dig a full basement at 3024 Iowa street; Mrs. H.C. Schroeder, \$400 for repairs and remodeling

at 1927 Edison avenue; W. L. Summers, \$300 for porch repair at 2622 Iowa street; Robert Dougherty, \$250 for porch repairs at 2733 Warren avenue; Delbert Lampher, \$250 for garage repairs at 2202 East 25th street; and Edward Meng, \$150 for porch repairs at 2624 Madison avenue.

Permits for garages and carports were obtained by R. Kent Gracey for a \$1000 brick veneer garage at 2586 Spalding avenue; E. Bacon, \$2344 for a garage at 2044 Faith avenue; P. Hartman, \$675 for a carport at 1709 Bremen avenue; Alex. Blason, \$550 for a carport at 1836 Bremen avenue; and Alvin Huber, \$550 for a garage at 2440 Wilson avenue.

Stephen Foster, composer of "Swanee River" and "My Old Kentucky Home," died in New York City at the age of 38.

GL. 2-3389

MRS. FEURKA HOSTESS

Mrs. Mary Feurka entertained the Oye 21 club in her home, 1405 West Pontoon road, Monday afternoon.

After a dessert luncheon was served by the hostess, games were played, with Mrs. Mary Doran and Mrs. Kathleen Hohl winning the prizes on identical scores.

Other members attending the meeting were Mrs. Florence Borders, Mrs. Penn Shookman, Mrs. Dorothy Rutan, Mrs. Leon Johnson, Mrs. Jean Hamilton and a guest, Mrs. Mary Jean Nolan.

FAMILY GATHERING

Miss Mary Ann Ray and Miss Carolyn Bandy of Sullivan, Mo., returned home Monday after spending the past week visiting Mr. and Mrs. Sherman Bandy, 1640 Venice avenue. He is the brother of Mary Ann and cousin of Carolyn. Miss Bandy's parents, Mr. and Mrs. Fred Bandy, arrived here and spent the weekend with the Rays. Mrs. Charlesetta Petty of St. Louis also was a visitor here.

They celebrated the family gathering with a fish fry in the Ray yard Sunday. The fish were the catch of Ray on his recent vacation in Sullivan.

Miss Carol Widdows, daughter of Mr. and Mrs. Wilford Widdows, 4017 Braden avenue, entered St. Elizabeth Hospital Monday for tests and observation.

Charge Placed Against Motorist In Crash

A charge of following too closely was placed against Larry Tippet, 22 of the 574th Engineer Co., Granite City Engineer Depot, after an accident about 1:15 a. m. today on Nameoki road at Victory drive. He was freed upon posting his driver's license as bond.

Police said Tippet was traveling east on Nameoki road and crashed into the rear of an eastbound station wagon operated by Nevada A. Griffin, 33, of 5021 Lewis road. No injuries were reported. The crash occurred as the station wagon slowed down.

Maintenance Work Big Business In School System

Everything from patching holes in painting the flag poles at half of the 20 Granite City district schools were included in school maintenance work performed during May and June, a report released today reveals.

Senior high school had by far the largest list of repairs during the period, with 21 items showing on the report. Least repairs of all were to the new Maryville road school, which only required that broken window glass be replaced.

At the senior high school the maintenance staff repaired outside doors and stopped leaks in the music department roof; fastened apparatus floor plates in girls' gym; stopped leaks in cafeteria gas pipe and water pipe above library; set up stage for graduation; soldered patch to tank wiring; plugged storm water inlet in auditorium; repaired pump switch; dismantled disposal to remove stopper; mounted speakers in vocal room; installed trap on projection booth door; repaired piano leg; provided sawdust for pole vault pit; widened track; refinished three air-conditioners; painted machine shop and classroom, wash room, kitchen ceiling, pipe oven, stove canopy, locker room, classroom, signs, equipment box and peg racks; installed five window glasses.

Niedringhaus school—Repaired ceiling tile and chain at driveway; replaced one broken window and door checks at gymnasium.

Coolidge Junior high school—Coolidge Junior high school repaired drain on kitchen sink; replaced four broken window glasses; eliminated short in exhaust fan wiring; made storage box for baseball equipment; repaired and adjusted locks on four exterior doors.

Wilson avenue school—Replaced three broken window panes and installed plastic tile at three sinks.

Frohhardt school—Installed insulation on breeching; repaired main steam valve and valve on drinking fountain; repaired and rebuilt tile partitions; arranged remote control on valves.

Nameoki school—Repaired roof leaks; cleaned downspouts; installed fluorescent lighting; tightened wash basins and patched plaster; repaired tile and baseboard; repaired door latch; installed mat hangers in gymnasium; eliminated short in refrigerator wiring; installed new louvers for exhaust fans; rearranged and braced piping; replaced three broken window glasses.

Maryville road school—Replaced broken window glass.

Mitchell School—Cleaned up to improve drainage; installed two used basketball goals in yard; eliminated vibration in gym exhaust fan; made access door in gym heaters and cleaned chambers; repaired leaks in piping; repaired stairway to storage area; repaired front door and closer, leaks in roof, and slack safety control on oil burner; marked 150 chairs with sten-

cil.

Stallings school—Renewed piping and repaired drain; installed guard rail at outside stairs; installed new fuse holder and switch parts; replaced broken sash cords; installed brackets to place window pane and sash in dwelling broken by ball in regular play; and replaced four broken school windows.

East 23rd street school—Replaced broken window pane; installed tack board.

Marshall school—Installed new sash in spray mechanism in kitchen sink; repaired latch on deep freezer; repaired door at office and locks on two exterior

Granite City PRESS-RECORD Thurs., Aug. 4, 1960 Page 19

ROCA SWEETHEART, Miss Joyce Evans, whose recital as "Summer Sweetheart of 1960" was announced this week by the Granite City Roca Club. She is the daughter of Mr. and Mrs. Charles F. Evans, 213 Briarcliff, Miss Evans, 17, was graduated in June from Granite City high school, where she participated in numerous activities including Pep club, May Day and Student Council.

doors; repaired roof of west kindergarten and leak in roof of old building; replaced eight broken window panes.

Webster school—Installed two-inch water line; moved radiator from first to second floor; provided drinking fountain at kindergarten sink; installed screen over ash pit; relaid top four feet of chimney; and installed reinforced concrete cap.

McKinley school—Repaired hand rail hanger, three window guards and leaks in boxed gutters; installed receptacle in basement; and replaced broken window glass.

Central junior high—Reamed out sewer twice; installed two ballasts in fluorescent lights.

Emerson school—Installed barred wire to keep boys off low roof; repaired oil leak at burner; repaired four drinking fountains; installed two additional lights in book room and relocated shelving; installed fluorescent lighting and electric outlet in speech correction room; repaired outside door; and replaced broken window glasses.

Washington school—Repaired screen fence; repaired roof leaks, gutters and downspouts; made boiler piping more accessible; repaired and replaced basketball goals; installed hardboard on wall at drinking fountains; installed new ferrule and plug for floor drain; replaced nine broken window glasses.

Logan annex—Welded leg on door; made and installed bulletin boards at both locker rooms; painted walls of three rooms; home economics, sewing, kitchen, drafting, library, arts and crafts, lounge, band, vocal, study, reception and office rooms.

Flag poles were painted at ten of the schools.

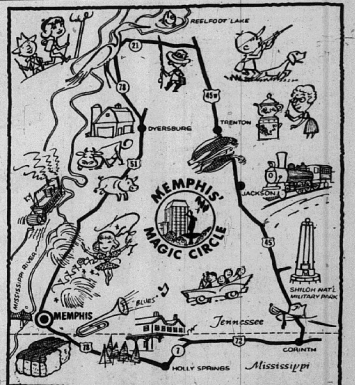

SNAP JUDGMENT
Too many people are guided by the leaps of impulse, rather than the bounds of reason.

By Edward Collier
The destiny of Mississippi has been tied to the Mississippi since the Spanish explorer De Soto arrived in 1541. And cotton, basic to the city's prosperity, long has been its king. Mississippi is paid daily at the Cotton Exchange, where one third of America's crop is sold, and annually with the heavy and glittering Cotton Carnival.

City highlights include Beale Street, immortalized in song by W. C. Handy, "Father of the Blues," who also wrote "St. Louis Blues"; the Memphis Museum, which houses the world's largest river steamer; and a cruise on the old river sternwheeler.

The Magic Circle auto trip crosses into Mississippi to Holly Springs, proud of such auto-bellies as Grey Gables; then back into Tennessee to Shiloh National Military Park, scene of a decisive and bloody Civil War battle; Jackson, Tenn., the home of Casey Jones, dauntless railroad engineer and hero of folk songs, has been preserved. A duplicate of his engine, the Cannonball, sits in the yard.

Other trip highlights: the rare collection of "night-light-capota" in Trenton; and Redfoot Lake, formed by earthquakes in 1811, now a famed fisherman's paradise and refuge for the snowy American egret.

Farm Column

By TRUMAN W. MAY

Hay crushing machines slashed field curing time in half in three tests by University of Illinois agricultural engineers this spring and summer.

A hay crusher on the farm of Albert Klumb of Foster township has reduced hay curing time as much as a full day, his son, Bill Klumb, reports. This is certainly an advantage in rainy seasons.

In the first test at the University average about 75% moisture when it was cut at 9:00 a.m. By 2:00 p.m. the next day, untreated hay was still wet, testing 29.7 percent moisture. Hay crushed with smooth roll, corrugated roll and combination smooth and corrugated roll crushing machines contained only about 10 percent moisture.

In the next two tests, crushed hay was ready for baling the same day it was cut. At 9 a.m. in the field it averaged around 68% moisture. At 5 p.m., uncrushed hay tested over 20%. Crushed hay tested less than 20% and was ready to bale.

K. A. Kendall, U. of I. dairy scientist, explains that fast curing isn't the only advantage of crushing hay. It can save up to 10% more hay by preventing loss of leaves and small stems caused by extra drying and handling after rains.

Crushing also saves carotene for Vitamin A, since hay is exposed to sun and rain for a shorter time. In addition, rapid curing saves protein that otherwise could be lost in shattered leaves.

Hay crushers crack stems lengthwise and reduce them to the equivalent of several smaller ones. The process opens up the moist inner parts of the stems, bringing them into more direct contact with the air. As a result, the stems dry almost as fast as the leaves.

Heavy infestation of corn borers was found last week in two corn fields in the northwestern part of the county. In Foster and Wood River townships.

Many other fields are probably infested, and all farmers are urged to watch their corn closely for the borers. The insects can do great damage to the corn crop if they are not controlled promptly, and they will rapidly increase during the delay in field operations, caused by the wet weather.

Widespread infestation of corn borers have never occurred in this area, in field corn, although sweet corn growers in northwestern Madison county have sprayed regularly to control them for many years.

To determine the need for treatment, examine 50 to 100 plants for signs of borer feeding on the whorl leaves. If 60 percent or more of the plants show recent whorl feeding, spraying is probably advisable. Treatment after borers have drilled into the stalk proper will not be effective.

DDT is still the insecticide most commonly used for corn acre as a spray or 1/4 to 1 pound per acre as granules. When spraying, arrange two or three nozzles over the row to cover the upper one-third of the plants, particularly the whorl.

Other insecticides approved for use against corn borer include endrin and toxaphene. Emulsions of these insecticides in oil or stover of corn treated with DDT or toxaphene should not be fed to dairy cattle. Emulsion may be used in this case, provided label restrictions are followed.

Farmers having difficulty in deciding whether to spray for the corn borers are invited to notify the farm adviser's office. Fields will be examined promptly and assistance given in planning treatment if needed.

The ten highest producing herds for May in the Madison county dairy herd improvement association, based on average butterfat production per cow, as computed at the University of Illinois from the testers' reports, were owned by Andrew Roth, Norman E. Henke, Arthur Braundmeier, Walter Sievers, Harold Klenke, Waldo Keilbach, Clarence Sievers, Glenn Meffert, Martin Linsenbaker, Vernon Warnecke and Rudy Kuttin. The last two herds tied for tenth.

The Roth herd of 99 Holstein cows averaged 122 lbs. of butterfat and 41.3 lbs. of milk per cow per day for the month.

Much of the winter barley has been difficult to harvest because rains and winds caused it to lodge badly. Some was severely damaged by hail. In more favorable years winter barley produces lots of good feed, especially for hogs and dairy cattle.

A variety plot grown by Robert Johnson of Moro township included the Dayton, Hudson, Kembar, Missouri B47 varieties. It was not practical to harvest them separately for yields. All four have yielded well here in previous tests.

The Newton variety of spring oats is now being widely grown in the state. It has had a good yield record for several years. It usually stands better than other varieties, being somewhat shorter than Clinton. It has a plump kernel, with a relatively thick hull.

An unusually good field of Newton oats was grown this year by Oscar Stuss of Alhambra on the Mrs. Edna Mindrup farm. The seed was certified by the Illinois Crop Improvement Association.

INSTALLATION TOURS FOR HOME BUREAU UNITS
The three local Home Bureau units, Isabel Bevier, Trio and Granite City, which are the Southwest district, enjoyed three tours, a luncheon and the installation of unit officers Tuesday in Highland.

Leaving Tuesday morning from St. John United Church of Christ, the members motored to Highland and first toured the Imperial Clock Works, where Mrs. Martha Kohler explained the process of making clocks. The factory makes figurine, kitchen, decoration, miniature grandfather, modern and authentic grandfather and religious clocks, with or without chimes.

Afterward, some of the members visited a restaurant for lunch, and others went to Linden Park for a picnic lunch. All gathered at the park for installation of unit officers.

Mrs. Alma Beckman, immediate past chairman of the district, installed Mrs. Irene Dineen as Mrs. Pellet as chairman and secretary for the Isabel Bevier unit; Mrs. Constance Hill and Mrs. Letitia Stuydhar for the Granite City unit; and Mrs. Shirley Schullinger and Mrs. Jerry Short for the Trio unit. Mrs. Pellet was on vacation, and Mrs. Angie Brown accepted the vows of office for her.

Vyvyne Dubbin, explained to the organization the tentative plans made by a committee for a party to be held in September. She announced that a meeting will be held for the committee on Aug. 15 in the home of Mrs. Myrtle Hickman, 45 Terrace lane.

A tour of the Wicks Organ Factory followed the installation ceremonies, with the group being divided into three separate tours conducted by Mrs. Ethel Leitschuh, Mrs. Frieda Heinze and Harrison Heth, who gave an impromptu recital.

A tour of the Embroidery Factory, which is close to the summer months, followed. There the group learned that the embroidery machines used in the needles working at one time, and the women who operate them thread the needles without stopping the machine.

Those in attendance for the tours and installation were Mrs. Brown, Mrs. Dawes and daughter, Brenda, Mrs. Bernice Speick, Mrs. Mary Ann Speick of Marine, Mrs. Sandy Weber of Cedar Rapids, Ia., Mrs. Hill and daughter, Cathy, Mrs. Virginia Davis, Mrs. Beckman, Mrs. Leoanna Hawley, Mrs. Alice Kalert, Mrs. Susan Rochester, Mrs. Stuydhar, Mrs. Mary Lu Allen, Mrs. Eileen Miller, Mrs. Betty Holt and son, Craig, Mrs. Estelle Rekowski and sons, Bill and John, Mrs. Norma and daughter, Dora, Mrs. Peggy Hackney, Mrs. Mary Krizan, Mrs. Evelyn Gutty, Mrs. Alfred Gretzschel, Mrs. Clara Schullinger, Mrs. Shirley Schullinger and children, Donna and David, Mrs. Lorraine Highlander, Mrs. June Marcum and daughter, Mrs. Edna Buenger, Mrs. Florence Hagg and son, Lenny, Mrs. Short and son, Roger, Mrs. Mary Alice Wise and son, Mickey, Mrs. Luan Lux and son, Jerry, Mrs. Ida Hanfelder and Mrs. Durbin.

New VA Regulations For Vets' Pensions

Veterans 65 and older will find procedures to establish disability for pension purposes much simpler under new Veterans Administration regulations announced this week.

Robert M. Fitzgerald, acting manager of VA's Regional Office in Chicago, said today that VA is no longer required to examine veterans 65 and older who submit adequate medical statements from private physicians.

Even in cases of younger veterans who are bed-bound or unable to travel because of serious illness, VA may now rate the claim on the basis of a private physician's statement if it is sufficiently complete and conforms to accepted medical procedures with necessary X-ray and laboratory reports.

To be eligible for this non-service connected pension, a veteran must have the required wartime service, and must be totally and permanently disabled, or partially disabled to the point of unemployability. A disability rate as low as 10% may be considered as precluding employment of men 65 and older.

Fitzgerald pointed out that the new regulations will greatly facilitate VA's processing of pension claims. Hereafter it has been necessary to schedule examinations for all pension applicants in VA Outpatient Clinics either in Chicago or in St. Louis.

Filters Needed In Most TV Interference Cases

In most cases of interference with television reception, it is necessary to install a high-pass filter in the antenna leads to the receiver. It was pointed out today by the Egyptian Radio club, an affiliate of the American Radio Relay League. The club, which has been reporting from time to time, sometimes being attributed to operation of "ham" radio sets.

Qualified TV servicers are trained in installing such filters, the club reported. While the policy is up to each TV manufacturer, most of the manufacturers supply the filters free of charge upon written request directed to them by a set owner who is encountering interference. It is explained.

"The only way in which a television receiver can function well is to have a strong TV signal such as is possible where you have a local station, or a high antenna with high gain," the club noted. "The high-pass filter is recommended as a boon to reduction of several types of interference of possible interference. It is often no fault of FCC-licensed transmitting stations, police, amateurs, etc., that pick up their signals; it may be the wide-open design of the TV receiver that lets in stations nearby that are working on other channels. The filter usually can help this."

"Television transmission and reception is relatively new. Like other technical equipment, a TV receiver is subject to its own limitations as well as fine possibilities. To get the most from your receiver, you must understand its limitations."

"(1) The installation of a good antenna, (2) in case of a weak signal, the installation of a booster and (3) the use of an electrical filter are all recommended to reduce the chances of picking up unwanted interference."

And the nature of the very high frequencies on which TV stations operate is such that line-of-sight is generally required between the transmitter and receiver. Best reception will be obtained with a high reception point, such as a roof antenna. You cannot live in a fringe area, in a low-lying section surrounded by screening hills, and expect to get good reception.

To get the best possible picture, the inherent design of TV set requires that it be "wide open" in the first electrical stages to receive the transmission. Because of this, it is also subject to interference. Nearly all electrical equipment, household and otherwise, may cause problems.

"Some of the common types of interference are spark ignition from autos and motors, diathermy from medical offices, police, taxicabs and commercial, amateur and broadcast radio stations." The club notes that the term "amateur" means only that the operator is unpaid; he is usually an experienced operator and his activities are regulated by the area FCC committee associated with the club.

"The important thing to do first is to find what is causing the trouble. Your serviceman should be able to locate it. Also, amateur radio operators are familiar with types of interference and will be willing to help. Usually it is necessary to install a filter in the TV antenna leads; these filters are inexpensive and have proved effective in reducing the effects of all sorts of electrical noise."

"Amateurs, professional men and engineers are glad to cooperate in any tests to identify the sources of interference or to suggest proper corrective measures," the right filter for a given kind of trouble, or to determine if the case requires harmonic reduction in a transmitter. Responsibility for improving selectivity of one's receiving installation and antenna for directivity and strong TV signal is, of course, one's own."

BOOSTER
Education will not solve all your problems, but it certainly will work wonders.

COUPLES CLUB MEETS

The St. John Lutheran Church, St. Clair and Dale avenues, Married Couples club met Sunday in the fellowship hall at the church. Hosts of the month were Mr. and Mrs. O. T. Poter, Mr. and Mrs. Edward Steele, Mr. and Mrs. Paul Povorny.

Mr. and Mrs. Charles Poole were welcomed as new members and a treasure hunt, which included a tour of all flag poles in Granite City was held. A discussion was held on Wilson Park area law enforcement.

Barbecued chicken, shishkabob and corn on the cob were part of the menu served. Rev. Samuel Boda closed the meeting with readings from the Bible.

CELEBRATE BIRTHDAY

The sixth birthday of Maylene Tolbert, daughter of Mr. and Mrs. James Tolbert, 2913 National avenue, was celebrated with a party in the Tolbert home Monday.

Games were enjoyed, and each child was presented with a horn and candy. Cake, ice cream and soft drinks were served to Patricia Wallace, Donna and Vickie Kating, Susan Hackney, Nancy Edwards, Sandra Jones, John Tolbert, brother of the honoree, and Mrs. Betty Hackney.

The honoree was the recipient of many gifts.

Twelve young people from St. John Lutheran Church enjoyed a Christian fellowship meeting at Camp Clara near Springfield, Ill., during the weekend. Spiritual counselors were Vic Ronald Jackson of Concordia Church and Prof. Arlin Ehlen of Concordia Seminary.

Gene Potter will spend the rest of the week in youth leadership training on a scholarship from the St. John church.

HONORED AT SHOWER

Mrs. Dorothy Legate was complimented with a pink and blue shower Monday, given in the home of Mrs. Myrtle Lynn, 2913 National street, with Mrs. Virginia Rainwater and Mrs. Fay Hamilton as co-hostesses.

Games were enjoyed and prizes were awarded to Mesdames Leona Minceymer, "Diana Chastota," Barbara Hesseldeux and Kay Niles.

Refreshments were served to the prize winners and Mrs. Karen Grobosky, Mesdames Elaine Bonn, Peggy Moerlein, Pauline Legate, Orlan Kirkpatrick, Phyllis Mezo, Pauline Caffrey, Marjorie Lucas, Marie West, Olivia Kelly and Ann Hamilton. The honoree was the recipient of many gifts.

HOSTESS TO CIRCLE

The Helen Lambert Circle of Calvary Baptist Church met in the home of Mrs. Ruth Hancock, 2801 Garatoga avenue, Tuesday evening for a regular meeting.

The introduction was given by Mrs. Hancock, and the program was entitled "Sharing Possessions." Seasonal prayer closed the program.

The business meeting was opened with reports by Mrs. Beverly Jones. Plans were made for the circle to visit the Edwardsville sanatorium for its community mission project this month.

Others taking part were Mrs. Dorothy Miller and Mrs. Helen Hubble. The closing prayer was offered by Mrs. Jones. The next meeting will be in the home of Mrs. Miller, 2740 Birch avenue, Sept. 6.

Mr. and Mrs. Bob Jones, 2901 National avenue, their children, Kelley and Kim, and Mike Bradford spent the weekend in Pinckneyville, Ill., visiting Jones' parents, Mr. and Mrs. Roy Jones, and Jones' brother and sister-in-law, Mr. and Mrs. Richard Magorkub.

"And With This Ring" is the title of a film to be shown tonight to all young people of St. John Lutheran Church. The purpose is to enlighten them on Christian courtship and engagement. Parents also will be welcomed.

HOME FROM FLORIDA

Mr. and Mrs. Verble McElroy, 2609 Jorden avenue, and Mr. and Mrs. Roger Bowler and twins, Paul and Paula, of Route One returned over the weekend from a vacation in St. Petersburg, Fla. Much time was spent sightseeing, and among the scenes viewed was Cypress Gardens.

Mr. and Mrs. B. W. Ahrens and children, Patricia, Michael, Nancy and Debra, 2336 Edgewood avenue, spent Sunday in Florissant, Mo., visiting Mrs. Ahrens' brother-in-law and sister, Mr. and Mrs. Lloyd Struthman and children, Terry and Mark.

Den One of Cub Pack 122 of the Wilson avenue school met in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue, Tuesday. "Final arrangements were made for the den to visit a television show in St. Louis next week."

A project of Indian designs for arrow meetings was completed. The meeting closed with the cub promise, and refreshments were served to Mace and Keith Rodgers, Steve and Larry Harris, Mike Mayes and Den Chief Larry Wright.

Mr. and Mrs. Carl White, 2845 Edgewood avenue, and children, Cheryl and Kevin, had as guest until Sunday White's mother, Mrs. Leo White of Maryborough, Glen, Ill.

The Carl White family accompanied her home, and Michael White returned from the company of his grandparents, Mr. and Mrs. William Reiner of Glen, Ill.

Vandals Damage Windows At GC National Bank

A large plate glass window and two smaller windows at teller cages on the 20th street side of the First Granite City National Bank building were damaged by vandals, according to a report received Tuesday morning by Granite City police.

Police said it appeared the windows had been shot with an air rifle on pellet gun.

Problem Being Studied

City Loses Its Sidewalk Liability Insurance

Granite City has an insurance problem.

Its sidewalk liability insurance was canceled last week.

Alderman Paul Rutledge, chairman of the city council Finance committee, presented the report to the aldermen during Monday night's session, asking them to study the problem prior to the next meeting on Aug. 25.

He pointed out that in the past four years the city has paid \$18,820 in premiums, while claims settled against the city resulting from falls amounted to \$29,000.

Six other firms also have refused to provide the city with such insurance, but one will insure the city for an annual premium of \$85.18, as compared

to the \$5140 paid in past years, but only if the firm also receives all of the city's liability insurance on its buildings. The city now has liability insurance for only the new fire station and police patrol range with an annual premium of \$154.

In going over the problem, Rutledge said another firm will provide the city with a \$1000 deductible policy with an annual premium of \$10,000.

He asked council members to give the problem careful study to determine if the city should continue with such insurance at higher premiums. He pointed out the first year the city had the insurance, the annual cost was \$3,400, increasing to \$5,140 the next year and remaining at that figure for three years.

Granite City PRESS-RECORD
Thurs., Aug. 4, 1960 Page 23

MORE ABOUT GC Zoning Changes

(Continued from Page 1)

neighbor?" City Atty. William Beatty asked.

Nemeth replied he knew of instances where neighbors were in agreement for such construction of a carport and the property owner could not proceed because of the zoning restrictions.

"There is always the Zoning Board of Appeals," the attorney pointed out.

The attorney went on to say the community spent \$20,000 for a city planning firm to study the entire city and prepare the zoning code, and he stressed that the sidewalk restrictions and lot size controls were set up by experts. It has been estimated that 90% of the city would be covered by the amendment.

Alderman Arthur Wierzer commented the amendment would pose a tremendous task for the city building inspector in measuring sideyards in blocks where construction permits had been sought for side porches and carports. "Some people like the protection of the zoning code, and we must remember that this would involve the man next door," he added.

Much confusion was predicted by Alderman Casmer Skubish and Alderman Steve Basarich. Fifth Ward, said most of the side yards in Lincoln Place were not over three feet wide. "That five-foot yard is taking too much of the property," he added.

Alderman Donald Partney said he did not believe the amendment was exactly what the council wanted. "In the older sections of the city, lots are but 40 or 55 feet wide, and the people want carports and garages."

Meyer explained the amendment was designed for property owners in the older sections of the city. "I don't know how to do it any better unless you take out the 10-foot regulation between main buildings on lots. We want to change the zoning law to help the people instead of requiring them to pay the \$5 charge to go before the Board of Appeals."

Alderman Rufus LeMaster cited a personal case, saying he owned a 50-foot lot and wanted to put up a home with a 45-foot frontage. "The zoning law says I can't do it. That's my lot and I own it. I pay taxes. I should be able to do what I want and I want to use every foot I can. After all, you just need enough room on the side to get to the garbage can."

Voting in favor of the amendment were Aldermen LeMaster, Meyer, Samuel Whitmer, Mrs. Gabrielle Bettine, Emerald Basarich, Wierzer and Frank Vesce. Opposing it were Aldermen Partney, Schmitt, Paul Rutledge, Nemeth, Skubish, Basarich and Samuel Shackelford. Absent were Aldermen Walter Norn and Robert Gaughan.

For City Manager Plan

Citizens Council Group Plans Education Drive

Clarence R. Henry, newly-elected temporary chairman of the citizens for council manager type government, said today that plans are being readied to hold a series of educational meetings in the near future to advance the cause of the comparatively new type municipal government.

"The group is eventually seeking," he added, "a primary election to select candidates for city council and a run-off election."

If the council manager system is approved by the voters, the winners of the run-off would immediately form a new council, and the incumbent one would be disbanded.

Previously, James P. Worthen, a member of the citizen's committee, said the group had received enough signatures, about 1500, on the circulated petitions to request a referendum vote at this time. However, he went on considering the approximate \$6000 to \$8000 cost of holding a special election, it was decided to continue circulating the signature petitions in order that there could be no doubt as to the desirability of such an election or the interest on the part of more than just a bare minimum of the voters.

Henry, the new chairman, an engineer with the Baltimore & Ohio Railroad operating out of East St. Louis, is no stranger to the city-manager form of government. A resident of Granite City since 1942 at 2151 Washington avenue, he said that his native city, Hoisington, Kansas, voted in the new style government in 1938 after the town of about 6000 consistently, year after year, found itself in the financial red. After the municipal change-over, he noted, smoother functioning of the city government and a financial switch from red to the black side of the ledger.

Henry said that the city-manager, council form of government with its professional trained supervisor was the government for "modern, rapidly expanding communities." He added that the Granite City group had speakers, who on short notice would be available to any interested clubs or other gatherings to explain the method and benefits of having a city manager council group in office.

A regular meeting of the committee will be held next Thursday, at 8 p.m. in the Delmar avenue headquarters.

Decide Friday On Adding Council Confirms To Venice Road Program Two Appointments

Appointments of Edward McGovern to the fire department and Haniel Bailey to the police department were confirmed Monday night by Granite City council members.

The names were submitted by the Board of Fire and Police Commissioners who said the men began their duties on Monday, Aug. 1.

McGovern resides at 2807 East 25th street and qualified for the post during recent examinations. Bailey had resigned from the department last Feb. 15 to move to Phoenix, Ariz., because of illness in his family.

Mayor Davis explained the patrolman was reinstated, following approval by the police pension board and completion of a physical examination.

"When Bailey left the department, he asked me if the city could consider his reinstatement should he move back to Granite City, and I told him we would provide it was within a year and a vacancy existed," the mayor explained.

The vacancy was created in June with the resignation of Patrolman Roger Thomas, who moved to Bowling Green, Ky., to enter the hardware business.

Pvt. Haxton Sent To Germany With Army

Army Pvt. Richard Haxton, 17, son of Mr. and Mrs. Alex Haxton, 529 Chouteau avenue, recently arrived in Germany and is now a member of the 42nd Ordnance Company.

An automotive repairman in the company in Hanau, he entered the Army last December and completed basic training at Fort Leonard Wood, Mo.

Haxton attended Granite City high school.

City Bills, Salaries Total \$56,440

City bills and half-month salaries, totaling \$56,440, were approved Monday night by Granite City council members, including \$35,178 for the payroll.

The only discussion concerned authorization for a \$70 repair bill for the large exhaust fan in the city hall building. The repairman, Del Lampher, said he was told by the city hall janitor of the needed repairs.

Alderman Paul Rutledge pointed out the janitor has no authority to call for repairs and the matter should have been called to the attention of a proper city official, such as the council's City Hall committee chairman. Payment of the bill was approved.

Largest among the bills paid was \$10,641 to A. H. Seebold Co. for repair work on the St. Clair avenue sanitary sewer line break for the period July 21-29. Last week, the repair bill amounted to \$9829 for work carried out July 7-20, for a total of \$20,470.

Other payments included \$147 for maintenance, repairs and fuel for city vehicles and equipment; \$310 for street materials; \$1180 for water service and hydrant rental; \$272 for electricity at city buildings; \$1340 for employee retirement; \$1534 for postage and envelopes; and \$36 paid to Leo Kamadulski for cutting weeds on 19 lots.

Fees and expense allowances included on the bill list were \$50 for Civil Defense Director Victor Koenig and \$30 monthly expense allowances for the following aidmen: Walter Nunn, Cassner Skulish, Mr. S. Gabrielle Betinec and Robert Gaughan and \$60 (two months) for Frank Venci.

EDITORIAL

Good Chance That Cooperating Blood Program Will Become A Reality Here

Widespread support developing for a cooperating blood contribution program gives hope that the program can become a reality in the Quad-Cities.

Hospital blood bank operations have satisfactorily met the needs for which they were designed. Yet the size of the population makes outside help a necessity in the event of a disaster. For that reason it will be good to have Red Cross bloodmobiles visiting this community, and to have a high percentage of the local population with guaranteed blood availability.

Approval of the Tri-City Medical Society and St. Elizabeth Hospital is necessary for the establishment of a cooperating blood program here. Since the proposal will not adversely affect the existing program and will prompt many more Quad-Citizens to give blood than at present, it seems likely that talks between the two parties and the Red Cross can result in a mutually satisfactory agreement.

The AFL-CIO Community Services is actively backing the proposal and has pledged continued efforts to encourage organizations and firms to do their part toward meeting the financial and blood needs. Many details remain to be worked out, but the good start that has been made gives reason to believe that there is an excellent chance of success.

Survey Paved Way For Start Of University Facilities

Illinois this fall will welcome back a man who has done much to advance the cause of higher education in Madison and St. Clair counties. He is Dr. Alonzo Myers, who will teach at Southern Illinois University's Carbondale campus during the fall quarter.

It was Dr. Myers who was engaged in 1956 by the Southwestern Illinois Council for Higher Education to make a comprehensive study of the extent and nature of the need for university facilities in this area. His survey did much to graphically illustrate the great need. It revealed that the percentage of local residents graduating from college was only half that of the state and nation and was the lowest in Illinois.

His study showed that the demand for additional teachers might be so great by 1961 that the two-county area would need to generate a supply of up to two-thirds of the number of new teachers it needs each year. He recommended all possible efforts to set up university facilities. The rest is history, and Dr. Myers will find that most of his recommendations are being carried out.

Two university centers were established, and their enrollments — originally totalling slightly under 2000 — already have doubled. This fall's enrollment seems sure to top the 4000 mark at Alton and East St. Louis. A major campus site in the bluff area east of the Quad-Cities has been chosen, with over 1400 acres already purchased by the university through the contributions of 60,000 persons in the two counties. The campus is undergoing many changes as administrative offices are moved into former residences, and much planning for the initial phases of construction already has been done.

Whether the university bond issue passes in November is uncertain, not because the need is not clear, but because of the rule requiring that half of all the bond issue ballots given out must be favorably voted, rather than a majority of those placed in the ballot box. Each person who fails to vote on the bond issue but does cast a regular ballot in effect will be voting "No" on the university, even if he does not realize he is registering a dissent.

It would be tragic if the referendum were to fail due to apathy. There is no assurance that adequate facilities will be provided here if the proposal fails to carry. Quad-Citizens owe it to themselves and their children to do all they can to assure approval of the university bond issue.

67% Increase In Telephones Here In Past Decade, Distance Dialing In View Next Year

Two current news articles relating to telephones are worthy of attention. In the eight Illinois exchanges served by Southern Bell Telephone Company, permission is being sought to end four-party service effective next June, paving the way for the start of direct distance dialing here later next year.

In its application before the Illinois Commerce Commission, the telephone company cited statistics that serve as a testimonial to the change and growth in this area. The number of residential telephones in Madison and St. Clair counties has increased 67% in the past decade. In that same period, the proportion of four-party users decreased from 54% to 11%.

The company notes that the rapid decline in four-party customers in itself doomed the continuation of such service. With a drop of 3300 last year alone, furnishing of the service has become costlier due to the scattered locations and longer connecting lines. Half of the four-party users are now served on unfilled lines.

The other development is that Illinois Bell is preparing

Fire At Mill Crosswalk

Granite City firemen from the Madison avenue station, were called at 8:15 p. m. Monday to the blast furnace at Granite City Steel Co. to extinguish five or six burning planks in the crosswalk of a gantry crane which caught fire when sparks from slag being dumped flew onto them. Only the planks were damaged.

Mrs. C. E. Eads Wins Two Firsts At Flower Show

Mrs. C. E. Eads, 2821 State street, prominent horticulturist in the Granite City area, won two first place awards this week at the 15th annual gladiolus show of the southwestern chapter of the Illinois Gladiolus Society, held in Edwardsville. In the amateur division she won a championship award with her entry of the smallest floret. Mrs. Eads also took first place in the arrangement class with "baby's arrival."

ing telephones at Edwardsville for a dial system to be placed in use next winter. This is expected to make it easier for local residents attempting to call the county seat, although the two areas will not be directly connected.

Growth of the local telephone system has paralleled the expansion of the community, and the preparations now being made indicate that thought is being given to improved service as well as the continuing growth.

Convalescent Area At Sanatorium For Non-Tuberculosis Patients Proposed

Such a good job has been done in combating tuberculosis that the number of patients at the Madison county Sanatorium has been reduced to 45. This has raised the question of maximum use of the available facilities, and Dr. George Vernon, the superintendent, proposes converting the third floor into a convalescent unit having 38 beds.

He will meet with the Illinois Department of Public Health, hospital bureau to determine what changes would have to be made and to seek a license for operation of a convalescent division. Patients would pay for their care and would be supervised by their family physician under regulations approved by the Madison county medical society and the hospital bureau.

The area would be isolated from the tuberculosis section, which would treat facilities for as many as 60 persons. Receipts would be used to help in operating the sanatorium, which must be continued as long as there is tuberculosis in the county.

The proposal appears to offer a solution for the problem of finances created by the successful fight to reduce prevalence of tuberculosis. It is worthy of serious study by the state agency, the medical society and the county board of supervisors.

Those who look enviously at the lovely flowers in their neighbor's yards can correct their lack by a similar output of time and energy.

Parking, One-Way Traffic Were Problems Even In Ancient Times

It is said that time changes all things, but we're not so sure that this applies to traffic problems.

Ancient Rome had its troubles, too, and used some of the same techniques being tried today. Its narrow streets were not marked for one-way traffic, but the same effect was achieved by sending a runner ahead to hold up traffic at the other end of a street or alley as a chariot approached.

The fringe parking plan used in American cities to relieve downtown parking was used in Rome in the days of Julius Caesar. A traveler coming to Rome had to park his carriage at the city gates and continue into town either on foot or in a carrying chair or litter. Private vehicles were forbidden on city streets from dawn until two hours before dusk.

Traffic officers belonged to a corps originally organized to guard against fires. Most traffic restrictions and regulations were lifted or sundown, but the officers remained available to intervene when two wagon drivers would begin a dispute about the right-of-way.

Women drivers posed no problem. In the third century B. C., a law was passed forbidding women to ride in carriages. The ladies of Rome forced repeal of this law 20 years later, but the restriction was restored during the first century A. D.

Granite City PRESS-RECORD Page 26 Thurs., Aug. 4, 1960

Meter Receipts Hits Yearly Low

Granite City's parking meter receipts for the month of July were the lowest for any month in 1960. Excluding fines, the July total of \$2533 shows a decrease of \$1173 from the year's high in May of \$4106, year a meter income total of \$2950.

Fast records indicate, however, that February and July are traditional low points for meter activity with the month of December being a fairly consistent high spot.

Fines for over-time parking account for an additional revenue of \$29, which brings the grand total of meter funds collected up to \$3162, or a daily average of \$108.8 received during the month's 25 days of enforced meter operation.

To the total amount of \$3162, a total of \$24,499 has been taken in by Granite City authorities in 1960. A monthly breakdown follows:

Jan. \$3192; Feb. \$3183; March \$3576; April \$3617; May \$4416 (highest since Oct. 1956); June \$3350; and July \$3162.

Driver In Crash Faces Charge

A charge of improper passing was placed against Brooks M. King, 38, of the 2200 block of Dewey avenue, who police said was involved in a collision with a truck Monday afternoon in the 1800 block of Madison avenue.

Brooks posted his driver's license as bond.

The report shows both vehicles were traveling north on Madison avenue with the tractor-trailer truck operated by John D. Shannon, 44, of East St. Louis. Police said the truck was being operated in the outer traffic lane and that Brooks apparently tried to pass by using the parking lane. There was damage to the left front of his car and to the right rear tire on the trailer. No injuries were listed.

Truck Program Raises Revenue, Opens Highways

Illinois has collected an additional \$6 million in truck license taxes since the state began its apportionment program for out-of-state units in 1958. Secretary of State Charles F. Carpenter announced this week.

For 1958, the increase in total truck revenue was \$2,500,000; an additional increase by the same amount last year, and so far for 1960, the gain is still another \$1,300,000, Carpenter said.

Designed to allow the state full administration of inter- and intrastate trucking and preserve the collection of adequate state revenue from the commercial highway user, the program offers out-of-state trucking firms the option of licensing a portion of their fleets in Illinois on the basis of their Illinois mileage to the total amount. The license comes full operating privileges throughout the state.

Two Stop Sign Charges

Edgar J. Pratt, 23, of 3131 Wayne avenue, was arrested Monday night by Granite City police on charges of failing to observe stop signs on Washington avenue at 22nd and 23rd streets. He posted his driver's license as bond to appear for a hearing Saturday.

Jug's To Meet

Tavern League

Leaders Sunday

Briggs Tavern, undefeated in its first 11 games but now the victim of a 19-6 onslaught by runner-up Sportsman's Club, will meet strong opposition again at 10:30 a.m. Sunday when it plays Jug's Hideaway at Lee Park in Venice.

Jug's is one of three squads currently tied for third place, with identical 8-4 records. Also in third place are Green Hall, which will oppose Club Delmar at 12th street, and Polish Hall, which will tackle Bookie's Home at 12th street in Madison.

Sportsman's, meanwhile, will attempt to gain more ground on the league leaders when it plays Jolly Mill at Second street in Madison. Sunday's other game will pair Home of the Blues and Mary's Place at the Wilson Park softball field.

An unusual four-way tie for seventh (or last place in the ten-team circuit) also has developed. Bookie's, winning its last two starts after eight straight defeats, has equaled the record of Jolly Mill, Club Delmar and Home of the Blues.

DIZZY HEIGHTS

The fellow who thinks he has the world by the tail often goes into a tailspin.

THE MAN OF THE WEEK

"I have money for everyone" — says friendly manager HARVEY MILLER

"I like people and want all the folks here and in nearby towns to come in and get acquainted. You'll like me and I've got plenty of cash for you, any amount from \$10.00 to \$500.00 with payments to suit your income. "If you wish, try a 'Get Acquainted Loan' of \$100.00. Walk out with the cash in your pockets in 10 minutes. If your car payments or other payments are too high, I'll try to cut them in half and advance you additional money besides, or pay up your bills, make your payments smaller—have only one place to pay. Phone first. If you wish, Easy as A-B-C. Just call up, tell me the amount you need, then stop by for the money. Ask for me — Harvey Miller, Reliable Loan Corp., 1409 19th street, Granite City, Ill. Phone TRiangle 8-5050."

Hearts To Host Marvill Sunday, Mercer To Play At East St. Louis

Again back in first place in the Red Division of the Southwestern Illinois Inter-City Baseball League, Sacred Heart will attempt to maintain or improve on its share of the lead when it plays host to Marvill's Red Sox Sunday afternoon at Wilson Park.

With Bob Page the likely starter, Hearts hope to take the deciding game Sunday after splitting two contests with Marvill. Sacred Heart downed the Red Sox 10-3 in May, but Marvill rebounded to win 6-1 in June.

A victory would have more meaning for the Sacred Heart squad, which has an 11-3 record, exactly the same as that of Collinsville's McMaedeen Buick. Marvill currently is

lodged deep in fourth place in the same division, six and half games off the pace.

Seek Repeat Victory
Mercer of Granite City, tied with McAtee Glass of East St. Louis for the Blue Division lead, meanwhile will travel to Jones Park in East St. Louis to tangle with the third-place Red team, State Savings. Mercer will seek to repeat a 7-0 win over the State nine.

The Collinsville squad will visit Troy, fifth-place Red Division entry, Collinsville won 6-1 in previous clash with Troy. While Mercer is crossing into the opposite division for competition Sunday, McAtee will meet the Blue third-placers, the VFW of Highland, in a double header, making up for a May

rain-out. The teams have not yet met this season. To round out Sunday's schedule, White City will attempt to repeat an earlier 3-0 victory while playing at Carpenter. The Two-Thirds Mark Of Season In attempting to move out in front in the Blue Division, Mercer is expected to use Andy Angeloff or Joe Holder on the mound.

The season is at or approaching the two-thirds mark for all teams, and a defeat for any of the four front-runners would be regarded as a serious if not fatal blow to its pennant chances. Ultra-important pairings on the schedule include Sacred Heart and McMaedeen on Aug. 14, Sacred Heart and McAtee Sept. 4, and Sacred Heart and Mercer Sept. 5.

ENTER BASEBALL TOURNAMENT
The Tri-City Athletic Club Men's baseball team will enter a six-team tournament Saturday and Sunday at Booneville, Mo. Manager Frank Jenkins, this week named Rainey Crawford and Vernell Jackson as the likely starting pitchers.

TRY A CLASSIFIED AD

GC Open, Largest Local Tennis Tournament, Will Be Held Aug. 19-21 At Park

The largest tennis tournament ever held at Wilson Park is planned for Friday, Saturday and Sunday, Aug. 21, when the first annual Granite City Open tennis tournament will be held. Sanctioned by the U. S. Lawn Tennis Association, the meet will be sponsored by the Granite City Tennis Club. The tournament will feature 15 singles and 15 doubles for men and 15 singles and 15 doubles for women. The winners will receive trophies and prizes. The tournament will be held on the park courts.

Out-Of-State Entries
Entries are being accepted, and already there are indications of representation from such cities as Belleville, Decatur and Chicago in Illinois, St. Louis and Jefferson City, Mo., and cities in Indiana.

Don Underwood is the tournament Director. Harold Brown, will work with him. Robert T. Brown will be chief referee. Entry blanks may be filled out, either mailed or taken with a check or money order to Underwood at the park board office, Wilson Park, Granite City.

Deadline will be Thursday, Aug. 18, and pairings will be drawn at 11 p.m. that day.

Entries may be telephoned to Al Barnes at GL 2-3190 between 9 a.m. and 5 p.m. daily or to Underwood at TR 6-8848 after 8:30 p.m.

Strongest Competition
In addition to being the biggest tennis tournament ever held here, the event also will include the strongest competition, and it will be the first time the meet held at the park. Underwood and Brown reported today.

Trophies will be awarded for first and second-place singles and doubles in each division of the tournament. The awards are expected to be received here by late next week, and they are to be displayed in an Illinois Power Co. window.

Starts At 6 This Evening

Summer Youth Program At Park Ends With Festival

Youngsters enrolled in the various centers will present brief entertainment sketches under the supervision of their recreational supervisors. Included in the program will be a baton routine, kitchen band concert, square dancing, melodrama, acrobatic dancing, marching drills, and a circus parade.

Concluding the program, Barry Leman, park board president, will make a presentation of awards to those youngsters who have won the most contests during the summer recreational program and to those with outstanding attendance records.

Mrs. Bjorkman added that more than 600 children were regular participants during the eight-week program, and that during certain peak periods the attendance rose to the 1000 mark.

Children who have participated in the final day's regular schedule of activities will receive tickets entitling them to free soda during the picnic festivities. Mrs. Helen Bjorkman, summer director reminded.

Later, a sack race and watermelon-eating contest will be held with entries from each of the six recreational centers striving for top recognition.

On the Wilson Park stage, groups of youngsters from the

COMPLETELY FENCED-IN softball diamond has been created at Wilson Park by adding outfield fence and extending other fencing. This view shows the new fence in the foreground, portions of left field and center field, the infield, backstop and the stands in the distance, framed by a setting of grass and trees.

City Auto Wins 15-11 Slugging Match For Eighth Victory In Row

City Auto Repair ran its victory string to eight Monday night at Wilson Park as the Slow Pitch Softball League leader out-slugged Bethel Community 15-11.

Still undefeated, the City Auto squad amassed 21 hits to offset Bethel's 17 safeties. The winners came from behind twice with four-run barrages, taking leads of 4-2 in the first and 8-6 in the fourth before moving ahead 12-4 in the fourth and 15-11 in the fifth inning.

Bethel rallied with two tallies in the sixth and three in the seventh but fell four runs short, despite two home runs during the game by Ed Hessel and a single circuit blow by Catcher David Hessel.

Bill Weiss was the winning hurler, with Vernal Deutschman serving as his catcher. Frank Zaruba pitched for Bethel.

Nameoki Presbyterian moved to within a game of second-place Bethel by outdistancing Veterans of Foreign Wars 10-1. The VFW squad amassed 21 hits to offset Bethel's 17 safeties. The winners came from behind twice with four-run barrages, taking leads of 4-2 in the first and 8-6 in the fourth before moving ahead 12-4 in the fourth and 15-11 in the fifth inning.

Bethel rallied with two tallies in the sixth and three in the seventh but fell four runs short, despite two home runs during the game by Ed Hessel and a single circuit blow by Catcher David Hessel.

Bill Weiss was the winning hurler, with Vernal Deutschman serving as his catcher. Frank Zaruba pitched for Bethel.

2 Charged With Fighting

Answering a complaint that a fight was underway in the 2300 block of West 23rd street about 7:45 p.m. Tuesday, Granite City police took into custody Homer Jones, 39, of 2463 Dewey avenue, and Donald Jones, 23, of 2510 West 24th street, on charges of fighting and creating a disturbance. They were later released on \$32 cash bonds to appear for hearing Saturday before Police Magistrate Gasparovic.

Honor Graduate From Navy Supply School

Warrant Officer Charles McDowell, USN, 1912 Beckwith street, Madison, has been named honor student and class representative of the graduating battalion at the Navy Supply School, Athens, Ga. His overall scholastic standing was 96.7 per cent.

The graduation address will be given today by Rear Admiral J. S. Dietz, commanding officer of the Navy finance center in Cleveland, Ohio.

McDowell is the son of Mr. and Mrs. Iva W. McDowell, 1101 Dixon, Mo., and is married to the former Ethel Akers, Charleston, Va. Upon graduation, he has been ordered to the USS North Sound as assistant supply officer.

Barry Gushluff Gets Graduate Assistantship

Barry Gushluff, son of Mr. and Mrs. William Gushluff, 712 Madison avenue, has been awarded an assistantship in the Iowa State University department of bacteriology for the coming school year.

A June graduate of Central College, Fayette, Mo., he will work toward a master's degree in bacteriology and also teach undergraduate courses in the subject.

Gushluff, who is a graduate of Granite City high school, will receive approximately \$2000 for his work as an assistant.

Two Circuit Court Deputies Appointed

A new chief deputy circuit clerk and a second deputy circuit clerk were appointed Monday to serve until Dec. 5 when the new clerk takes office, Eugene Berghoff, circuit clerk pro tempore, announced.

Appointed new chief deputy was Miss Catherine Luner of Collinsville, who has worked in the circuit clerk's office 25 years, while the mayor of Worden, William H. Jenkins, was selected deputy filling Miss Luner's former position.

MRS. VAUGHN HONORED WITH SHOWER

A recent bride, Mrs. John (Joann) Vaughn, was complimented by her mother, Mrs. Michael Barry, with a miscellaneous bridal shower Sunday afternoon at the Liberty Home on Grand avenue.

The serving table was decorated with red roses and the gifts were placed on a separate table. A desert luncheon was served by the hostess, and games were played with the winners awarded prizes.

Those present were Mrs. Dicie Stephen, Mrs. Ann Giese, Mrs. Mildred Fleener, Mrs. Mary Buecher, Mrs. Dolly Smith, Joan Buecher, Mrs. Stella Mueh, and daughter, Barbara, Mrs. LaVerne Mueh, Mrs. Joann Mueh, Mrs. Walter Cline, Mrs. Rose Vandy, Mrs. Louise Hildreth, Mrs. Beverly Topal, Mrs. Minnie Topal, Mrs. Walter Norn and daughter, Diana, Mrs. Margaret Culbert, Mrs. Betty Zolaga, Mrs. Steffie Lizar, Mrs. Robert Kudelka, Mrs. Shirley Singleton, Miss Joan Vaughn, Mrs. Barbara Vaughn, Mrs. Mary Margis, Mrs. Mary Brominski, Mrs. Sophia Thomas, Mrs. Agnes Schenoff, Mrs. Josephine Yurko, Mrs. Walter Baumberger, Mrs. Margaret Feurka, Mrs. Katie Clark, Miss Frances Topal, Mrs. Jo Ann Sydek, Mrs. Mary Zikovich, Mrs. Caroline Sanders, Mrs. Dolly Syniski, Mrs. Nellie Dean, Mrs. Ann Fryntko, Mrs. Mary Gregas, Mrs. Josephine Kubelka, Mrs. Antonia Barry, Mrs. Eva Barry and Miss Geraldine Barry.

HONOR BRIDE-TO-BE

Young Woman's Auxiliary of Emmanuel Baptist Church presented a white Bible Sunday evening to a bride-to-be, Miss Carol Brewster, a member of the YWA, during an impressive ceremony in the church.

The presentation was made by the pastor, Rev. Ray Atwood, and assisting in the program were Misses Carolyn McCrand, Judith Martin, Nelda Ingram and Renda Johnson and their counselor, Mrs. Edna Stagner, and Mrs. Ray Atwood, Woman's Missionary Union president.

"Bless This House" was sung by Mrs. Peggy Barr, accompanied by Mrs. Phyllis Martin, organist, who also played the YWA hymn, "O Zion, Haste!" at the entrance of the young women. The group carried with them candles with streamers of green ribbon, utilizing the YWA colors.

Miss Brewster is to be married August 19 to Ronald Parker.

Section of North St. To Be Fair Oaks Lane

A section of North street in the Nameoki area is to be renamed Fair Oaks lane, according to an ordinance adopted Monday night by Granite City council members.

Mayor Davis explained the residents in only a two-block area of the street requested the name change, and the street will be known as Fair Oaks lane from R-3 residential to C-2 commercial was approved Monday night by Granite City council members.

The property, consisting of 45-foot frontage on Nameoki road and 92 feet on Lincoln avenue, is owned by William B. Webb Jr. The amendment was placed on first reading last week.

It was learned that a boat display shop is to be erected.

Lumber Truck Spills Load

Granite City police were sent to 23rd and Benton streets Monday afternoon to direct traffic around a partial load of lumber which had been spilled in the street from a Stolz Lumber Co. truck.

Bob Hope Leads Host Of State Fair Talent

This year's Illinois State Fair, at the Springfield fairgrounds from Friday, Aug. 12 through Aug. 21st, will feature comedian Bob Hope and other TV-cinema personalities; a \$10,000 guarantee purse for big car racers; a horse show, offering over \$75,000 in cash prizes and trophies; a hobby and photographic exhibition; and the 50-mile National Championship Motorcycle Race, J. Ralph Peak, general fair manager, announced today.

General admission tickets are still available for the 100-mile National Championship Auto Race which will be run Aug. 20. The Bob Hope show will also be presented Saturday evening, Aug. 20, and tickets costing two and three dollars may be mailed through the ticket department, Illinois State Fair, Springfield, Ill. The motorcycle race to be held Aug. 21, features Carroll Reesher, leading winner in the nation.

Illinois-bred horses entered in the horse show's Land of Lincoln classifications will be eligible for prizes amounting to \$23,845. Premium book IT obtainable from the State Fair gives complete information and entry blanks.

Works of the world's leading photographers will be on display throughout the 1960 fair opening, and hobbyists will find many points of interest in the large collection of valuable coins, figurines and antiques.

Most people who pay as they go are mighty slow travelers.

SIU Adds 131 Acres To New Area Campus

Southern Illinois University has taken possession of three additional pieces of property for its new campus southwest of Edwardsville, a university official announced Tuesday.

Comprising 131 acres formerly owned by Maynard Kellenberger, Theresa Hollis and Harry De Sherja, the new properties will be utilized to house central administrative functions of the Southwest Illinois Campus. Already located in remodeled farm buildings on the new campus are offices of SIU President Delyte W. Morris; Dr. Harold W. See, vice-president for the Southwest Illinois Campus; Dr. John H. Schnabel, registrar; Dr. Fredrick Forrest, coordinator of 18,000 students, the campus libraries; and Emory Casavegne, supervisor of the technical and industrial program.

Additional farm buildings on the site are being readied to house offices under the supervision of the business manager.

Caswell E. Peebles. They will provide space for accounting, auxiliary enterprises, maintenance, personnel, purchasing, and statistical services.

Move Adds Classroom

Moving these offices to the new campus will make available additional classroom space at the university's centers in Alton and East St. Louis, where the number of students enrolled in degree programs is expected to reach 4000 this fall.

More than 1400 acres of land for the new campus have been purchased to date with funds contributed by 60,000 individuals and firms of Madison and St. Clair counties. Being planned to serve a minimum enrollment of 18,000 students, the campus southwest of Edwardsville eventually will comprise 2500 acres.

Construction of classroom buildings on the new campus last June 14, Gov. William G. Stratton pointed out in his program, as set up in his program, would be retired from the money in the general revenue fund which ordinarily would be appropriated over a long period of years to our state universities for piecemeal, inadequate building, making unnecessary the imposition of new tax.

Majority Vote Needed

A majority of those voting for candidates for the Illinois General Assembly in the coming November elections will be required for passage. Thus a voter who goes to the polls Nov. 8 but does not mark the ballot on the Universities Bond Issue in effect is voting against it, an SIU official said.

Interest on the bonds, which will be retired within 25 years of the date of issue, will not exceed four per cent per year. At the first commencement exercises held on the new campus last June 14, Gov. William G. Stratton pointed out in his program, as set up in his program, would be retired from the money in the general revenue fund which ordinarily would be appropriated over a long period of years to our state universities for piecemeal, inadequate building, making unnecessary the imposition of new tax.

Campus Planning

A university agreement with consulting engineers and architectural planning and landscape architects preparing plans for the development of the campus calls for paying most of the cost of their services out of the new campus's share in the proceeds of the bond issue.

Architectural planners, Hellmuth, Obata and Kassabaum, Inc. of St. Louis will be paid on a time basis with an overall total of less than \$100,000. City planning and landscape architects Hare and Hare of Kansas City, Mo., will do zone planning on a similar time basis with total fees not to exceed \$50,000. Warren and Van Praag, engineers, Decatur, will do engineering planning on a payroll basis plus overhead costs with a top limit fee of \$80,000.

SIU has set a minimum of \$57,500 for the contracts from the university's current appropriations, meaning that three-fourths of the planning costs are contingent on the bond issue program.

Citizen Corporation

An Inter-Governmental Liaison Committee for Planning has been formed to coordinate the planning by the following agencies in connection with the development of the university's Southwest Illinois Campus: the Edwardsville municipal government, the Madison county board of supervisors, the Edwardsville Plan Commission, the Madison County Zoning and Planning Committee, the Edwardsville Community Unit School, Kincaid & Associates, the planning firm retained by both the Edwardsville city council and the Madison county board of supervisors; Hare & Hare, the planning firm retained by the university, and SIU officials.

The members of the group, meeting the fourth of each month, plan to coordinate their activities as they pertain to city governmental services, land use, and area roads and highways servicing the SIU campus site, Edwardsville and surrounding area.

July Rain Double '59 But Still Short Of Norm

Over 85 per cent of July's total rainfall, 3.47 inches, fell during just two days of the month as recorded by the U. S. Army Corps of Engineers rain gauge at the Chain of Rocks canal locks. And almost 35 per cent, 1.20 inches, of the rain came on July 1, quick on the heels of June's final days of wind, storm and deluge. The other high-water mark for the month named in honor of Julius Caesar, came on the 11th day with 1.75 inches, the highest as far as precipitation goes.

Out of the seventh month's 31 days, rainfall was recorded on just six days with traces of precipitation that is less than one hundredth of an inch, indicated on three days.

Added to the monthly cumulative total, 1960's rainfall stands at date at 20.32 inches which is 1.43 inches lower than what is considered normal for the so-

called "dog day" season of the year, and much less than the farmers would like to have to keep their parched corn from tasselings too early. However, July's 3.47 inches is nearly double that of its counterpart month in 1959 which received only 1.87 inches of rain.

A breakdown of rainfall for the recently ended month follows: July 1, 1.20 inch; 2nd-3rd, dry; traces of rain on the 4th and 5th; July 6-8, dry; July 10th, 1.0 inch; the 11th, 1.75 inch; 12th, dry; 18th, .10 inch; a trace on the 14th; from the 15th to the 24th, dry; .02 inch on the 25th; .30 inch on the 26th; and dry from the 27th day through the end of the month.

Rainfall records by month for 1960 show: Jan., 1.30 inches; Feb., 1.37; March, 2.73; April, 2.86; May, 4.27; June, 4.39; and the July figure of 3.47 inches which puts the annual precipitation to a total of 20.39 inches.

Roussin Family Reunion

Aug. 14 At Sullivan, Mo.

Members of the Roussin family in Missouri and Illinois, among other states, are planning to hold their annual "roundup" reunion, Aug. 14, at Meramec State Park, near Sullivan, Mo. Special markers along the highways will indicate the route to the reunion, which usually results in one of the largest convalesces of its kind. A basket dinner, contests and various recreational pursuits are planned for the gathering, which will include the route to the reunion, which usually results in one of the largest convalesces of its kind.

A basket dinner, contests and various recreational pursuits are planned for the gathering, which will include the route to the reunion, which usually results in one of the largest convalesces of its kind.

Speeding Ticket

Russell Stages, 18, of Rural Route One, was issued an arrest ticket at 30th street and Madison avenue on Monday by Granite City police who charged him with speeding. He posted his driver's license as bond.

GC Serviceman And Teacher Meet In Rome

Mr. and Mrs. William E. Smith, 2728 Birch avenue, received word this week that their son, Signalmann Al Young, U. S. Navy, and Peter Franks, Granite City high school teacher, had by coincidence met in a Rome, Italy, restaurant.

Hitherto strangers, the two men introduced themselves and were surprised to learn that their hometown was mutual which brought about an hour or two of pleasant conversation. Young, who is just completing seven months overseas service aboard the destroyer, USS Bordeau, is expected to dock in Charleston, S. C. Sept. 1, with prospects of a two week furlough at home. He has been in service for two years.

Franks, who is enjoying an extensive holiday in Europe, is planning to return home in September.

24-HOUR TOWING — ASK FOR ANDY & JOHNNY'S BODY SHOP WRECKERS, TEL. 7-1063.

NEW VOCATIONAL SHOPS at Granite City high school are progressing, although they are not expected to be completed by the start of the fall term. Workmen are shown installing windows in one of three shops, which adjoin four new classrooms at the back of the school. A 16-classroom addition to the high school near the gymnasium building also is under construction and is scheduled for use in September.

\$1297 Township Bills Approved By Council

Township bills and salaries totaling \$1297 were approved Monday night by Granite City council members. Of the total, \$494 was for relief expenses and \$803 for town purposes.

The relief disbursements were \$75 rent for the relief office, \$12 for utilities, and \$407 for half-month salaries of three office employees.

Town fund expenditures were \$600 half-month salaries for three officials, \$20 for stamps for the assessor's office, \$156 for a five-drawer counter file, \$5 for

typewriter repairs and \$20 for telephone service, all for the assessor's office.

Air Conditioning may help you live longer

Read this excerpt from "Today's Health" published by the American Medical Association

"Custom tailored climate—that's what air conditioning is—means much more than mere cooling. Properly used, the word implies year 'round modification of humidity, air currents, and dust content of air, as well as combatting cold or heat. It not only rescues hay fever sufferers from airborne pollen and keeps heart patients at recommended even, moderate temperatures. It can also be distinctly 'good for' the healthiest, never-knew-a-day's-illness types because it takes much of the curse off the bullying heat and smothering humidity of our temper-gnawing, energy-sapping summers."

Modern air conditioning is no longer a luxury. It is, rather, a sensible investment in your home, in your health... even in your life. So why put it off another summer? See your local air conditioning contractor now... before another hot, humid summer begins to get you down.

— At your service

ILLINOIS POWER COMPANY

CHECK

your wiring to make sure it is heavy enough to supply the electricity needed for the air conditioner you intend to purchase.

Motorist in Crash Faces Stop Sign Charge

A charge of failing to observe a stop sign was placed against a Caseville motorist, Tony Pejakovich, 56, following a two-car accident Tuesday morning at 22nd and Iowa streets. He posted his driver's license as bond to appear for a hearing Friday before Police Magistrate Casparovic.

Police said Pejakovich was driving west on 22nd street and was involved in an accident with an auto operated north on Iowa street by Mary J. Gasset, 20, of 2804 Marshall avenue. There was damage to the right side of the Gasset auto and to the front of Pejakovich's car. No injuries were listed. Pejakovich said the stop sign was partially obscured by a tree limb.

Granite City PRESS-RECORD Page 30 Thurs. Aug. 4, 1960

Muffler, Speeding Charges

Charges of improper muffler and speeding were placed against Edward E. Craft, 17, of 2704 Myrtle avenue by Granite City police. He was released after a series of monthly conferences with his night deputies and jailers. The sessions are

Sheriff Begins Monthly Intra Office Confabs

Aiming for close cooperation and efficiency among members of his law enforcement staff, Madison County Sheriff George Musso initiated Tuesday morning a series of monthly conferences with his night deputies and jailers. The sessions are

being held in the court house at Edwardsville. The sheriff stressed the need for the meetings because, "some of the deputies who work different night shifts, may not see each other for weeks at a time." The conferences will enable the men to bring up mutual problems for discussion in a group attempt to find solutions that will improve the services of the sheriff's office.

Children Keep Falling, Hospital Keeps Treating

Two children were given treatment Monday at St. Elizabeth Hospital for injuries received in falls. Six-year-old Janice Whitford, daughter of Mr. and Mrs. Clarence Whitford, 2810 West 22nd street, suffered a fracture to her left hand in a fall and a left upper arm received first aid treatment. X-rays were

taken of Jeffrey Clark, 2, son to Mr. and Mrs. Frank Clark, 53 Grenzer Homes, who fell backwards from a wagon and hit his head. He was released when the X-rays proved negative. Given treatment Tuesday morning was Mrs. Sarah Jackson, 22, of 815 Franklin street, West Madison, who required stitches to close a cut to her paravertebral. He was arrested Monday by Granite City police at Johnson and Nameki roads.

Hearing on a charge of reckless driving against Thomas Kula, 46, of 2443 Delmar avenue, was continued until next Tuesday after Kula requested a first continuance from Granite City Police Magistrate Andrew Gasparovic. He was arrested Monday by Granite City police at Johnson and Nameki roads.

Holiday in Scandinavia...all expenses paid for two Enter the **AIR FRANCE/Broyhill** "ABROAD AT HOME" CONTEST

It could be you...flying high over the Atlantic aboard a new AIR FRANCE 707 jet...enjoying 14 memorable days in Scandinavia with all expenses for you and your husband (or wife) paid by Broyhill Premier. All you need do to enter the "Abroad At Home" Contest is finish in 50 words or less this sentence:
"I would like to take my husband (or wife) to Scandinavia because..."

Stout-Crews Engagement Announced

The engagement of Miss Phyllis Stout, only daughter of Mr. and Mrs. Phil Stout, 2432 Edison avenue, to Darrell Crews, whose parents, Mr. and Mrs. Marion Crews, reside at 2439 Edison avenue, is announced by the bride-elect's parents.

Miss Stout, first attendant in the 1950 "Miss Granite City Pageant," was graduated from Granite City high school in 1950 and has attended Southern Illinois University's Southwestern Campus during the past year.

Mr. Crews, a graduate of Venice high school, has studied at Washington University, St. Louis, and is presently employed at Walworth Company, East St. Louis.

An Autumn wedding is being planned for the couple.

JIM HENDERSON

About This Question

As I took back over years of picnicking, it has been fun, but hazardous too—a bad burn from an outdoor grill, a broken arm from baseball, a near-drowning. Would Personal Accident Insurance pay the medical costs on all such picnic injuries?

LUEDERS AGENCY

Twins Born To Mr. And Mrs. Norbert Bruemmer

Mr. and Mrs. I. G. Bruemmer, 1531 Fourth street, Madison, learned this week they have become grandparents of twins—a boy and a girl—born Monday night to their son and daughter-in-law, Mr. and Mrs. Norbert Bruemmer, formerly of Madison and now of Scottsdale, Ariz.

The new mother is the daughter of Mr. and Mrs. Luby Ratkovich, also formerly of Madison and now living in Scottsdale, Ariz.

Mrs. Seibold And Mrs. Pufalt Arrive In Germany

News has been received here of the safe arrival in Germany of Mrs. Minnie Seibold, 2456 Delmar avenue, and her sister, Mrs. Frieda Pufalt, 2944 Grand avenue, who departed by plane last week for Frankfurt.

They are presently visiting their brother, sister and several nephews and nieces in the Stuttgart area. The two ladies accompanied a choral group, composed of members of the St. Louis Master Singers and their families, with a total of 78 persons making the chartered trip.

On reaching Germany, the group divided for individual tours and visits and will re-convene in Frankfurt for the return trip in two months.

Mrs. Seibold is proprietor of a local bake shop.

Plight Of The Indian Wins Toastmaster Oscar

Don Trimmell won the Toastmaster award for his talk on the "Plight of the American Indian" given before the 11 club members assembled at Cline's restaurant Monday evening. Earl Lee, the evening's second speaker, chose the topic, "Buying a Farm."

Toastmaster for the occasion was Don Kopp, with Richard Coleman acting as general evaluator. Earl Tucker was voted the best critic.

TAKES PART IN CEREMONY

Rev. and Mrs. John Phillips of the First Baptist Church, Lipo, were here last weekend for the wedding of their nephew, William Richard Brinkhoff, to the former Miss Sue Ellen Johannegger, performed July 29, at St. John United Church of Christ. Rev. Phillips took part in the ceremony, offering the pastoral prayer.

MRS. MARSHALL EDWARD BONER, whose wedding took place Saturday afternoon at St. Joseph's Catholic Church. The former Miss Carol Ann Franklin, is the daughter of Mrs. Audrey Franklin, 2140 Delmar avenue, and the late Edwin J. Franklin. The bridegroom's parents are Mrs. Lorene Boner of Mitchell, and Lee Boner, 1916 Benton street.

Newlyweds Residing Here

Mr. and Mrs. Marshall Edward Boner are residing at 2606 Madison avenue, following their wedding ceremony at St. Joseph's Catholic Church.

The bride is the former Miss Carol Ann Franklin, daughter of Mrs. Audrey Franklin and the late Edwin J. Franklin, 2140 Delmar avenue. Mr. Boner's parents are Mrs. Lorene Boner, Mitchell, Ill., and Lee Boner, 1916 Benton street.

Rev. John Sahn officiated at the two o'clock ceremony with the bride given in marriage by her uncle, Paul P. Jensen of St. Louis.

Miss Jean Franklin was maid of honor and her sister's only attendant, while Glenn Hickey of St. Louis served as best man. A reception and garden tea honored the newlyweds at the bride's former home immediately following the ceremony with approximately 80 guests attending.

Mrs. Boner was graduated in 1927 from Granite City high school and is employed at Southwestern Bell Telephone Co., St. Louis.

Eta Chapter Plans Calendar Year

The Eta Chapter of the Phi Tau Omega Sorority met at the Elk's Club Monday evening for the regular monthly business meeting, with newly installed president, Mrs. Gina Thomas, presiding. A report on an excursion aboard the steamer, "Admiral," made by 80 sorority members and their guests last weekend, was presented by Mrs. Georgina Waggoner, who directed arrangements for the affair.

Tentative projects and programs for the coming calendar year were briefly outlined and plans for the initial project, a rummage sale in October, were discussed.

Mrs. Cam Roberts invited members for a social evening at her home, 2218 Edison avenue, following next month's regular business session, Sept. 5 at the Elk's Club. The evening's prize-winners were Mrs. Mary Evelyn Yencio and Miss Marian Chizek.

FAMILY PICNIC

The Long Lake firemen gave a picnic and barbecue for their families and friends Sunday afternoon.

Those present were Mr. and Mrs. John Karlechuk and son, Michael, Mr. and Mrs. Jacy Getteman and children, Sally and Gene, Mr. and Mrs. Traci South, Mrs. Bertha Hall, Ben Williams, Arthur Chaiman, Mr. and Mrs. Earl Young, Mr. and Mrs. Robert Anderson and daughter, Becky, Mr. and Mrs. Jack Harper and son, John, Mr. and Mrs. Charles Kennerly and children, Charlene and Eddie, Mr. and Mrs. Melvin Harrison and children, Betty Lou, Bill, Leonard and Melvin, Mr. and Mrs. Herman Thompson and children, Diane and Alan, Miss Diane Love, Alan Reber, Charles Binger and Oscar Crumery.

RETURN TO IOWA
Mr. and Mrs. Harry Anderson and children, Joe, David and a Barbara of Ames, Ia., left Sunday after spending four days visiting Mr. and Mrs. Robert Anderson and children, Darryl and Becky, of Kaseberg lane, Drury, Anderson left with Mr. and Mrs. Harry Anderson and will visit his grandparents at Columbus Junction, Ia., for the remainder of the summer.

Mr. and Mrs. Robert Anderson and daughter, Becky, of Kaseberg lane had as guests Sunday Mr. and Mrs. Chris Wenger and children, Chris Jr. and Mary Jean, of Burlington, Ia.

MOTOR TOUR THROUGH SOUTHERN STATES
Mr. and Mrs. Edward Young and son, Terry, 3145 Fehling road, arrived home this week following an extensive holiday. The local family spent the first week of their vacation in Summerville, Mo., where they were house guests of Mrs. Young's mother, Mrs. George Husky and Young's parents, Mr. and Mrs. George Young.

They were then joined by Young's brother and sister-in-law, Mr. and Mrs. Wayne Pitts of Summerville for the remainder of their holiday, with the three couples enjoying a motor tour through the southern states.

Portia of interest were visited in Kentucky, Tennessee, North and South Carolina, Mississippi, Georgia, Alabama and Arkansas before the group returned home.

TOURING EAST

Mr. and Mrs. Christ Paschoff, 1230 Madison avenue, and their daughters, Dee Anna and Christine, left during the weekend for a two-week trip to New York. Enroute, they will visit for two days of Dr. Louis D. Kacaleff of Cleveland, O. Dr. Kacaleff is a former Madisonian and the son of Mrs. D. L. Kacaleff, 1301 Iowa street, Madison.

In New York, they will visit Harry Swan, former manager of the Washington Theatre, of which Paschoff is now the manager. They also will see the schedule of sightseeing trips and also attendance at several Broadway shows.

The Paschoffs will visit a cousin, Vangelis Shegoc and family, in Astoria, N. Y. On their return, they will stop at Cedar Lake, Ill. to visit Mr. and Mrs. Ted Mosky and family and Mrs. Paschoff's brother, Vasil Veschuroff and family of Chicago.

Mr. and Mrs. Casey M. Lomax entertained Mr. and Mrs. M. C. Hule of West Frankfort, Ill., in their home, 1520 Fourth street, during the weekend. The Hules are cousins of Mrs. Lomax.

HERE FROM KANSAS
Mr. and Mrs. Elmer Vogeli, 1832 Fifth street, entertained Second Lieutenant and Mrs. Jack Geisinger and son, Jimmy, through Sunday. Lieut. Geisinger is stationed at Fort Riley, Kan., and Mrs. Geisinger is employed in Champaign, Ill., where she will remain for the time being.

FIRST GRANDCHILD FOR TOMLINSON'S
Mr. and Mrs. Tomlinson of Highway 162 received word this week of the birth of their first grandchild, born July 29, at Murphysboro Hospital, Murphysboro, Ill. Parents of the new arrival are their son and daughter-in-law, Airman S. C. and Mrs. James Caudle, formerly of this city. The infant, whose weight six pounds twelve ounces, has been named Sherry Lee. The mother is the former Miss Wilma Ward, who is residing temporarily with her parents in Grand Tower, Ill. Airman Caudle is presently stationed at Sheppard Air Force Base, Tex.

Parked Car Damaged

A hit-and-run car backed into the left door and side of the parked auto of Wilmer F. Calvin, 36, of 1909 Quincy street at 12:01 a. m. Tuesday on McCambridge avenue at Edwardsville road, Madison police were informed.

Fined At Venice Hearing

Charged Monday with disorderly conduct, Gene Isbell, St. Louis, was fined \$15 at a hearing Monday night before Justice of the Peace Lloyd Blumenthal at the Venice city hall. He had been arrested by Venice police.

State Satisfied With City's Anti-Pollution Progress

A staff of sanitary engineers for the State Sanitary Water Board expressed satisfaction Tuesday with progress made to date by the city, and Citizens' Master Sewer and Drainage committee toward a program for abatement of river pollution.

City officials and representatives of the citizen group conferred with the state engineers at Springfield and agreed to submit progress reports periodically. Present for the conference were Mayor Davis, G. W. Hoelscher,

chairman of the citizen committee; David L. Rubman of Dow Metal Products Co., chairman of the industrial pollution study; Donald Cairns of Granite City Steel Co., engineer for the citizen committee, and City Atty. William Beatty.

The conference was called by C. W. Klassen, chief engineer for the State Sanitary Water Board, and also taking part were two members of his staff, R. B. Morton and R. S. Nette, sanitary engineers.

Sole purpose of the session was to determine if the city had made any progress toward abatement of river pollution, and report prepared by the citizen committee was submitted to the state officials by Hoelscher and the mayor.

Federal Funds Available
The federal group was informed that federal funds would be available for engineering plans and also for the building of a treatment plant, after it was pointed out a federal installation, the Granite City Engineer Depot, is located here.

The state officials said Granite City was called to Springfield since an effort is being made to clear the river of Illinois pollution by 1963, well in advance of the 1967 deadline set for St. Louis.

Klassen told the Granite City, and that only about 5% of the state's population, excluding rural sections, is in areas without sewage treatment plants.

Cairns explained to the state engineers that the separate industrial survey being conducted by local plants should not delay the overall district planning by the East Side Levee & Sanitary District. Granite City has not agreed to go along with the Levee District's program, pending the outcome of the industrial survey.

Hoelscher added that when the city council asked the citizen group to include anti-pollution in its master sewer and drainage survey, the industrial survey committee became a part of the citizen committee.

The report submitted to the Illinois Sanitary Water Board by Mayor Davis and Hoelscher states:

"Relative to the progress the city is making toward pollution abatement, the city of Granite City has entered into an engineering contract with the firm of Sheppard, Morgan & Schwab to study the existing sewer system as well as to evolve a master plan of development for storm and sanitary water relief of the existing system and further providing for drainage in the anticipated areas of expansion of the city."

"We consider this study as being vital to the consideration and planning of sewerage treatment works, as well as its other obvious benefits, because the sewerage system will be the collection system for a sewage treatment plant. We anticipate this study by the engineers will be complete about November 1960."

"The mayor and city council have appointed the standing Citizens Sewer & Drainage committee as the agency to study pollution abatement and to recommend a program of pollution abatement to the city. This citizen committee, composed of responsible citizens in all phases of our community life, has in turn called upon the voluntary aid, assistance and technical guidance of the many qualified engineers encompassed by the East Side Manufacturers' Association."

"We are pleased to report that these engineers are in the process of completing a comprehensive study as to the effect in-

plant pollution abatement programs will have on the over-all program for our city. We are sure you will agree that in our industrial community, the industrial program is of prime importance to the municipality."

Studying Levee Survey
The citizens committee also will evaluate the methods of attack on pollution abatement outlined in the report of the East Side Levee & Sanitary District, as well as evaluating from the economic and feasibility standpoint of this city constructing its own sewage treatment, joining with other communities in the area in a combined work, or joining with the East Side Levee & Sanitary District in its works.

"The matter of sewage treatment works is recognized as being of high value to the entire metropolitan area, and the city government is anxious to work closely with the regulatory agencies to achieve pollution abatement."

"We give you our solemn assurance that pollution abatement will not go begging in Granite City; that we will not study the problem to death, and that we will move decisively to accomplish pollution abatement. You will also recognize that the mayor and city council have the obligation to march in the direction which will best protect the public interest of our citizens. This, above all, is why we are intensively studying this problem."

"We assure you that you will be fully advised of our progress and that we appreciate your interest in our program."

Speeding Charge
Ray W. Allen, 26, of 3040 Myrtle avenue, was arrested early Wednesday morning by Granite City police on a charge of speeding on Madison avenue at 26th street. He posted his driver's license as bond.

CARD OF THANKS

WE WISH TO EXTEND our sincere thanks and appreciation to our many friends, relatives and neighbors for their many acts of kindness and sympathy shown in the loss of our dear mother, ELLEN GRAY. Special thanks to Rev. Maxton, Dr. Carle, St. Elizabeth Hospital, sealer, organist, pallbearers, Mercer Funeral Home and all for the beautiful floral offerings.

GRAY FAMILY

The City of Granite City has for sale a "Howe Scale" that is now installed at the old Fire Station, located at 1407 19th street.

The City will receive sealed bids on offers to purchase said scale until 4 o'clock p.m. D.S.T. Monday, August 22nd, 1960. Bids should be delivered or mailed to the Office of the City Comptroller.

For those interested in the purchase of the scale, we have contacted the Howe Scale Company and they will, if wanted by the purchaser, furnish experienced men to take care of the removal of the scale and the new installation of same. City of Granite City, JOHN DOOHER, Comptroller, (8-4)

NOTICE
The Board of Education, Community Unit School District #9, Granite City, Illinois is requesting sealed bid on the following: Brickwork at Emerson school, cleaning shop supplies, printing and trainer supplies.

Bids are due in the Board of Education office no later than 4:30 p.m. on Tuesday, August 9, 1960.

Specifications may be obtained from the Board Business office, 2014 State street, Granite City, Illinois.

HOWARD KASEBERG, Secretary, 8-4-60
